OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

April 2, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Water Management, I transmit herewith an ordinance authorizing the execution of an easement agreement with Belt Railway.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

A handwritten signature in black ink that reads "Rahm Emanuel".

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Belt Railway Company of Chicago ("Railway") is an Illinois corporation, with a principal place of business located at 6900 S. Central Avenue, Bedford Park, Illinois 60636; and

WHEREAS, the City's Department of Water Management ("DWM") has proposed to install a new 60" sewer main (the "Sewer Main") offset two (2) feet east from the centerline of South Austin Avenue, from West 59th Street to West 63rd Street, which will convey storm water drainage to outlet to an existing 96" sewer at West 59th Street (the "Project"); and

WHEREAS, the Project also involves replacing the existing, outdated and undersized brick sewers in South Austin Avenue with a more hydraulically efficient reinforced concrete pipe; and

WHEREAS, the Railway operates two (2) rail crossing on South Austin Avenue between West 59th Street and West 60th Street, and there is currently no City right of way in the location of such crossings; and

WHEREAS, the City and the Railway have agreed to the City's installation of the Sewer Main under that portion of the Railway's right of way legally described on Exhibit A attached hereto ("Legal Description of Easement Parcel") and depicted on Exhibit B attached hereto ("Depiction of Easement Parcel"); and

WHEREAS, the City, through DWM, will own, operate, use, maintain, repair and replace the Sewer Main; and

WHEREAS, DWM, after due investigation and consideration, has determined that it is in the best interest of the City for the Railway to grant, and for the City to accept, an easement in the Easement Parcel for the purpose of constructing, owning, operating, using, maintaining, repairing and replacing the Sewer Main to be installed therein; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The forgoing recitals are hereby incorporated herein and adopted as the findings of the City Council.

SECTION 2. The Commissioner of DWM (the "Commissioner") or a designee of the Commissioner is each hereby authorized to execute, subject to the approval of the Corporation Counsel as to form and legality, a non-exclusive sewer pipe line easement agreement substantially in the form attached hereto as Exhibit C and any other such documentation as may be necessary to effectuate the transaction described herein.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect immediately upon its passage and approval.

SEWER PIPE LINE EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT (the "Agreement") made and entered into this ____ day of _____, 2014, by and between THE BELT RAILWAY COMPANY OF CHICAGO, an Illinois corporation, hereinafter referred to as the ("Railway Company"); and the CITY OF CHICAGO, an Illinois municipality and home rule unit of local government, hereinafter referred to as the ("City"):

W I T N E S S E T H :

THAT, WHEREAS, the City desires to construct, install, maintain, operate, and use a 60-inch, reinforced-concrete sewer pipe under the property and railroad tracks of the Railway Company at and along Austin Avenue in the City of Chicago.

WHEREAS, the Railway Company agrees to grant City such rights pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the sum of One Thousand Five Hundred Dollars (\$1,500.00) in hand paid by the City to the Railway Company, and of the Administrative Fees and Expenses, as set forth in Paragraph 16 herein and of the covenants and agreements hereinafter contained, the Railway Company hereby gives and grants the City, a perpetual non-exclusive easement, hereinafter called ("Easement") subject to the terms and conditions hereinafter set forth, to construct, install, reconstruct, operate, use, maintain, repair, renew and remove, a 60-inch, reinforced-concrete sewer pipeline, at the location described in Exhibit A, attached hereto and made a part hereof, hereinafter called ("Easement Property") for the sole purpose of a sewer pipeline under the property of the Railway Company pursuant to the specifications as set forth on

Exhibit B, attached hereto and made a part hereof, said sewer pipeline and appurtenances hereinafter referred to as ("Facilities").

1. **SUBORDINATION.** This grant is subject and subordinate to the right of Railway Company, its successors and assigns, its grantees, lessees, and licensees, to construct, install, reconstruct, operate, use, maintain, repair, renew and remove on, beneath or above the Easement Property covered hereby, any structures, improvements or facilities of similar or different character as are now or in the future may be located on, beneath or above said Easement Property.

2. **APPROVAL.** The City has procured all necessary approvals and authority for the construction, installation, operation, use, maintenance, repair or removal of Facilities and in addition to the requirements of this Agreement, will construct, install, reconstruct, operate, use, maintain, repair, renew and remove Facilities in conformity with all requirements of public authority having jurisdiction.

3. **CONSTRUCTION.**

(a) Facilities shall be constructed, installed, reconstructed, operated, used, maintained, repaired, renewed, or removed by and at the expense of the City, in a manner satisfactory to the Railway Company and in compliance with guidelines of the American Railway Engineering and Maintenance Association.

(b) All material and workmanship pertaining to the construction, installation, reconstruction, operation, use, maintenance, repair, renewal and removal of Facilities

within thirty (30) days after receipt of written notice to commence such repairs as the Railway Company deems necessary and to complete said repairs within an additional thirty-day period, then the Railway Company may at its election terminate this Agreement as set forth in Paragraph 11, hereto. In addition, Railway Company shall have the right to make emergency repairs to Facilities in the event the Railway Company deems such repairs are necessary for the safety of its railway operations, tracks or property. The City will reimburse the Railway Company for the reasonable cost and expense of all repairs to Facilities made by the Railway Company, as set forth in Paragraph 16 herein.

4. **RAILROAD USE.** The Railway Company shall have the right to operate its railroad over the Easement Property and to use, occupy and enjoy the Easement Property, or permit the use or occupancy thereof by others, for such purposes, in such manner and at such times as the Railway Company shall determine; provided, however, that such grant of use to third parties shall not restrict, limit or interfere with the Easement Rights granted herein.

5. **INDEMNITY.** It is understood and agreed by the City that Facilities are subject to and may increase dangers and hazards and that this Agreement is subject to all risks thereof. Therefore, the City assumes and agrees to protect, indemnify and save harmless the Railway Company, its owners, officers, agents, employees, invitees and other licensees, from and against any and all claims, demands, suits, liability and expense by reason of loss or damage to any property whatsoever or injury to or death of any person whomsoever, from any cause whatsoever, arising or growing, directly or indirectly (1) out of the City's use and occupation of Easement Property and the construction,

shall be subject to the inspection and approval of the Railway Company, which will not be unreasonably withheld.

(c) If, in the reasonable judgment of the Railway Company, it shall be necessary to provide protection or support (or both) for its railway operation, tracks, and property during the work or construction, installation, reconstruction, operation, use, maintenance, repair, renewal and removal of Facilities, the Railway Company shall have the right to furnish such protection or support (or both) and on being billed the City will pay the cost thereof as set forth in Paragraph 16 herein.

(d) The City shall at its expense take such measures as may be necessary and adequate in connection with Easement Property or the property of the Railway Company to protect railway operations, and facilities of the Railway Company and those of others using the Railway Company's property from interference by subsidence, vibration, physical contact or otherwise attributable to the exercise by the City of the easement grant to it. In the event the Railway Company advises the City to take any action to protect the Railway Company's railway operations, its facilities or facilities of the Railway Company's property, the City shall promptly take the indicated action, including, but not limited to, stopping the operation of the sewer line. If the City fails to do so, the Railway Company shall have the right, but not the duty, to perform on behalf of the City at the sole risk and expense of the City.

(e) In the event, Railway Company determines that repairs to Facilities are necessary for the safety of railway operations or the property, Railway Company shall notify the City and the City shall diligently proceed to make such repairs as Railway Company deems necessary in its reasonable opinion. In the event the City shall fail

installation, reconstruction, operation, maintenance, repair, renewal, existence, use, or removal of Facilities, (2) any defect in Facilities or any failure thereof, (3) out of any act or omission of the City, its officials, agents, or employees while on or about the Easement Property, or while working on or using Facilities, or (4) out of the failure of the City, its officials, agents or employees to abide by or comply with any of the terms or conditions of this Agreement, except to the extent that such loss, damage, injury, or death as set forth in Section 5(1) through 5(4) shall have been caused by the negligence of the Railway Company

6. **DEBRIS.** The City shall cause the City Contractors (as defined herein) to remove all debris, material, false work and the like, caused by or used during the construction, installation, reconstruction, operation, maintenance, repair, renewal or removal of Facilities, from the Easement Property in a manner satisfactory to the Railway Company and restore the Property to a condition approved by Railway Company, which approval shall not be unreasonably withheld.

7. **INSURANCE.** The City shall deliver with this executed Agreement, a Letter of Self Insurance. The City shall cause its contractors and agents (the “City Contractors”) to maintain the following insurance coverages:

- (I.) Statutory Workmen’s Compensation and Occupation Disease Insurance and/or FELA coverage, if applicable, to the extent permitted by law, all Workers’ Compensation policies shall be endorsed to provide Waiver of Subrogation in favor of owner.
- (II.) Commercial General Liability Insurance which shall be no less comprehensive and no more restrictive than the coverage provided by a

standard form Commercial General Liability Policy with a minimum combined single limit of \$1,000,000.00 per occurrence for Bodily Injury and Property Damage and \$2,000.000.00 each for the General Aggregate and the Products/Completed Aggregate. This insurance must include the follow features:

- a. Railroad Protective Liability Insurance naming the Railway Company as Named Insured with a limit for bodily injury and property damage liability of \$5,000.000.00 per occurrence, \$10,000,000.00 aggregate, the original of said policy shall be furnished to Railway Company prior to entry upon Easement Property.
- b. The City of Chicago and Railway Company shall be named as additional insureds on a primary and noncontributory basis to any additional insureds.

(III.) Umbrella Liability over primary insurance \$5,000,000.00 per occurrence, \$10,000,000.00 aggregate.

(IV.) Automobile Liability Insurance, covering all owned, non-owned and hired vehicles with a minimum combined single limit for Bodily Injury and Property Damage of \$1,000,000.00 per accident.

8. **INTERFERENCE.** In order to protect railway operations, tracks, pole lines, wires, cables, and service of Railway Company, its permittees and licensees from interference, the City at all times and at its own expense will require its contractors to construct the Facilities in accordance with the specifications [to be] attached hereto as **Exhibit B**, and to locate the Facilities in accordance with **Exhibit A**. The City shall be responsible for the maintenance, repair, use and operation of the Facilities. In order to prevent such interference, if it is deemed necessary by the Railway Company to make

changes in the construction or location of its tracks, pole lines, wires, and/or cables of the Railway Company or in the operation of their service, the cost of such changes shall be borne by the City.

9. **TITLE.** It is expressly understood Railway Company does not warrant title to the premises and the City accepts the grant of privileges contained herein subject to all lawful outstanding existing liens and superior rights. The City agrees it shall not have or make any claim against the Railway Company for damages on account of any deficiency in title and agrees that in the event of failure or insufficiency of such title the sole remedy of the City shall be the right to return of the consideration paid in advance, provided for herein, or a proportionate part thereof in the event of a partial deficiency or insufficiency of title.

10. **NOTICE.** Any notice to be given under this Agreement shall be in writing and may be served by delivering it, or a true copy thereof, to the other party, or by depositing same in a United States Post Office, first-class, certified mail, return receipt requested, in an envelope addressed to such party:

11. **TERMINATION.**

i) This Agreement may be terminated by the City at any time by giving thirty (30) days written notice thereof to Railway Company.

ii) Railway Company may terminate this Agreement in the event of a default by City by giving thirty (30) days written notice thereof to the City, provided, however, if the City cures said default within said 30-day period, or any extension thereof, or has commenced to cures said default within said 30-day period, or any extension thereof, and has cured said default within an additional 30-day period to the satisfaction of and approval by, not to be unreasonably withheld, the Railway Company, this Agreement shall continue in force and effect.

iii) At the expiration of the time limited by a termination notice, or upon termination of this Agreement in its entirety or as to any location in any other manner, the City will, at its own expense, promptly remove its Facilities from the Easement Property and will restore the Railway Company's property to a condition approved by the Railway Company, which approval shall not be unreasonably withheld. In the event, the City fails to promptly do so, Railway Company shall have the right to remove Facilities and to restore its property and the City will reimburse the Railway Company for the cost and expense of so doing as set forth in Paragraph 16 herein.

12. **WAIVER.** The waiver of a breach of any of the terms or conditions hereof shall be limited to the act or acts constituting such breach and shall never be construed as being a continuing or permanent waiver of any such terms or conditions, all of which shall be and remain in full force and effect as to future acts of happenings, notwithstanding any such waiver.

13. **ASSIGNMENT.** This Agreement is personal to the City and is not assignable or transferable without the written consent of the Railway Company first obtained, provided, however, that in case of any assignment, passing or transfer of ownership of said Facilities without the Railway Company's written consent to said assignment, the City and the new user or owner shall both be jointly and severally liable to the Railway Company under all of the terms and conditions hereof and the Agreement shall be deemed a joint agreement to said parties, revocable forthwith by written notice which the Railway Company at its option may serve upon City at any time.

14. **SUCCESSORS AND ASSIGNS.** The benefits of this Agreement shall accrue to the Railway Company, its successors and assigns. In accepting this Agreement the City covenants and agrees to perform and to be bound by all of the terms and conditions hereof to be performed by the City, even though the performance thereof may not be required by the Railway Company until after the termination of this Agreement.

15. **RAILWAY COMPANY'S PROPERTY.** All property of whatsoever kind and nature in which the Railway Company has an interest in or which is used by the Railway

Company wholly or in part regardless of ownership thereof, shall for the purpose of this Agreement by deemed property of the Railway Company and be owned by the Railway Company.

16. **ADMINISTRATIVE FEES AND EXPENSES.** In addition to the consideration to be paid by the City to the Railway Company for the grant of a perpetual non-exclusive easement: (i) the City agrees to reimburse Railway Company, within 60 days following receipt of invoice(s) from Railway Company, for all of Railway Company's costs and expenses incurred by Railway Company pursuant to the terms herein and in relation to the Easement, including, but not limited to, Railway Company's engineering review of City's plans, inspections and flagging. Railway Company agrees to provide verification of costs and expenses set forth in invoice(s) submitted by Railway Company if requested by City; and (ii) the City agrees to pay upon the execution of this Agreement an Administration Fee of \$2,500.00, payable to Railway Company's agent, Rail Property Management, located at 640 S. Spring Avenue, LaGrange, Illinois 65025.

17. **EASEMENT MEMORANDUM.** The parties shall execute an Easement Memorandum for recording purposes.

April 2, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the execution of intergovernmental agreements with the Board of Education regarding TIF Assistance.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, the Board of Education of the City of Chicago (the "Board") is a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois; and

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property, which real property is located at 1440 West 21st Place and 1405 West 21st Street in Chicago, Illinois (the "Property"); and

WHEREAS, the Board wishes to construct an athletic field (the "Facility") serving the secondary school, known as Benito Juarez Community Academy, on the Property (the Facility will have those general features described in Exhibit B to Exhibit 1 attached hereto and incorporated herein, and the construction of the athletic field shall be known as the "Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on June 10, 1998, as amended by ordinances adopted by the City Council on November 12, 2003 and September 1, 2004: "An Ordinance of the City of Chicago, Illinois Approving and Adopting a Tax Increment Redevelopment Project and Plan for the Pilsen Redevelopment Project Area"; "An Ordinance of the City of Chicago, Illinois Designating the Pilsen Redevelopment Project Area as a Tax Increment Financing District"; and "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Financing for the Pilsen Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Pilsen TIF Ordinances", the Redevelopment Plan approved by the Pilsen TIF Ordinances is referred to herein as the "Pilsen Redevelopment Plan" and the redevelopment project area created by the Pilsen TIF Ordinances is referred to herein as the "Pilsen Redevelopment Area"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on November 12, 2003 (the "Pilsen TIF Bond Ordinance"), on July 26, 2004, the City issued \$49,520,000 City of Chicago Tax Increment Allocation Revenue Bonds (Pilsen Redevelopment Project), Series 2004, consisting of \$22,925,000 Series 2004A Tax Increment Allocation Revenue Bonds (Taxable) (the "Series 2004A Bonds") and \$26,595,000 Series 2004B Junior Lien Tax Increment Allocation Revenue Bonds (Tax-Exempt) (the "Series 2004B Bonds") (the Series 2004A Bonds and the Series 2004B Bonds, together the "Series 2004 Bonds") as a means of financing certain Pilsen Redevelopment Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, all of the Property lies wholly within the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a

taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Pilsen Redevelopment Area shall be known as the "Pilsen Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Pilsen Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Pilsen Increment (the "City Funds") for the Project on the Property, all of which either lies wholly within or is contiguous to the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, the City agrees to use City Funds in an amount not to exceed \$701,308.17 to reimburse the Board for a portion of the costs of the TIF-Funded Improvements (as defined in Article Three, Section 3 of Exhibit 1 hereto) for the Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Pilsen Redevelopment Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Facility that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated here by this reference.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit 1 (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF CHICAGO, BY AND THROUGH ITS DEPARTMENT OF PLANNING AND DEVELOPMENT, AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING BENITO JUAREZ COMMUNITY ACADEMY

This Intergovernmental Agreement (this "Agreement") is made and entered into as of the _____ day of _____, 2014 by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 et seq.), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property, which real property is located at 1440 West 21st Place and 1405 West 21st Street in Chicago, Illinois (the "Property"); and

WHEREAS, the Board wishes to construct an athletic field (the "Facility") serving the secondary school, known as Benito Juarez Community Academy, on the Property (the Facility will have those general features described in Exhibit B attached hereto and incorporated herein, and the construction of the athletic field shall be known as the "Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on June 10, 1998, as amended by ordinances adopted by the City Council on November 12, 2003 and September 1, 2004: "An Ordinance of the City of Chicago, Illinois Approving and Adopting a Tax Increment Redevelopment Project and Plan for the Pilsen Redevelopment Project Area"; "An Ordinance of the City of Chicago, Illinois Designating the Pilsen Redevelopment Project Area as a Tax Increment Financing District"; and "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Financing for the Pilsen Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Pilsen TIF Ordinances", the Redevelopment Plan approved by the Pilsen TIF Ordinances is referred to herein as the "Pilsen Redevelopment Plan" and the redevelopment project area created by the Pilsen TIF Ordinances is referred to herein as the "Pilsen Redevelopment Area"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on November 12, 2003 (the "Pilsen TIF Bond Ordinance"), on July 26, 2004, the City issued \$49,520,000 City of Chicago Tax Increment Allocation Revenue Bonds (Pilsen Redevelopment Project), Series 2004, consisting of \$22,925,000 Series 2004A Tax Increment Allocation Revenue Bonds (Taxable) (the "Series

2004A Bonds") and \$26,595,000 Series 2004B Junior Lien Tax Increment Allocation Revenue Bonds (Tax-Exempt) (the "Series 2004B Bonds")(the Series 2004A Bonds and the Series 2004B Bonds, together the "Series 2004 Bonds") as a means of financing certain Pilsen Redevelopment Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, all of the Property lies wholly within the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Pilsen Redevelopment Area shall be known as the "Pilsen Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Pilsen Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Pilsen Increment (the "City Funds") for the Project on the Property, all of which either lies wholly within or is contiguous to the boundaries of the Pilsen Redevelopment Area; and

WHEREAS, the City agrees to use City Funds in an amount not to exceed \$701,308.17 to reimburse the Board for a portion of the costs of the TIF-Funded Improvements (as defined in Article Three, Section 3 below) for the Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Pilsen Redevelopment Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Facility that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Project

1. The plans and specifications for the Project shall at a minimum meet the general requirements for the Facility as set forth in Exhibit B hereof and shall be provided to the City by the Board prior to the disbursement of City Funds relating to the Project. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this

certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Article Three: Funding

1. Upon completion of the Project, the Board shall provide the Department with a Requisition Form, in the form of Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit F hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit E. Requisition for reimbursement of TIF-Funded Improvements out of the City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

2. The current estimate of the cost of the Project is at least approximately \$745,481.17. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as Exhibit F. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as Exhibit G and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Pilsen Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to Exhibit G as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Pilsen Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

Article Four: Term

The Term of the Agreement shall commence on the date of its execution and shall expire on the date on which the Pilsen Redevelopment Area is no longer in effect (through and including December 31, 2022).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Article Six: Consent

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, the Board of Education of the City of Chicago (the "Board") is a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois; and

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 2245 West Jackson Boulevard in Chicago, Illinois (the "Crane Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated a high school (the "Crane Facility") known as Crane High School on the Crane Property (the Crane Facility has those general features described in Exhibit 1 to Exhibit A attached hereto and incorporated herein, and the rehabilitation of the Crane Facility shall be known as the "Crane Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on February 16, 2000, published at pages 25277 through 25432 of the Journal of Proceedings of the City Council (the "Journal") for said date, as amended by ordinances adopted by the City Council on March 12, 2008 (published at pages 81982 through 81991 of the Journal for said date): "Authorization for Approval of Tax Increment Redevelopment Plan for the Central West Redevelopment Project Area"; "Designation of the Central West Redevelopment Area as a Tax Increment Financing District"; and "Adoption of Tax Increment Financing for the Central West Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Central West TIF Ordinances", the Redevelopment Plan approved by the Central West TIF Ordinances is referred to herein as the "Central West Redevelopment Plan" and the redevelopment project area created by the Central West TIF Ordinances is referred to herein as the "Central West Redevelopment Area"); and

WHEREAS, all of the Crane Property lies wholly within the boundaries of the Central West Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Central West Redevelopment Area shall be known as the "Central West Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Central West Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Crane Project, within the boundaries of the Central West Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Central West Increment (the "Crane City Funds") for the Crane Project; and

WHEREAS, the City agrees to use the Crane City Funds in an amount not to exceed \$2,225,000 to reimburse the Board for a portion of the costs of the Crane TIF-Funded Improvements (as defined in Article Three, Section 3 of Exhibit A hereto) for the Crane Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Crane TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Central West Redevelopment Plan, and the City has found that the Crane TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Crane Facility that are necessary and directly result from the redevelopment project constituting the Crane Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated here by this reference.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

EXHIBIT A

INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF CHICAGO, BY AND THROUGH ITS DEPARTMENT OF PLANNING AND DEVELOPMENT, AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING CRANE HIGH SCHOOL

This Intergovernmental Agreement (this "Agreement") is effective as of the _____ day of _____, 2014 (the "Effective Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

WHEREAS, all of the Crane Property lies wholly within the boundaries of the Central West Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and

obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Central West Redevelopment Area shall be known as the "Central West Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Central West Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Crane Project, within the boundaries of the Central West Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Central West Increment (the "Crane City Funds") for the Crane Project; and

WHEREAS, the City agrees to use the Crane City Funds in an amount not to exceed \$2,225,000 to reimburse the Board for a portion of the costs of the Crane TIF-Funded Improvements (as defined in Article Three, Section 3 below) for the Crane Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Crane TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Central West Redevelopment Plan, and the City has found that the Crane TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Crane Facility that are necessary and directly result from the redevelopment project constituting the Crane Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Crane Project

The Board covenants, represents and warrants that the plans and specifications for the Crane Project at a minimum meet the general requirements for the Crane Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Crane Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Crane TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Crane TIF-Funded Improvements out of the Crane City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Crane City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Crane Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Crane Project is \$2,340,050. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Crane Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Crane City Funds to the Crane Project and that all costs of completing the Crane Project over the Crane City Funds shall be the sole responsibility of the Board.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Crane Project, to be paid for out of Crane City Funds ("Crane TIF-Funded Improvements"); and to the extent the Crane TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Crane TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Crane TIF-Funded Improvements are necessary and directly result from the Central West Redevelopment Plan. All Crane TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Central West Redevelopment Plan ; and (c) be improvements that the Commissioner has agreed to pay for out of Central West Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Crane Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2021, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment

financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Crane Property or any interest therein, or (b) the Crane Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Crane City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Crane Property or the Crane Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Crane Property or the Crane Facility in trust for the use of schools as may be permitted or required by law.

Article Four: Term

The Term of the Agreement shall commence effective as of the Effective Date and shall expire on the date on which the Central West Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Crane Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant that the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Article Six: Consent

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

Any notice, demand or request sent pursuant to clause (c) shall be deemed received on the day immediately following deposit with the overnight courier and, if sent pursuant to subsection (d) shall be deemed received two (2) days following deposit in the mail.

Article Eight: Assignment; Binding Effect

This Agreement, or any portion thereof, shall not be assigned by either party without the prior written consent of the other.

This Agreement shall inure to the benefit of and shall be binding upon the City, the Board and their respective successors and permitted assigns. This Agreement is intended to be and is for the sole and exclusive benefit of the parties hereto and such successors and permitted assigns.

Article Nine: Modification

This Agreement may not be altered, modified or amended except by written instrument signed by all of the parties hereto.

Article Ten: Compliance With Laws

The parties hereto shall comply with all federal, state and municipal laws, ordinances, rules and regulations relating to this Agreement.

Article Eleven: Governing Law And Severability

This Agreement shall be governed by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law or public policy, or for any reason, such circumstance shall not have the effect of rendering any other provision or provisions contained herein invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

Article Twelve: Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed an original.

Article Thirteen: Entire Agreement

This Agreement constitutes the entire agreement between the parties.

Article Fourteen: Authority

Execution of this Agreement by the City is authorized by an ordinance passed by the City Council of the City on _____. Execution of this Agreement by the Board is authorized by Board Resolution 01-0725-RS2. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder.

Article Fifteen: Headings

The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

Article Sixteen: Disclaimer of Relationship

Nothing contained in this Agreement, nor any act of the City or the Board shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City and the Board.

Article Seventeen: Construction of Words

The use of the singular form of any word herein shall also include the plural, and vice versa. The use of the neuter form of any word herein shall also include the masculine and feminine forms, the masculine form shall include feminine and neuter, and the feminine form shall include masculine and neuter.

Title: Intergovernmental agreement with Department of Planning and Development and Board of Education for Tax Increment Financing (TIF) Assistance for rehabilitation of William Penn Elementary School

Committee(s) Assignment: Committee on Finance

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, the Board of Education of the City of Chicago (the "Board") is a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois; and

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 1616 South Avers Avenue in Chicago, Illinois (the "Penn Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated an elementary school (the "Penn Facility") known as William Penn Elementary School on the Penn Property (the Penn Facility has those general features described in Exhibit 1 to Exhibit A attached hereto and incorporated herein, and the rehabilitation of the Penn Facility shall be known as the "Penn Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on May 17, 2000, published at pages 30775 through 30954 of the Journal of Proceedings of the City Council (the "Journal") for said date: "Approval of Tax Increment Redevelopment Plan for Midwest Redevelopment Project Area"; "Designation of Midwest Redevelopment Area as Tax Increment Financing District"; and "Adoption of Tax Increment Allocation Financing for Midwest Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Midwest TIF Ordinances", the Redevelopment Plan approved by the Midwest TIF Ordinances is referred to herein as the "Midwest Redevelopment Plan" and the redevelopment project area created by the Midwest TIF Ordinances is referred to herein as the "Midwest Redevelopment Area"); and

WHEREAS, all of the Penn Property lies wholly within the boundaries of the Midwest Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Midwest Redevelopment Area shall be known as the "Midwest Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Midwest Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Penn Project, within the boundaries of the Penn Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Midwest Increment (the "Penn City Funds") for the Penn Project; and

WHEREAS, the City agrees to use the Penn City Funds in an amount not to exceed \$1,150,000 to reimburse the Board for a portion of the costs of the Penn TIF-Funded Improvements (as defined in Article Three, Section 3 of Exhibit A hereto) for the Penn Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Penn TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Midwest Redevelopment Plan, and the City has found that the Penn TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Penn Facility that are necessary and directly result from the redevelopment project constituting the Penn Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated here by this reference.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

EXHIBIT A

INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF CHICAGO, BY AND THROUGH ITS DEPARTMENT OF PLANNING AND DEVELOPMENT, AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING WILLIAM PENN ELEMENTARY SCHOOL

This Intergovernmental Agreement (this "Agreement") is effective as of the _____ day of _____, 2014 (the "Effective Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 1616 South Avers Avenue in Chicago, Illinois (the "Penn Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated an elementary school (the "Penn Facility") known as William Penn Elementary School on the Penn Property (the Penn Facility has those general features described in Exhibit 1 attached hereto and incorporated herein, and the rehabilitation of the Penn Facility shall be known as the "Penn Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on May 17, 2000, published at pages 30775 through 30954 of the Journal of Proceedings of the City Council (the "Journal") for said date: "Approval of Tax Increment Redevelopment Plan for Midwest Redevelopment Project Area"; "Designation of Midwest Redevelopment Area as Tax Increment Financing District"; and "Adoption of Tax Increment Allocation Financing for Midwest Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Midwest TIF Ordinances", the Redevelopment Plan approved by the Midwest TIF Ordinances is referred to herein as the "Midwest Redevelopment Plan" and the redevelopment project area created by the Midwest TIF Ordinances is referred to herein as the "Midwest Redevelopment Area"); and

WHEREAS, all of the Penn Property lies wholly within the boundaries of the Midwest Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the

municipality by written agreement accepts and approves such costs (increment collected from the Midwest Redevelopment Area shall be known as the "Midwest Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Midwest Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Penn Project, within the boundaries of the Penn Redevelopment Area; and

WHEREAS, the City desires to use a portion of the Midwest Increment (the "Penn City Funds") for the Penn Project; and

WHEREAS, the City agrees to use the Penn City Funds in an amount not to exceed \$1,150,000 to reimburse the Board for a portion of the costs of the Penn TIF-Funded Improvements (as defined in Article Three, Section 3 below) for the Penn Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Penn TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Penn Redevelopment Plan, and the City has found that the Penn TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Penn Facility that are necessary and directly result from the redevelopment project constituting the Penn Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Penn Project

The Board covenants, represents and warrants that the plans and specifications for the Penn Project at a minimum meet the general requirements for the Penn Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Penn Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Penn TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Penn TIF-Funded Improvements out of the Penn City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Penn City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Penn Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Penn Project is \$1,220,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Penn Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Penn City Funds to the Penn Project and that all costs of completing the Penn Project over the Penn City Funds shall be the sole responsibility of the Board.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Penn Project, to be paid for out of Penn City Funds ("Penn TIF-Funded Improvements"); and to the extent the Penn TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Penn TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Penn TIF-Funded Improvements are necessary and directly result from the Midwest Redevelopment Plan. All Penn TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Midwest Redevelopment Plan; and (c) be improvements that the Commissioner has agreed to pay for out of Midwest Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Penn Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year [____], the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable

process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Penn Property or any interest therein, or (b) the Penn Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Penn City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Penn Property or the Penn Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Penn Property or the Penn Facility in trust for the use of schools as may be permitted or required by law.

Article Four: Term

The Term of the Agreement shall commence effective as of the Effective Date and shall expire on the date on which the Midwest Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Penn Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions,

promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Article Six: Consent

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

Article Seven: Notice

Article Eight: Assignment; Binding Effect

This Agreement, or any portion thereof, shall not be assigned by either party without the prior written consent of the other.

This Agreement shall inure to the benefit of and shall be binding upon the City, the Board and their respective successors and permitted assigns. This Agreement is intended to be and is for the sole and exclusive benefit of the parties hereto and such successors and permitted assigns.

Article Nine: Modification

This Agreement may not be altered, modified or amended except by written instrument signed by all of the parties hereto.

Article Ten: Compliance With Laws

The parties hereto shall comply with all federal, state and municipal laws, ordinances, rules and regulations relating to this Agreement.

Article Eleven: Governing Law And Severability

This Agreement shall be governed by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law or public policy, or for any reason, such circumstance shall not have the effect of rendering any other provision or provisions contained herein invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

Article Twelve: Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed an original.

Article Thirteen: Entire Agreement

This Agreement constitutes the entire agreement between the parties.

Article Fourteen: Authority

Execution of this Agreement by the City is authorized by an ordinance passed by the City Council of the City on _____. Execution of this Agreement by the Board is authorized by

Board Resolution 01-0725-R52. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder.

Article Fifteen: Headings

The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

Article Sixteen: Disclaimer of Relationship

Nothing contained in this Agreement, nor any act of the City or the Board, shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City and the Board.

Article Seventeen: Construction of Words

The use of the singular form of any word herein shall also include the plural, and vice versa. The use of the neuter form of any word herein shall also include the masculine and feminine forms, the masculine form shall include feminine and neuter, and the feminine form shall include masculine and neuter.

Article Eighteen: No Personal Liability

No officer, member, official, employee or agent of the City or the Board shall be individually or personally liable in connection with this Agreement.

Article Nineteen: Representatives

Immediately upon execution of this Agreement, the following individuals will represent the parties as a primary contact in all matters under this Agreement.

WILLIAM PENN ELEMENTARY SCHOOL INTERIOR IMPROVEMENTS

This project includes the costs associated with the planning, design, and construction of a new science lab and dehumidification project to the existing William Penn Elementary School. The Public Building Commission will construct the addition and CPS will contribute the new furniture and computers to complete the project.

The William Penn Elementary School is a neighborhood high school, located at 1616 S. Avers Avenue. The school enrollment is 401 students. The student population is 89.9% Black and 10.2% Hispanic. Approximately 96.8% of the student population is considered low income. Penn offers a rigorous and relevant curriculum, before- and after-school programs, math and reading academic enrichment, mentoring with alumni partners from Cornell University, and a variety of social programs before and after school. The school enjoys partnerships with many organizations including Family Focus (21st Century), After School All Stars, and Cornell University.

Project is to be completed by September 2014.

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, the Board of Education of the City of Chicago (the "Board") is a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois; and

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 5110 North Damen Avenue in Chicago, Illinois (the "Amundsen Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated a high school (the "Amundsen Facility") known as Amundsen High School on the Amundsen Property (the Amundsen Facility has those general features described in Exhibit 1 to Exhibit A attached hereto and incorporated herein, and the rehabilitation of the Amundsen Facility shall be known as the "Amundsen Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on January 12, 2000, published at pages 22395 through 22522 of the Journal of Proceedings of the City Council (the "Journal") for said date, as amended by ordinances adopted by the City Council on May 17, 2000 (published at pages 31610 through 31705 of the Journal for said date): "Authorization for Approval of Tax Increment Redevelopment Plan for the Western Avenue North Redevelopment Project Area"; "Designation of Western Avenue North Redevelopment Project Area as a Tax Increment Financing District"; and "Adoption of Tax Increment Financing for the Western Avenue North Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Western Avenue North TIF Ordinances", the Redevelopment Plan approved by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Plan" and the redevelopment project area created by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Area"); and

WHEREAS, all of the Amundsen Property lies wholly within the boundaries of the Western Avenue North Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Western Avenue North Redevelopment Area shall be known as the "Western Avenue North Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Western Avenue North Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Amundsen Project, within the boundaries of the Western Avenue North Area; and

WHEREAS, the City desires to use a portion of the Western Avenue North Increment (the "Amundsen City Funds") for the Amundsen Project; and

WHEREAS, the City agrees to use the Amundsen City Funds in an amount not to exceed \$500,000 to reimburse the Board for a portion of the costs of the Amundsen TIF-Funded Improvements (as defined in Article Three, Section 3 of Exhibit A hereto) for the Amundsen Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Amundsen TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Western Avenue North Redevelopment Plan, and the City has found that the Amundsen TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Amundsen Facility that are necessary and directly result from the redevelopment project constituting the Amundsen Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated here by this reference.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Commissioner of the Department of Planning and Development or his designee is authorized to execute an agreement and such other documents as are necessary, between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"). The Agreement shall contain such other terms as are necessary or appropriate.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

EXHIBIT A

INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF CHICAGO, BY AND THROUGH ITS DEPARTMENT OF PLANNING AND DEVELOPMENT, AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING AMUNDSEN HIGH SCHOOL

This Intergovernmental Agreement (this "Agreement") is effective as of the _____ day of _____, 2014 (the "Effective Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1 *et seq.*), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

WHEREAS, the Commission owns in trust for the Board certain real property located at 5110 North Damen Avenue in Chicago, Illinois (the "Amundsen Property"); and

WHEREAS, the Board is rehabilitating or has rehabilitated a high school (the "Amundsen Facility") known as Amundsen High School on the Amundsen Property (the Amundsen Facility has those general features described in Exhibit 1 attached hereto and incorporated herein, and the rehabilitation of the Amundsen Facility shall be known as the "Amundsen Project"); and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on January 12, 2000, published at pages 22395 through 22522 of the Journal of Proceedings of the City Council (the "Journal") for said date, as amended by ordinances adopted by the City Council on May 17, 2000 (published at pages 31610 through 31705 of the Journal for said date): "Authorization for Approval of Tax Increment Redevelopment Plan for the Western Avenue North Redevelopment Project Area"; "Designation of Western Avenue North Redevelopment Project Area as a Tax Increment Financing District"; and "Adoption of Tax Increment Financing for the Western Avenue North Redevelopment Project Area" (the aforesaid Ordinances, as the same may have heretofore been or hereinafter may be amended, are collectively referred to herein as the "Western Avenue North TIF Ordinances", the Redevelopment Plan approved by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Plan" and the redevelopment project area created by the Western Avenue North TIF Ordinances is referred to herein as the "Western Avenue North Redevelopment Area"); and

WHEREAS, all of the Amundsen Property lies wholly within the boundaries of the Western Avenue North Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes, which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and

obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Western Avenue North Redevelopment Area shall be known as the "Western Avenue North Increment"); and

WHEREAS, the Board is a taxing district under the Act; and

WHEREAS, the Western Avenue North Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Amundsen Project, within the boundaries of the Western Avenue North Area; and

WHEREAS, the City desires to use a portion of the Western Avenue North Increment (the "Amundsen City Funds") for the Amundsen Project; and

WHEREAS, the City agrees to use the Amundsen City Funds in an amount not to exceed \$500,000 to reimburse the Board for a portion of the costs of the Amundsen TIF-Funded Improvements (as defined in Article Three, Section 3 below) for the Amundsen Project, pursuant to the terms and conditions of this Agreement; and

WHEREAS, in accordance with the Act, the Amundsen TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Amundsen Redevelopment Plan, and the City has found that the Amundsen TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Amundsen Facility that are necessary and directly result from the redevelopment project constituting the Amundsen Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Amundsen Project

The Board covenants, represents and warrants that the plans and specifications for the Amundsen Project at a minimum meet the general requirements for the Amundsen Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Amundsen Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Amundsen TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Amundsen TIF-Funded Improvements out of the Amundsen City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Amundsen City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Amundsen Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Amundsen Project is \$552,482. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Amundsen Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Amundsen City Funds to the Amundsen Project and that all costs of completing the Amundsen Project over the Amundsen City Funds shall be the sole responsibility of the Board.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Amundsen Project, to be paid for out of Amundsen City Funds ("Amundsen TIF-Funded Improvements"); and to the extent the Amundsen TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Amundsen TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Amundsen TIF-Funded Improvements are necessary and directly result from the Western Avenue North Redevelopment Plan. All Amundsen TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Western Avenue North Redevelopment Plan ; and (c) be improvements that the Commissioner has agreed to pay for out of Western Avenue North Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Amundsen Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year [], the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess

Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Amundsen Property or any interest therein, or (b) the Amundsen Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Amundsen City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three, Section 7 shall be construed as prohibiting the Commission from holding title to the Amundsen Property or the Amundsen Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Amundsen Property or the Amundsen Facility in trust for the use of schools as may be permitted or required by law.

Article Four: Term

The Term of the Agreement shall commence effective as of the Effective Date and shall expire on the date on which the Western Avenue North Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Amundsen Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such

thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Article Six: Consent

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

Article Seven: Notice

Any notice, demand or request sent pursuant to either clause (a) or (b) hereof shall be deemed received upon such personal service or upon dispatch by electronic means. Any notice, demand or request sent pursuant to clause (c) shall be deemed received on the day immediately following deposit with the overnight courier and, if sent pursuant to subsection (d) shall be deemed received two (2) days following deposit in the mail.

Article Eight: Assignment; Binding Effect

This Agreement, or any portion thereof, shall not be assigned by either party without the prior written consent of the other.

This Agreement shall inure to the benefit of and shall be binding upon the City, the Board and their respective successors and permitted assigns. This Agreement is intended to be and is for the sole and exclusive benefit of the parties hereto and such successors and permitted assigns.

Article Nine: Modification

This Agreement may not be altered, modified or amended except by written instrument signed by all of the parties hereto.

Article Ten: Compliance With Laws

The parties hereto shall comply with all federal, state and municipal laws, ordinances, rules and regulations relating to this Agreement.

Article Eleven: Governing Law And Severability

This Agreement shall be governed by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law or public policy, or for any reason, such circumstance shall not have the effect of rendering any other provision or provisions contained herein invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

Article Twelve: Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed an original.

Article Thirteen: Entire Agreement

This Agreement constitutes the entire agreement between the parties.

Article Fourteen: Authority

Execution of this Agreement by the City is authorized by an ordinance passed by the City Council of the City on _____, 2014. Execution of this Agreement by the Board is authorized by Board Resolution 01-0725-R52. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder.

Article Fifteen: Headings

The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

Article Sixteen: Disclaimer of Relationship

Nothing contained in this Agreement, nor any act of the City or the Board shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City and the Board.

Article Seventeen: Construction of Words

The use of the singular form of any word herein shall also include the plural, and vice versa. The use of the neuter form of any word herein shall also include the masculine and feminine forms, the masculine form shall include feminine and neuter, and the feminine form shall include masculine and neuter.

Article Eighteen: No Personal Liability

No officer, member, official, employee or agent of the City or the Board shall be individually or personally liable in connection with this Agreement.

Article Nineteen: Representatives

Immediately upon execution of this Agreement, the following individuals will represent the parties as a primary contact in all matters under this Agreement.

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

April 2, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Fleet and Facility Management, I transmit herewith an ordinance authorizing the execution of an agreement with Cook County regarding use of property located at 3559 Maplewood.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

A handwritten signature in black ink that reads "Rahm Emanuel". Below the signature, the word "Mayor" is printed in a smaller, sans-serif font.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago, the Commissioner of the Department of Fleet and Facility Management and the Commissioner of the Department of Streets and Sanitation are authorized to execute a License Agreement with Cook County governing Cook County's access to a portion of the City-owned property located at 3559 South Maplewood Avenue; such License Agreement to be approved as to form and legality by the Corporation Counsel in substantially the following form:

LICENSE AGREEMENT

THIS LICENSE AGREEMENT (the "Agreement") is made and entered into this _____ day of _____, 2014 (the "Effective Date"), by and between **THE CITY OF CHICAGO**, an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "City") and **THE COUNTY OF COOK**, a Body Politic and Corporate of the State of Illinois (hereinafter referred to as "County").

R E C I T A L S

WHEREAS, City is the owner of the facility located at 3559 South Maplewood Avenue (the "Complex") which is comprised of approximately 5,100 square feet of building space; and

WHEREAS, County administers the Sheriff's Work Alternative Program ("SWAP") and County requires space from which to deploy these services in the area; and

WHEREAS, some of the SWAP services delivered by County directly benefit the City's Department of Streets and Sanitation; and

WHEREAS, the Illinois Intergovernmental Cooperation Act (5 ILCS 220 *et. seq.*) authorizes municipalities and other branches of government to collaborate jointly in the efficient and cost effective delivery of public services; and

WHEREAS, City is not presently utilizing approximately 3,700 square feet of building space located within the Complex and comprised of a 5-bay garage, storage cages, locker room, and sign room (the "Premises") as depicted on Exhibit A attached hereto and made a part hereof; and

WHEREAS, County has requested use of the Premises from City for SWAP related activities and City has agreed to provide County with the use of the Premises for SWAP related activities.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

Upon the terms and conditions hereinafter specified, City hereby grants to County the right to use and occupy the following described property situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 3,700 square feet of building space located at 3559 South Maplewood Avenue in Chicago Illinois as depicted on Exhibit A attached hereto and made a part hereof together with non-exclusive access to restrooms within the Complex and access to the adjoining parking lot (part of PIN 16-36-405-012).

AGREEMENT NO. 20311

This Agreement creates a license only and County acknowledges and agrees that County shall not hold or claim at any time an interest or estate of any kind whatsoever in the Premises by virtue of this Agreement or County's use of the Premises.

SECTION 2. TERM

2.1 Term. The term of this Agreement ("Term") shall commence on the Effective Date and shall terminate on December 31, 2017 unless sooner terminated as set forth in this Agreement.

SECTION 3. RENT, UTILITIES, AND TAXES

3.1 Rent. County shall pay City for use of the Premises the amount of:

One Dollar (\$1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.3 Utilities. City shall pay for gas, electricity, and water supplied to the Complex. County shall pay when due all charges for any applicable telephone or other communication services provided to the Premises for County's exclusive use.

3.4 Taxes. In the event that or leasehold taxes are ever assessed against the Premises as a result of County's use of the Premises pursuant to this Agreement, County shall pay when due any leasehold taxes, penalties, and interest assessed or levied on the Premises without reimbursement or other setoff from City. County acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result County will be responsible for satisfaction of all leasehold taxes, penalties, and interest assessed or levied on the subject Premises at least one year after County vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude County from contesting any charge or tax levied against the Premises. The failure of County to pay such taxes, interest, and penalties during the pendency of the contest shall not constitute a default under this Agreement. County's leasehold tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment may be a requirement for contesting such taxes.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, AND SURRENDER

4.1 Covenant of Quiet Enjoyment. City covenants and agrees that County, upon observing and keeping the covenants, agreements, and conditions of this Agreement on its part to be kept, observed, and performed, County shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by City or by any person or persons claiming under City.

4.2 Maintenance. City shall take reasonable efforts to maintain the Complex and the Premises in a condition of good repair and good order. County shall notify City with respect to any issues with maintenance of the Premises and/or the Complex. City shall be responsible for resolving any building code violations, if any, issued on the Premises or Complex.

AGREEMENT NO. 20311

4.3 City's Right of Access. City shall have the right of reasonable access to the Premises, upon reasonable prior written notice to County, for the purpose of inspecting and making repairs to the Premises or for the benefit of the Complex. City shall always have access to the Premises in the event of maintenance or security emergencies. City shall use reasonable efforts to limit City's access to the Premises during regular business hours.

4.4 Use of the Premises. County shall not use the Premises in a manner which would violate any law. County further covenants not to damage any portion of the Premises and/or the complex. County shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Any activities on the Premises must be limited to use as building space related to County's administration of County's SWAP program.

4.5 Alterations, Additions, or Improvements. County may not make any alterations, additions, or improvements on the Premises without the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, delayed or conditioned. Any such alterations, additions, or improvements shall be in full compliance with all applicable laws, zoning, permit requirements, and codes. Any alterations, additions, or improvements shall be undertaken at County's sole cost. Any permanent alterations, additions, or improvements shall become property of City at the termination of this Agreement with this Agreement acting as a bill of sale without further payment or credit by City to County. Neither this Agreement nor any subsequent consent pursuant to this section shall act as a substitute for any other permit obligations that may be required by County to undertake any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLICENSE, AND LIENS

5.1 Assignment and Sublease. County shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof.

5.2 County's Covenant against Liens. County shall not cause or permit any lien or encumbrance, whether created by act of County, operation of law or otherwise, to attach to or be placed upon City's title or interest in the Premises and/or the Complex. All liens and encumbrances created by County shall attach to County's interest only. In case of any such lien attaching, County shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which County appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, County shall immediately pay any judgment rendered against County, with all proper costs and charges, and shall have the lien released and any judgment satisfied.

SECTION 6. INSURANCE AND INDEMNIFICATION

AGREEMENT NO. 20311

6.1 County's Self-Insurance. County is self-insured and will provide City with a letter from County executed by an authorized official of County indicating that County is self-insured. This letter shall be tendered to City on or before the Effective Date.

6.2 Mutual Indemnification. County and City (subject to any allocation of adequate appropriations and other applicable legislative procedures, requirements, and approvals) shall indemnify and hold each other harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from either party by reason of any negligent performance of or failure to perform any of their obligations under this Agreement.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises and/or the Complex are damaged or destroyed or sustain a casualty to such extent that County cannot continue, occupy or conduct its normal business therein, or if, in County or City's opinion, the Premises and/or the Complex are rendered unusable, either City or County shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving the other party written notice of such exercise. If either party exercises this option, County shall cease operations immediately and shall remove all of County's personal property and equipment from the Premises within five (5) days.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use her or his position to influence any City governmental decision or action with respect to this Agreement.

8.2 Duty to Comply with Governmental Ethics Ordinance. City and County shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over (the "Holding Over") by County shall be construed to be a license from month to month beginning on January 1, 2018 and the rent will be the same as outlined in Section 3.1 of this Agreement. During any Holding Over, all other provisions of this Agreement shall remain in full force and effect.

SECTION 10. MISCELLANEOUS

AGREEMENT NO. 20311

10.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by County to City shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to City as follows:

City of Chicago
Department of Fleet and Facility Management
Office of Real Estate Management
30 North LaSalle Street, Room 300
Chicago, Illinois 60602

or at such other place as City may from time to time designate by written notice to County. All notices, demands, and requests by City to County shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to County as follows:

County of Cook
Bureau of Economic Development
Real Estate Management Division
69 West Washington Street, Room 3000
Chicago, Illinois 60602
Attention: Director

With a copy to:
Cook County Sheriff's Office
50 W. Washington, Suite 702
Chicago, Illinois 60602
Attention: Undersheriff

or at such other place as County may from time to time designate by written notice to City. Any notice, demand or request which shall be served upon County by City, or upon City by County, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Agreement shall be construed and be enforceable in accordance with the laws of the State of Illinois.

AGREEMENT NO. 20311

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Agreement. This Agreement contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Agreement nor in any way affect this Agreement.

10.6 Binding Effect of Agreement. The covenants, agreements, and obligations contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Agreement. The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of City and County respectively and that by their execution of this Agreement, it became the binding obligation of City and County respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Agreement. City and County shall have the right to terminate this Agreement for any reason without penalty by providing each other with sixty (60) days prior written notice any time after the Effective Date.

10.11 Force Majeure. When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 No Brokers. County warrants to City that no broker or finder (a) introduced County to the Premises, (b) assisted County in the negotiation of this Agreement, or (c) dealt with County on County's behalf in connection with the Premises or this Agreement. City warrants to County that no broker or finder (a) introduced City to County, (b) assisted City in the negotiation of this Agreement, or (c) dealt with City on City's behalf in connection with the Premises or this Agreement. Any and all payments due from County to City under this Agreement shall be paid directly to City.

AGREEMENT NO. 20311

10.13 Existing Furniture. County may use any furniture or equipment belonging to City and located within the Premises which is not removed by City by the Effective Date. City shall retain ownership of such furniture and equipment.

10.14 No Other Rights. The execution of this Agreement does not give County any other right with respect to the Premises and/or the Complex. Any rights not expressly granted to County through this Agreement are reserved exclusively to City. Unless otherwise specified in this Agreement, execution of this Agreement does not obligate City to undertake any additional duties or services.

10.15 No Construction against Preparer. This Agreement shall not be interpreted in favor of either City or County. City and County acknowledge that both parties participated fully in the mutual drafting of this Agreement.

10.16 Election Use. The locker room space within the Premises may be used periodically for voting by the general public on election days. On those days when the locker room space within the Premises is used for such voting, County shall not interfere with such activities.

10.17 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to County's use of the Premises and/or City's administration of this Agreement, including, but not limited to, space expansion or reduction and space remeasurement on terms mutually agreeable to the parties. Such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both City and County. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other non-impacted provisions of this Agreement shall otherwise remain in full force and effect.

SECTION 11. ADDITIONAL RESPONSIBILITIES OF CITY

11.1 Air-Conditioning. In providing air-conditioning for the Complex, City shall provide air-conditioning for the Premises.

11.2 Heat. In providing heat for the Complex, City shall provide heat for the Premises.

SECTION 12. RESPONSIBILITIES OF COUNTY

12.1 County Inspection. County has inspected the Premises and all related areas and grounds. County is satisfied with the physical condition thereof. County accepts Premises and all related areas and grounds in "as-is" condition.

AGREEMENT NO. 20311

12.2 Licensing and Permits. For any activity which County desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by County prior to using the Premises for such activity.

12.3 General Condition. County shall keep the Premises in a sanitary condition, free of insects, rodents, vermin, and other pests. County shall be responsible for payment of extermination services required to resolve any issues that arise from County's failure to maintain the Premises in a sanitary condition. City shall not provide any custodial services to the Premises. County may elect to provide custodial services to the Premises at County's cost.

12.4 Security Services. County shall be responsible for securing County's equipment and property located within the Premises. County shall abide by any security rules that may apply to the Complex and/or the Premises. City shall not provide any security for the Premises or for the Complex.

12.5 Illegal Activity. County, or any of its agents, employees, contractors, or invitees shall not perform or permit any practice that is injurious to the Premises or the Complex, is illegal, or increases the rate of insurance on the Premises or the Complex.

12.6 Hazardous Materials. County shall keep out of Premises and the Complex any materials which cause a fire hazard or safety hazard. County shall comply with reasonable requirements of City's fire insurance carrier.

12.7 Repairs for Negligence, Vandalism, or Misuse. County shall assume responsibility for any repairs to the Premises and the Complex necessitated by the negligence, vandalism, or misuse by County's employees, invitees, agents, clients, or contractors.

12.8 No Alcohol or Illegal Drugs. County agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises or the Complex by County's agents, employees, contractors, or invitees.

12.9 Non-Discrimination. County agrees that County shall not discriminate on the basis of race, color, sex, age, religion, disability, national origin, sexual orientation, marital status, parental status, military discharge status, immigration status, or source of income with respect to use of the Premises. County shall not use the Premises for any religious purposes.

12.10 Rules. County shall comply with all rules and regulations including, but not limited to, all security requirements, which may be or may become applicable to the Premises or the Complex.

12.11 Snow Removal. City shall not provide any snow removal services for the Complex, the Premises, the adjoining sidewalks, or the adjoining parking lot. County may elect to provide such snow removal services at County's cost.

AGREEMENT NO. 20311

12.12 Condition on Surrender. Upon the termination of this Agreement, County shall surrender the Premises to City in a comparable condition to the condition of the Premises as of the Effective Date with normal wear and tear excepted.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a Use Agreement with the Board of Trustees of Community College No. 508 governing the Board of Trustees of Community College No. 508's access to a portion of property located at 740 North Sedgwick Street; such Use Agreement to be approved as to form and legality by the Corporation Counsel in substantially the following form:

USE AGREEMENT

THIS USE AGREEMENT (the "Agreement") is made and entered into this _____ day of _____, 2014 (the "Effective Date"), by and between **THE CITY OF CHICAGO**, an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "City") and **BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508**, an Illinois Municipal Corporation (hereinafter referred to as "CCC").

R E C I T A L S

WHEREAS, City is the owner of the administrative and public hearing complex located at 400 West Superior Street/740 North Sedgwick Street (the "Complex") which is comprised of approximately 130,007 square feet of office space; and

WHEREAS, CCC requires office space for CCC operations which generally involve administrative duties and CCC would like to relocate these operations into a publicly owned space; and

WHEREAS, the Illinois Intergovernmental Cooperation Act (5 ILCS 220 *et. seq.*) authorizes municipalities and other branches of government to collaborate jointly in the efficient and cost effective delivery of public services; and

WHEREAS, City is not presently utilizing approximately 2,310 square feet of office space located on the third floor of the Complex as depicted on Exhibit A attached hereto and made a part hereof (the "Premises"); and

WHEREAS, CCC has requested access to the Premises from City and City has agreed to provide CCC with such access to the Premises.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

Upon the terms and conditions hereinafter specified, City hereby grants to CCC the right to use and occupy the following described property situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 2,310 square feet of office space located on the third floor of 740 North Sedgwick Street in Chicago Illinois (together with access to Swing Space and a Waiting Area as subsequently defined hereunder) as depicted on Exhibit A attached hereto and made a part hereof (part of PIN 17-09-116-008).

This Agreement creates a license only and CCC acknowledges and agrees that CCC shall not hold or claim at any time an interest or estate of any kind whatsoever in the Premises by virtue of this Agreement or CCC's use of the Premises.

SECTION 2. TERM

2.1 Term. The term of this Agreement ("Term") shall commence on the Effective Date and shall terminate on June 30, 2019, unless sooner terminated as set forth in this Agreement.

SECTION 3. OPERATING COSTS, TAXES, AND UTILITIES

3.1 Rent. CCC shall pay City for use of the Premises the amount of:

One Dollar (\$1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. CCC shall reimburse a portion of City's Operating Costs (as hereinafter defined) attributable to the Premises pursuant to Section 3.2.a below. Such Operating Costs are only reimbursement for City's costs required by City to operate the Complex and the Premises for public benefit. Such Operating Costs are neither rent nor profit for City.

a. Calculation of Operating Costs. CCC shall pay to City Operating Costs incurred by City for CCC's proportionate use of the Complex (the "Proportionate Use"). This Proportionate Use shall be based on the square footage of the Premises divided by the Complex's total square footage. The Complex's total square footage is approximately 130,007 square feet and the Premises square footage is approximately 2,310 square feet or 1.777% of the Complex's total square footage. The "Operating Costs" shall be based on CCC's 1.777% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services, (iii) custodial services, (iv) mechanical supplies, service, and repairs, and (v) CCC's allocable share of other costs incurred by City in operating the Complex (excluding any capital improvements that may be required). For 2014, CCC's Operating Costs are estimated to be, and CCC shall initially pay, \$1,890.05 per month (subject to subsequent accounting and adjustments which may serve to increase or decrease these estimated Operating Costs). The estimated monthly Operating Costs are set forth in Exhibit B and are subject to subsequent accounting and adjustments. The Operating Costs shall be prorated on a per diem basis in the event that the Effective Date is not the first day of the month.

b. Reimbursement Procedure. Operating Costs shall be paid to City at the City of Chicago, Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle Street, Room 107, Chicago, Illinois 60602 or at such place as City may from time to time designate in writing to CCC. City shall invoice CCC for such Operating Costs on a monthly basis. In the event that CCC does not receive such invoice from City, CCC shall contact City to request such invoicing. City's failure to invoice CCC for Operating Costs or other expenses under this Agreement does not constitute a waiver of payment of any such charges.

3.3 Utilities. City shall pay for gas, electricity, and water supplied to the Complex. CCC shall pay when due all charges for any applicable telephone or other communication services provided to the Premises for CCC's exclusive use.

3.4 Taxes. In the event that leasehold taxes are ever assessed against the Premises as a result of CCC's use of the Premises, CCC shall pay when due any leasehold taxes, penalties, and interest assessed or levied on the Premises without reimbursement or other setoff from City. CCC acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result CCC will be responsible for satisfaction of all leasehold taxes, penalties, and interest assessed or levied on the subject Premises at least one year after CCC vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude CCC from contesting any charge or tax levied against the Premises. The failure of CCC to pay such taxes, interest, and penalties during the pendency of the contest shall not constitute a default under this Agreement. CCC's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by CCC or receipt by City of a lesser amount than any installment or payment of Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due. No endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. City may accept such check or payment without prejudice as to City's right to recover the balance of such installment or payment. City may pursue any other remedies available to City at law or equity.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, AND SURRENDER

4.1 Covenant of Quiet Enjoyment. City covenants and agrees that CCC, upon paying Operating Costs and upon observing and keeping the covenants, agreements, and conditions of this Agreement on its part to be kept, observed, and performed, CCC shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by City or by any person or persons claiming under City.

4.2 Maintenance. City shall take reasonable efforts to maintain the Complex and the Premises in a condition of good repair and good order. CCC shall notify City with respect to any issues with maintenance of the Premises and/or the Complex. CCC shall also notify City regarding any issues with other contract services provided to the Premises and/or the Complex.

4.3 City's Right of Access. City shall have the right of reasonable access to the Premises, upon reasonable prior written notice to CCC, for the purpose of inspecting and making repairs to the Premises or for the benefit of the Complex. City shall always have access to the Premises in the event of maintenance or security emergencies.

4.4 Use of the Premises. CCC shall not use the Premises in a manner which would violate any law. CCC further covenants not to damage any portion of the Premises and/or the

Complex. CCC shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Any activities on the Premises must be limited to use as non-commercial office space. All such activities must be provided consistent with CCC's not-for-profit educational purposes.

4.5 Alterations, Additions, or Improvements. CCC may not make any alterations, additions, or improvements on the Premises without the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, delayed or conditioned. Any such alterations, additions, or improvements shall be in full compliance with all applicable laws, zoning, permit requirements, and codes. Any alterations, additions, or improvements shall be undertaken at CCC's sole cost. Any permanent alterations, additions, or improvements shall become property of City at the termination of this Agreement with this Agreement acting as a bill of sale without further payment or credit by City to CCC. Neither this Agreement nor any subsequent consent pursuant to this section shall act as a substitute for any other permit obligations that may be required by CCC to undertake any alterations, additions, or improvements to the Premises.

4.6 Access to Swing Space. At such time CCC undertakes any alterations, additions, and improvements on the Premises and such work prevents CCC from occupying the Premises, CCC may utilize approximately 1,850 square feet of office space (the "**Swing Space**") in the vacant unit located north of the Premises as depicted on Exhibit A attached hereto and made a part hereof. In the event of such use of the Swing Space, CCC's Proportionate Use shall be 1.42% for purposes of determining CCC's Operating Costs pursuant to Section 3.2 hereinabove.

4.7 Access to Waiting Area. CCC may use the open communal space (the "**Waiting Area**") located west of the Premises as depicted on Exhibit A attached hereto and made a part hereof as a visitors waiting area. The Waiting Area shall not be included as CCC's Proportionate Use for purposes of determining CCC's Operating Costs pursuant to Section 3.2 hereinabove.

SECTION 5. ASSIGNMENT, SUBLICENSE, AND LIENS

5.1 Assignment and Sublease. CCC shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof.

5.2 CCC's Covenant against Liens. CCC shall not cause or permit any lien or encumbrance, whether created by act of CCC, operation of law or otherwise, to attach to or be placed upon City's title or interest in the Premises and/or the Complex. All liens and encumbrances created by CCC shall attach to CCC's interest only. In case of any such lien attaching, CCC shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which CCC appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, CCC shall immediately pay any judgment rendered against CCC, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If CCC fails to pay and remove any lien

or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. CCC shall procure and maintain at all times at CCC's own expense, during the Term, and during any holding over, the insurance coverages and requirements specified below, insuring all operations related to the Agreement with insurance companies authorized to do business in the state of Illinois. CCC may also elect to self-insure for such insurance coverages and requirements.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance and Occupational Disease Insurance, as prescribed by applicable law, covering all CCC's employees and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Agreement.

c) Professional/ Liability. When any professional consultants perform services in the Premises or in connection with CCC's use of the Premises, Liability Insurance covering acts, errors or omissions related to such activities must be maintained with limits of not less than \$1,000,000. Coverage must include contractual liability insurance. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years. CCC shall provide City with copies of the professional licenses and/or certificates for each of the professional consultants performing services in the Premises or in connection with CCC's use of the Premises.

d) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, CCC shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

CCC shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by CCC.

6.2 Other Terms of Insurance. CCC will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required

coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. If CCC elects to self-insure for such insurance coverages and requirements, CCC shall provide City with evidence of such self-insurance. CCC shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of City to obtain certificates or other insurance evidence from CCC, or CCC's failure to submit insurance coverage required under this Agreement, shall not be deemed to be a waiver by City. CCC shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve CCC of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and City retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by CCC.

CCC agrees that its insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

CCC expressly understands and agrees that any coverages and limits furnished by CCC shall in no way limit CCC's liabilities and responsibilities specified within the Agreement documents or by law.

CCC expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by CCC under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintain the right to modify, delete, alter or change these requirements.

6.3 CCC's Indemnification. CCC shall indemnify, defend, and hold City (its officers, agents, agencies, departments and employees) harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs – collectively the "Claims"), whether such Claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from City or CCC by reason of CCC's performance of or failure to perform any of CCC's obligations , or CCC's negligent acts or failure to act under this Agreement, or resulting from the acts or failure to act of CCC's

contractors, invitees, agents, or employees or from any liability arising from access to the Premises or the Complex by any of CCC's contractors, invitees, agents, or employees or any third parties seeking services from CCC under this Agreement.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises and/or the Complex are damaged or destroyed or sustain a casualty to such extent that CCC cannot continue, occupy or conduct its normal business therein, or if, in CCC or City's opinion, the Premises and/or the Complex are rendered unusable, either City or CCC shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving the other party written notice of such exercise. If either party exercises this option, CCC shall cease operations immediately and the Operating Costs, shall be apportioned as of the date of such damage or destruction. City shall repay to CCC any prepaid Operating Costs.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use her or his position to influence any City governmental decision or action with respect to this Agreement.

8.2 Duty to Comply with Governmental Ethics Ordinance. City and CCC shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over (the "**Holding Over**") by CCC shall be construed to be a use agreement from month to month beginning on July 1, 2019 and the costs will be the same as outlined in Section 3.1 and Section 3.2 of this Agreement. During any Holding Over, all other provisions of this Agreement shall remain in full force and effect.

SECTION 10. MISCELLANEOUS

10.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by CCC to City shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to City as follows:

City of Chicago
Department of Fleet and Facility Management
Office of Real Estate Management
30 North LaSalle Street, Room 300
Chicago, Illinois 60602

or at such other place as City may from time to time designate by written notice to CCC. All notices, demands, and requests by City to CCC shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to CCC as follows:

City Colleges of Chicago
General Counsel
226 West Jackson Boulevard
Chicago, Illinois 60606

or at such other place as CCC may from time to time designate by written notice to City. Any notice, demand or request which shall be served upon CCC by City, or upon City by CCC, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Agreement shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Agreement. This Agreement contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Agreement nor in any way affect this Agreement.

10.6 Binding Effect of Agreement. The covenants, agreements, and obligations contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Agreement. The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of City and CCC respectively and that by their execution of this Agreement, it became the binding obligation of City and CCC respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Agreement. City and CCC shall have the right to terminate this Agreement for any reason by providing each other with one-hundred eighty (180) days prior written notice at any time after December 31, 2016.

10.11 Force Majeure. When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 No Brokers. CCC warrants to City that no broker or finder (a) introduced CCC to the Premises, (b) assisted CCC in the negotiation of this Agreement, or (c) dealt with CCC on CCC's behalf in connection with the Premises or this Agreement. City warrants to CCC that no broker or finder (a) introduced City to CCC, (b) assisted City in the negotiation of this Agreement, or (c) dealt with City on City's behalf in connection with the Premises or this Agreement. Any and all payments due from CCC to City under this Agreement shall be paid directly to City.

10.13 Existing Furniture. CCC may use any furniture or equipment belonging to City and located within the Premises which are not removed by City by the Effective Date. City shall retain ownership of such furniture and equipment.

10.14 No Other Rights. The execution of this Agreement does not give CCC any other right with respect to the Premises and/or the Complex. Any rights not expressly granted to CCC through this Agreement are reserved exclusively to City. Unless otherwise specified in this Agreement, execution of this Agreement does not obligate City to undertake any additional duties or services.

10.15 No Construction against Preparer. This Agreement shall not be interpreted in favor of either City or CCC. City and CCC acknowledge that both parties participated fully in the mutual drafting of this Agreement.

10.16 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to CCC's use of the Premises

and/or City's administration of this Agreement, including, but not limited to, space expansion or reduction and space remeasurement. Such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both City and CCC. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other non-impacted provisions of this Agreement shall otherwise remain in full force and effect.

SECTION 11. RESPONSIBILITIES OF CCC

11.1 CCC Inspection. CCC has inspected the Premises, the Complex, and all related areas and grounds. CCC is satisfied with the physical condition thereof. CCC accepts Premises, the Complex, and all related areas and grounds in "as-is" condition.

11.2 General Condition. CCC shall keep the Premises in a sanitary condition, free of insects, rodents, vermin, and other pests. CCC shall be responsible for payment of any extermination services that may be required to resolve any issues that may arise from CCC's failure to maintain the Premises in a sanitary condition, free of insects, rodents, vermin, and other pests.

11.3 Security Services. CCC shall be responsible for securing CCC's staff and equipment and property located within the actual Premises. CCC shall abide by any security rules that may apply to the Complex and/or the Premises. City shall provide security for the Complex.

11.4 Complex Rules. CCC shall comply with all reasonable rules and regulations promulgated in writing by City for the Complex, the Premises, and all related areas and grounds.

11.5 Repairs for CCC Negligence, Vandalism, or Misuse. CCC shall assume responsibility for any repairs to the Premises and/or the Complex and/or all related areas and grounds necessitated by the negligence, vandalism, or misuse by CCC's employees, invitees, agents, clients, or contractors.

11.6 Fire Extinguishers. City shall provide and maintain required fire extinguishers for the Premises.

11.7 Signage. CCC may place signage on the Premises and/or the Complex. Such signage and placement must be approved in writing by the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, delayed or conditioned.

11.8 Illegal Activity. CCC, or any of its agents, employees, contractors, or invitees shall not perform or permit any practice that is injurious to the Premises or the Complex, is illegal, or increases the rate of insurance on the Premises or the Complex.

11.9 No Alcohol or Illegal Drugs. CCC agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises and/or Complex by CCC's agents, employees, contractors, or invitees.

11.10 Licensing and Permits. For any activity which CCC desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by CCC prior to using the Premises for such activity.

11.11 Full Liability. CCC assumes full legal and financial responsibility and liability for any use of the Premises by CCC, CCC's staff, CCC's agents, CCC's contractors, or CCC's invitees entering the Premises or the Complex.

11.12 Non-Discrimination. CCC agrees that CCC shall not discriminate on the basis of race, color, sex, age, religion, disability, national origin, sexual orientation, marital status, parental status, military discharge status, immigration status, age or source of income with respect to use of the Premises. CCC shall not use the Premises for any religious purposes.

11.13 Trade Fixtures. CCC shall maintain CCC's equipment and trade fixtures within the Premises in good condition. Upon the termination or cancellation of this Agreement, CCC shall remove CCC's equipment and trade fixtures and shall repair any injury or damage to the Premises and/or the Complex resulting from such removal. If CCC does not remove CCC's property, City may, at its option, remove the same and deliver them to any other place of business of CCC or warehouse the same. CCC shall pay the cost of such removal (including the repair for such removal, delivery and warehousing) to City on demand, or City may treat such property as being conveyed to City with this Agreement serving as a bill of sale without further payment or credit by City to CCC.

11.14 Condition on Surrender. Upon the termination of this Agreement, CCC shall surrender the Premises to City in a comparable or better condition to the condition of the Premises as of the Effective Date with normal wear and tear excepted.

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

April 2, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Water Management, I transmit herewith an ordinance authorizing an agreement reserving rights over use of property on Greenwood Avenue.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel
Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, pursuant to an ordinance approved the City Council of the City (the "City Council") on October 31, 1952, and published in the Journal of the Proceedings of the City Council for such date at page 3371, the City vacated South Greenwood Avenue between East 60th and East 61st Streets (the "1952 Ordinance"); and

WHEREAS, pursuant to the 1952 Ordinance, the City reserved "the West Twenty-nine (29) feet of the East Forty-eight (48) feet as right of way for an existing sewer and water main and for the installation of any additional sewers, water mains or other municipal service facilities now located or which in the future may be located in said part of S. Greenwood Ave. herein vacated, and for the maintenance, renewal and reconstruction of such facilities" (the "Reservation of Rights Easement"); and

WHEREAS, the 1952 Ordinance further provided that "no buildings or other structures shall be erected on", "or other use made of", the area subject to the Reservation of Rights Easement, "which in the judgment of the respective municipal officials having control of the aforesaid service facilities would interfere with the use, maintenance, renewal or reconstruction of said facilities, or the construction of additional service facilities" (the "No-Build Easement"); and

WHEREAS, pursuant to the 1952 Ordinance, the City "reserved in the entire width of that part of said S. Greenwood Ave. herein vacated an easement for City water, sewers and electrical facilities and appurtenances for so long as necessary to provide service for the buildings now located on said part of S. Greenwood Ave."; and

WHEREAS, the University of Chicago (the "University") is the owner of that portion of South Greenwood Avenue vacated by the 1952 Ordinance; and

WHEREAS, the University has installed in vacated South Greenwood Avenue a 24" sewer line to the east of an existing 12" sewer line, which 12" sewer line is located in the Reservation of Rights Easement and No-Build Easement and has been abandoned in place; and

WHEREAS, the University has constructed a driveway and loading dock in a portion of the Reservation of Rights Easement in which the abandoned 12" sewer line is located, and which is depicted in the "Plat of Vacation" (which is more properly described as a Plat of Release of an Easement) attached hereto as Exhibit A (such parcel, the "Release of Easement Area"); and

WHEREAS, the 24" sewer line is located (i) in a portion of vacated South Greenwood Avenue outside the Reservation of Rights Easement and the No-Build Easement and (ii) on land owned by the University that is outside the boundaries of vacated South Greenwood Avenue, all as legally described and depicted in the Plat of Easement Dedication attached hereto as Exhibit B (the "Replacement Easement Area"); and

WHEREAS, the applicable City departments approved the University's plans for the construction for the driveway and loading dock in the Release of Easement Area, and the City's issuance of permits for such improvements evidences satisfaction of the following requirement from the 1952 Ordinance: no buildings or structures shall be erected in the right of way reserved to the City unless in the "judgment of the respective municipal officials" such buildings or structures will not "interfere with the use, maintenance, renewal or reconstruction of" any sewers, water mains or other municipal service facilities now or later located in that reserved right of way; and

WHEREAS, the City's Department of Water Management ("DWM"), after due investigation and consideration, has determined that it is in the best interest of the City (i) for the City to release the Reservation of Rights Easement with respect to the Release of Easement Area; (ii) for the University to grant, and for the City to accept, an easement for an existing sewer and water main and for the installation of any additional sewers, water mains or other municipal service facilities now located or which in the future may be located, and for the maintenance, renewal and reconstruction of such facilities, in the Replacement Easement Area; and (iii) for the University to grant, and for the City to accept for the benefit of the City, a covenant prohibiting the erection of any buildings or other structures in the Replacement Easement Area; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The forgoing recitals are hereby incorporated herein and adopted as the findings of the City Council.

SECTION 2. The Commissioner of DWM (the "Commissioner") or the Commissioner's designee is each hereby authorized to execute, subject to the approval of the Corporation Counsel as to form and legality, such documents as may be necessary (i) to release the Reservation of Rights Easement with respect to the Release of Easement area, and (ii) to accept from the University an easement and no-build covenant with respect to the Replacement Easement Area in substantially the form attached hereto as Exhibit C.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect immediately upon its passage and approval.

DECLARATION OF “NO-BUILD” COVENANT

(The Above Space For Recorder's Use Only)

THE UNIVERSITY OF CHICAGO, an Illinois not-for-profit corporation having its principal office at _____, Chicago, Illinois, 606____ (“**Grantor**”), certifies that it is the owner of certain real property located in the County of Cook, State of Illinois, and legally described in Exhibit A attached hereto (such property, the “Replacement Easement Area”).

Grantor covenants to the City of Chicago, an Illinois municipal corporation and home rule unit of local government, having its principal office at 121 N. LaSalle Street, Chicago, Illinois 60602 (“**City**”), that Grantor shall not construct, develop or erect any buildings or other structures (including, but not limited to, driveways and parking lots) in the Replacement Easement Area, unless the applicable City official(s) determines that such buildings or other structures would not interfere with the use, maintenance, renewal or reconstruction of any City sewers, water mains or other municipal service facilities or the construction of additional service facilities in the Replacement Easement Area.

Grantor acknowledges that the City has provided valuable consideration for this easement, including the City’s release of a “reservation of rights” with respect to certain property adjacent to the Replacement Easement Area.

This easement shall be a covenant running with the land in perpetuity, binding upon the Grantor and the Grantor’s successors and assigns, and enforceable by the City.

Ladies and Gentlemen:

At the request of the Commissioner of Transportation, I transmit herewith an ordinance authorizing a closure of railroad viaducts.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel
Mayor

ORDINANCE
PERMANENT CLOSURE TO VEHICULAR AND PEDESTRIAN TRAFFIC
OF VIADUCTS AT RIGHT OF WAYS LOCATED AT
WEST ADAMS STREET AND SOUTH ROCKWELL STREET &
WEST WILCOX STREET AND SOUTH ROCKWELL STREET

WHEREAS, the City of Chicago (“City”) is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City and the Union Pacific Railroad Company, a Delaware corporation (“Union Pacific”) desire to permanently close the two (2) viaducts (together, the “Viaduct Closures”) located within the right-of-way at West Adams Street and South Rockwell Street and within the right-of-way at West Wilcox Street and South Rockwell Street, as detailed on the drawing attached hereto as **Exhibit A**, and made a part of this ordinance; and

WHEREAS, Union Pacific will replace the existing superstructures at the right-of-ways with earth embankment and fill at its sole cost and expense (the “Union Pacific Work”). No structures will be erected within the earth-fill areas; and

WHEREAS, in the course of Union Pacific replacing the existing superstructures, the City will install cul de sacs on the west side of the viaducts at both West Adams Street and West Wilcox Street and perform protection work to the City’s water main at both viaducts; and

WHEREAS, the Viaduct Closures is a transportation betterment in the public interest and safety and a cost savings to the City; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as findings of the City Council.

SECTION 2. Subject to the terms and conditions of this ordinance, the viaducts as shown and indicated by the words “CLOSURE LOCATIONS” on the drawing hereto attached, which drawing for greater certainty is hereby made a part of this ordinance as **Exhibit A**, are hereby closed to vehicular and pedestrian traffic.

SECTION 3. Subject to the terms and conditions of this ordinance, Union Pacific is authorized to remove and replace the existing superstructures at the right-of-ways with earth embankment and fill at its sole cost and expense.

SECTION 4. Subject to the terms and conditions of this ordinance, the City is authorized to install cul de sacs on the west side of the two (2) viaducts at both West Adams Street and West Wilcox Street and is further authorized to perform protection work to the City’s water mains at both viaducts.

SECTION 5. Union Pacific was authorized by previous ordinances to maintain the support system of the viaducts that governed the elevation of the Union Pacific railroad (“Existing Ordinances”);

SECTION 6. Subject to the terms and conditions of this ordinance, the Existing Ordinances are hereby amended to permit Union Pacific to perform the Union Pacific Work, including the removal and replacement of the existing superstructures at the right-of-ways with earth embankment and fill in the two (2) viaducts closed by this ordinance. Prior to the commencement of any Union Pacific Work, Union Pacific's contractor shall submit the following:

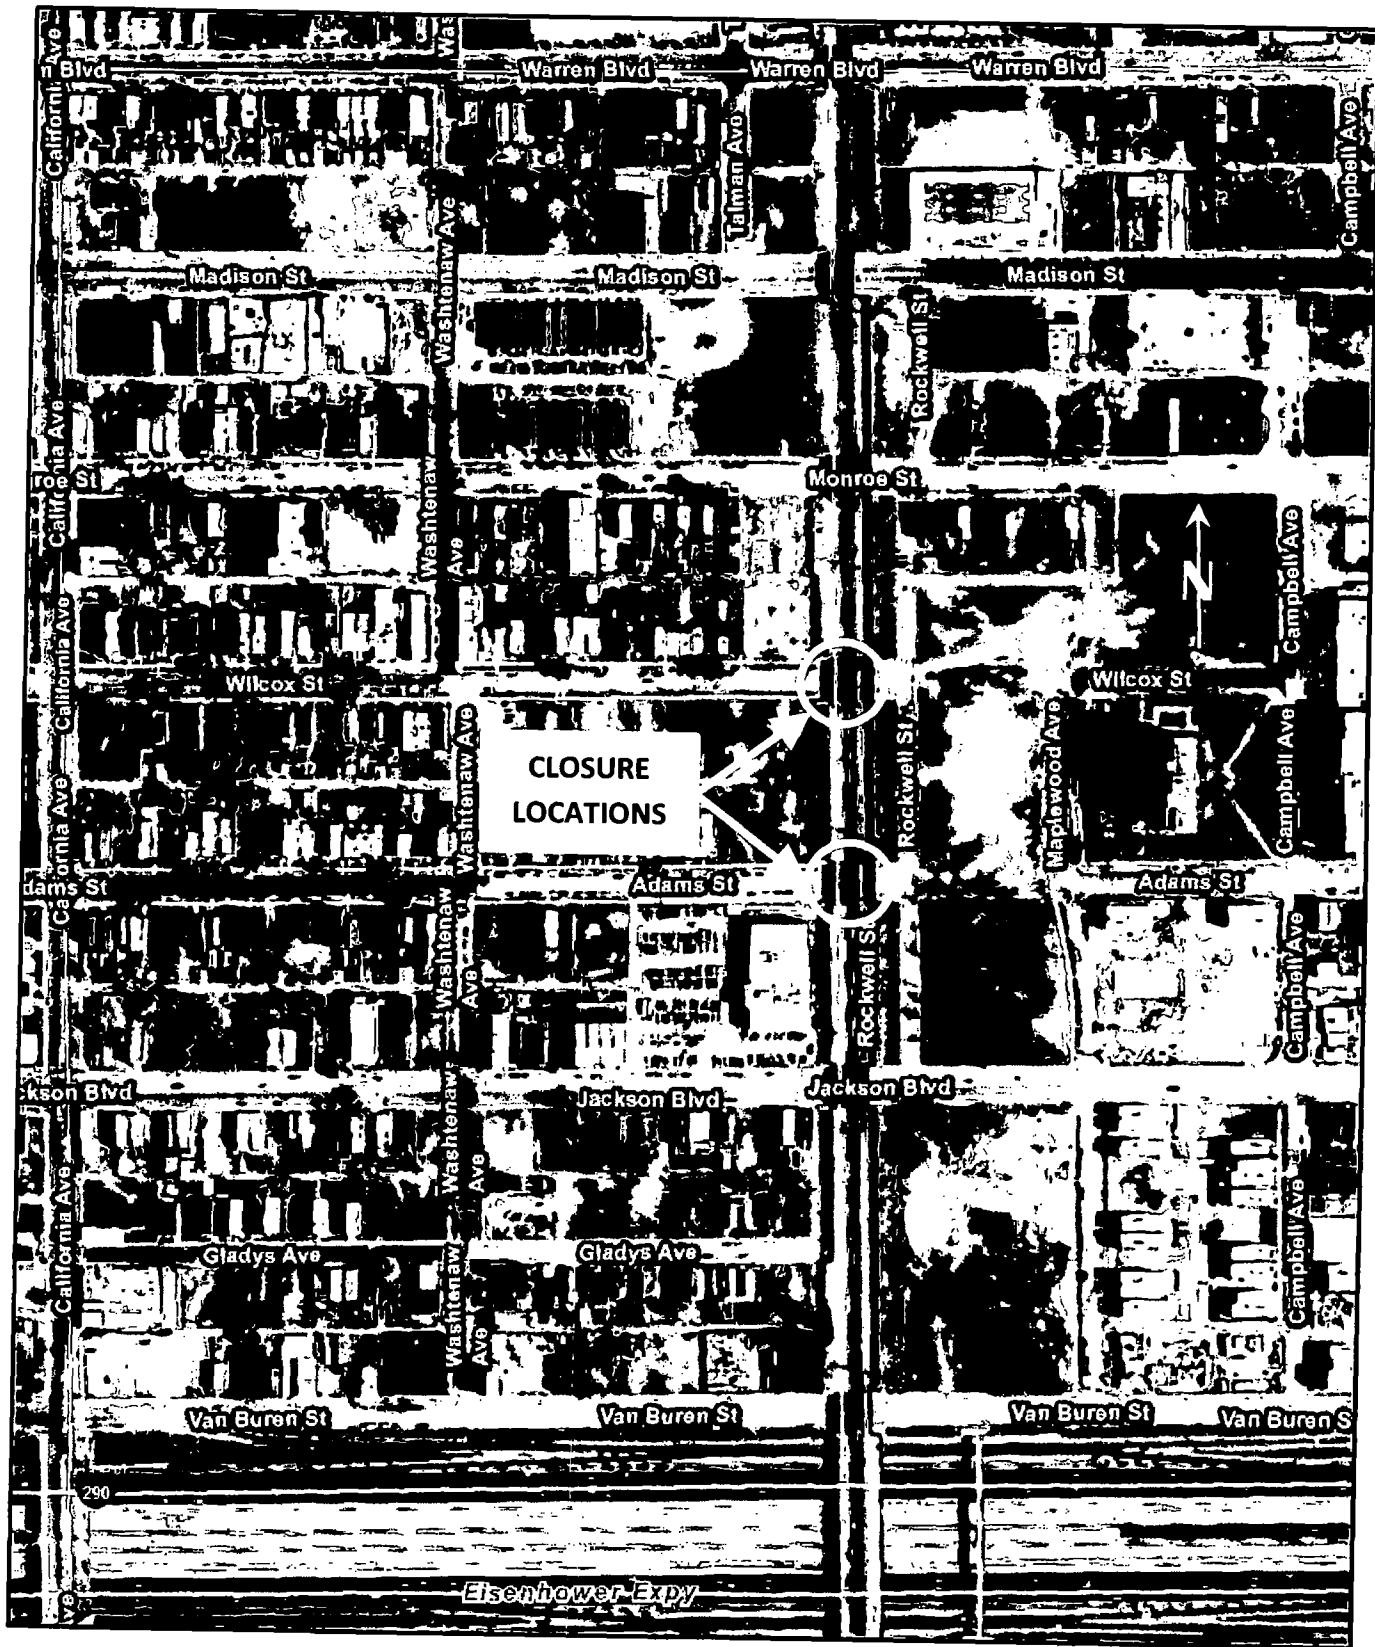

- a) detailed plans and specifications for the Union Pacific Work, subject to the approval of the Commissioner of Transportation; and
- b) appropriate indemnities of the City, its agents and employees, subject to the approval of the Corporation Counsel; and
- c) proof of insurance with coverage and limits, subject to the approval of the City Risk Manager.

All Union Pacific Work shall be performed in a good and workmanlike manner and in strict compliance with all applicable laws, ordinances, regulations and other legal authority, with the lawful orders and directions of the Commissioners of Transportation, Streets and Sanitation, Water Management, and Buildings, and with the plans and specifications approved by the Commissioner of Transportation. If any relocations or other work to any utility or similar or related public service facility is required by the work, that utility or public service company shall be responsible for obtaining all approvals and bearing all costs associated with that work.

SECTION 7. Union Pacific shall be liable for its Union Pacific Work obligations under this ordinance.

SECTION 8. This ordinance shall take effect and be in force from and after its passage.

ORDINANCE

WHEREAS, the Annual Appropriation Ordinance for the year 2014 of the City of Chicago (the "City") contains estimates of revenues receivable as grants from agencies of the state and federal governments and public and private agencies; and

WHEREAS, in accordance with Section 8 of the Annual Appropriation Ordinance, the heads of various departments and agencies of the City have applied to agencies of the state and federal governments and public and private agencies for grants to the City for various purposes; and

WHEREAS, the City through its Department of Police has been awarded federal grant funds in the amount of \$40,000 by the Illinois Department of Human Services which shall be used for the Chicago Juvenile Justice Council Program; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The sum of \$40,000, not previously appropriated, representing increased grant awards, is hereby appropriated from Fund 925 - Grant Funds for the year 2014. The Annual Appropriation Ordinance is hereby further amended by striking the words and figures and adding the words and figures indicated in the attached Exhibit A which is hereby made a part hereof.

SECTION 2. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 3. This ordinance shall be in full force and effect upon its passage and approval.

For the purposes of this article, the following additional definitions apply.

(Omitted text is unaffected by this ordinance)

"Dynamic image display sign" means any sign, or portion thereof, with characteristics that appear to have movement or that appear to change, caused by any method other than physically removing and replacing the sign or its components, whether the apparent movement or change is in the display, the sign structure itself, or any other component of the sign. This includes a display that incorporates a technology or method allowing the sign face to change the image without having to physically or mechanically replace the sign face or its components. This also includes any rotating, revolving, moving, flashing, blinking, or animated display and any display that incorporates rotating panels, LED lights manipulated through digital input, "digital ink" or any other method or technology that allows the sign face to present a series of images or displays. A "dynamic image display sign" shall include, but not be limited to, a changing-image sign, as that term is defined in Section 17-17-0234, a video display sign, as that term is defined in Section 17-17-02190, and a flashing sign, as that term is defined in Section 17-17-0256.

"Flat signs"- Flat signs are means signs which are placed flat against the building or structure from which they are supported and which run parallel thereto. Signs supported from a canopy are deemed to be flat signs when they are single face.

"Ground signs": Ground signs are means signs supported by a structure which rests on or in the ground.

"Luminance" means the photometric quantity most closely associated with the perception of brightness. Luminance is measured in candelas per square meters or "nits."

"Motion" or "moving" means the depiction of movement or change of position of text, images or graphics. Motion or moving shall include, but not be limited to, visual effects such as dissolving and fading text and images, running sequential text, graphic bursts, lighting that resembles zooming, twinkling or sparkling, changes in light or color, transitory bursts of light intensity, moving patterns or bands of light, expanding or contracting shapes, and similar actions.

"Nits" means a unit of measurement of brightness or luminance. One nit is equal to one candela per square meter.

"Projecting signs": Projecting signs are means signs which project obliquely or at right angles from the building or structure from which they are supported.

(Omitted text is unaffected by this ordinance)

~~Signboards (billboards, paintboards, and posted panelboards). Signboards are signs which fall into this general classification and are commonly known by this or other titles.~~

"Static sign" means a sign that does not rotate, move, or have any appearance of changing or movement in the sign, sign components or structure. A "static sign" shall not include any sign that has any characteristics of a dynamic image display sign.

"Twirl time" means the time it takes for static text, images or graphics on a dynamic image display sign to change to different text, images or graphics.

13-20-520 Penalties.

(Omitted text is unaffected by this ordinance)

(b) In addition to any other fine or penalty provided, if, on three separate occasions in any 12-month period, any registered electrical contractor, a registered sign contractor, or bonded sign erector erects, installs, alters, repairs, enlarges or illuminates any sign, signboard or structure covered by the provisions of this article, without first having obtained any permit required under this Code, such person's certificate of registration, bond and all permit privileges may be subject to revocation.

(Omitted text is unaffected by this ordinance)

13-20-530 Original and subsequent inspections.

The building department under the direction of the building commissioner shall issue permits for, and make original and subsequent inspections of, all signs, city digital signs, and

associated sign structures as are covered by this article of the Code.

(Omitted text is unaffected by this ordinance)

13-20-550 Permits required.

(a) Unless a valid permit has been obtained from the department of buildings, it shall be unlawful for any person:

- (1) to own, maintain, erect, install, alter, repair or enlarge any sign, city digital sign, or associated sign structure covered by the provisions of this article;
- (2) to commence to erect, install, alter, repair or enlarge any sign, city digital sign, or associated sign structure covered by the provisions of this article;
- (3) to cause any sign, city digital sign, or associated sign structure covered by the provisions of this article to be erected, installed, altered, repaired or enlarged;

(Omitted text is unaffected by this ordinance)

13-20-560 Permit application.

(a) (1) For all permits issued after the effective date of the 2012 amendatory ordinance, applications for permits to erect, install or alter signs shall be made by the owner or lessee of the real property on which the sign will be located. The application shall be signed by the applicant and a bonded sign erector. If the sign is a dynamic image display sign or a static sign which has direct or indirect lighting, the application shall also be signed by a licensed electrical contractor. For every permit application for a dynamic image display sign submitted on or after April 2, 2014, or for any application for a renewal of such permit, the applicant shall also attached the affidavit required in section 13-20-675(d)(2).

All such applications shall be made in a form prescribed by the building commissioner.

(2) Any substantial change in information, including any change in ownership or lessee, that is different from that information listed in the permit application shall be reported to the commissioner within 10 days of such change. The change of information shall be submitted to the commissioner in a form prescribed by the commissioner in rules and regulations.

(b) Except as provided in section 13-20-565 (a), a non-refundable review fee equal to one-half of the permit fee shall be paid at the time the application is submitted. If the permit is issued, the review fee shall be deducted from the amount of the permit fee due.

13-20-590 Construction contrary to permit.

It shall be unlawful for any person to erect, alter, maintain or repair any sign or signboard contrary to the approved permit. Where a sign or signboard has been erected, altered, or repaired contrary to the approved permit, the permit shall be invalidated by this action.

Where a bonded sign erector, a registered sign contractor, or a registered electrical contractor installs, alters, erects, or repairs a sign, signboard, or illuminates a signboard sign without a permit first being issued, the permit privileges of such bonded sign erector, a registered sign contractor, or registered electrical contractor may be suspended and shall not be reinstated until such time as all the provisions of this chapter have been complied with.

Where a bonded sign erector, a registered sign contractor, or a registered electrical

contractor performs defective work in the erection, alteration, or repair of a sign, signboard, or the illumination of a sign signboard, or when a permit is invalidated, the contractor shall be notified in writing of such defective work or invalidation. If at the end of ten days the defective work has not been corrected, the permit privileges of such contractor shall be suspended and shall not be reinstated until such defective work has been corrected.

13-20-610 Display of permits.

All permits authorizing the installation of a sign, signboard, or obstruction of the public way shall be displayed in a conspicuous location at the installation site during any period that such installation takes place.

13-20-650 Height and location.

Sign size and location shall be limited as follows:

(a) Except for high rise building signs permitted pursuant to section 17-12-1005-D, the
The overall vertical height of a roof, ground, or projecting sign or signboard shall not exceed 75
feet (22.9 m) above ground, or grade, level.

13-20-675 Dynamic image display signs-additional standards.

Every dynamic image display sign, including a city digital sign, for which a permit
application is submitted on or after April 2, 2014 shall comply with the following:

(a) Luminance.

(1) The maximum luminance for any sign shall not be greater than:

- (A) 2,500 nits between 5 a.m. and sunset;
(2) 250 nits between sunset and midnight.

(2) No sign shall be illuminated between the hours of midnight and 5 a.m.;
provided that an entity may keep its on-premise sign illuminated to no greater than 250 nits
between the hours of midnight and 5 a.m., when the entity is open for business. For purposes
of this subsection, "open for business" means an entity that is conducting its normal business or
occupation and admits clients, customers or patrons during such time.

(b) Dwell time. The text, image or display on the face of the sign shall not change more
than once every 10 seconds. Twirl time shall not exceed 0.25 seconds.

(c) Motion.

(1) all motion is prohibited on the sign;

(2) during the message transition, the sign shall not display any visible effects,
including but not limited to action, motion, fading, dissolving, blinking, or the illusion of such
effects; and

(3) no message shall transition from one face to another face.

(d) Control/Testing.

(1) all signs shall be equipped with an automatic dimmer control or other
mechanism that automatically controls the sign's luminance in compliance with this section. In
instances where the sign malfunctions, the sign shall either automatically shut off or turn to a
black screen;

(2) prior to the issuance of any permit for a sign, the applicant shall submit an
affidavit that attests that the sign has been tested and complies with the dwell time, luminance

requirements, motion and other requirements of this section, and that the luminance intensity is protected from manipulation by password-protected software or other method satisfactory to the commissioner, as set forth in rules and regulations; and

(3) the test of the luminance levels required by this section shall be made when the sign is set to full white.

SECTION 4. Section 13-96-020 of the Municipal Code of Chicago is hereby amended by adding the language underscored, as follows:

13-96-020 Outdoor signs – Generally.

Outdoor signs shall comply with all applicable provisions of this Code and with the special provisions of Sections 13-96-030 to 13-96-080, inclusive, and Article XIII of Chapter 13-20 44-40. Notwithstanding the foregoing, in the event of a conflict between any outdoor sign provisions in the Code, including this Chapter 13-96, and Title 17, which establishes city digital signs as exempt signs subject to the location, projection, height, sign face area and other regulations expressly set forth in such Title 17, the Title 17 regulations shall govern and control. City digital signs shall remain subject, however, to Section 13-20-675 and the structural safety and construction requirements of this Title 13, including design load, compressive stress, wind pressure, and combustibility requirements.

SECTION 5. Chapter 17-12 of the Municipal Code of Chicago is hereby amended by adding new sections 17-12-0711, 17-12-0712 and 17-12-1006-J, by deleting the language struck through and inserting the language underscored, as follows:

17-12-0601-F Changing-image Dynamic Image Display Signs. The area of a changing-image dynamic image display sign feature is determined by calculating the area of the smallest square or rectangle that can be drawn around the edge of each of the changing-image dynamic image display elements.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance amending the 119th/Halsted Redevelopment Plan and Project.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

A handwritten signature in black ink that reads "Rahm Emanuel".

Mayor

AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS
APPROVING AMENDMENT NO. 2 TO THE REDEVELOPMENT PLAN
FOR THE 119TH AND HALSTED TAX INCREMENT FINANCING REDEVELOPMENT AREA

WHEREAS, under ordinances adopted on February 6, 2002, and published in the Journal of Proceedings of the City Council of the City of Chicago (the "Journal") for such date at pages 78512 to 78658, and under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4.1 et seq., as amended (the "Act"), the City Council (the "City Council") of the City of Chicago (the "City"): (i) approved a redevelopment plan and project (the "Original Plan") for a portion of the City known as "119th and Halsted Redevelopment Project Area" (the "2002 Original Project Area") (the "Original Plan Ordinance"); (ii) designated the 2002 Original Project Area as a "redevelopment project area" within the requirements of the Act (the "Designation Ordinance"); and (iii) adopted tax increment financing for the 2002 Original Project Area (the "Adoption Ordinance") (the Original Plan Ordinance, the Designation Ordinance, and the Adoption Ordinance are collectively referred to herein as the "TIF Ordinances"); and

WHEREAS, pursuant to an ordinance adopted on April 9, 2003, and published in the Journal for such date at pages 106129 to 106248, and under the provisions of the Act, the City Council of the City approved changes to the Original Plan's text ("Amendment No. 1" and, together with the Original Plan, the "First Amended Plan") to replace the 1999 equalized assessed valuation ("E.A.V.") with the 2000 E.A.V. to conform the Original Plan to Section 5/11-74.4-3(n)(F) of the Act, and to make other minor changes; and

WHEREAS, it is desirable and in the best interests of the citizens of the City for the City to encourage development of areas located adjacent to the 2002 Original Project Area by adding certain additional continuous parcels (the "2014 Additional Property") to the 2002 Original Project Area and designating such expanded project area as a redevelopment project area under the Act to be known as the 119th and Halsted TIF Redevelopment Amendment 2 Project Area (together with the 2002 Original Project Area, the "2014 Amended Project Area"); and

WHEREAS, the City desires further to supplement and amend the First Amended Plan for the 2002 Original Project Area to provide for the redevelopment of the 2014 Amended Project Area; and

WHEREAS, the City has caused to be prepared an eligibility study entitled "119th & Halsted Redevelopment Project Area Eligibility Study – Amendment No. 2" (the "Eligibility Study") of the proposed 2014 Additional Property, which Eligibility Study confirms the existence within the 2014 Additional Property of various conservation factors and vacant blighted factors as set forth in the Act and supports a finding of eligibility of the 2014 Additional Property for designation as a Conservation Area and Vacant Blighted Area under the Act; and

WHEREAS, the First Amended Plan and the "119th and Halsted Redevelopment Project Area Redevelopment Plan and Project Amendment No. 2: December 31, 2013" ("Amendment No. 2" and, together with the First Amended Plan, the "Second Amended Plan"), provides for the 2014 Amended Project Area and the new total estimated redevelopment project costs; and

WHEREAS, a copy of Amendment No. 2 is attached hereto as Exhibit A; and

WHEREAS, it is desirable and in the best interest of the citizens of the City for the City to implement Tax Increment Allocation Financing pursuant to the Act for the 2014 Amended Project

Area, which is described in Section 2 of this ordinance and is to be redeveloped pursuant to the Second Amended Plan; and

WHEREAS, the Community Development Commission (the "Commission") of the City has heretofore been appointed by the Mayor of the City with the approval of its City Council (the City Council, referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Section 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Act; and

WHEREAS, the Commission is empowered by the Corporate Authorities to exercise certain powers enumerated in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

WHEREAS, pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission, by authority of the Corporate Authorities, called a public hearing on October 17, 2013, concerning approval of the Second Amended Plan, designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area pursuant to the Act; and

WHEREAS, Amendment No. 2 (including the Eligibility Study) was made available for public inspection and review pursuant to Section 5/11-74.4-5(a) of the Act since January 3, 2014, being a date not less than 10 days before the meeting of the Commission at which the Commission adopted Resolution 14-CDC-01 on January 14, 2014, accepting the Second Amended Plan for review and fixing the time and place for a public hearing (the "Hearing"), at the offices of the City Clerk and the City's Department of Planning and Development; and

WHEREAS, pursuant to Section 5/11-74.4-5(a) of the Act, notice of the availability of Amendment No. 2 (including the related eligibility report and, if applicable, the feasibility study, and the housing impact study) was sent by mail on January 21, 2014, which is within a reasonable time after the adoption by the Commission of Resolution 14-CDC-01 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the 2014 Amended Project Area and (ii) located within 750 feet of the boundaries of the 2014 Amended Project Area (or, if applicable, were determined to be the 750 residential addresses that were closest to the boundaries of the 2014 Amended Project Area); and (b) organizations and residents that were registered interested parties for such 2014 Amended Project Area; and

WHEREAS, due notice of the Hearing was given pursuant to Section 5/11-74.4-6 of the Act, said notice being given to all taxing districts having property within the 2014 Amended Project Area and to the Department of Commerce and Economic Opportunity of the State of Illinois by certified mail on January 17, 2014, by publication in the *Chicago Sun-Times* or *Chicago Tribune* on February 11, 2014 and February 18, 2014, by certified mail to taxpayers within the 2014 Amended Project Area on February 11, 2014; and

WHEREAS, a meeting of the joint review board established pursuant to Section 5/11-74.4-5(b) of the Act (the "Board") was convened upon the provision of due notice on February 7, 2014 at 10:00 a.m., to review the matters properly coming before the Board and to allow it to provide its advisory recommendation regarding the approval of the Second Amended Plan, designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area, and other matters, if any, properly before it; and

WHEREAS, pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission

held the Hearing concerning approval of the Second Amended Plan, designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area pursuant to the Act on March 11, 2014; and

WHEREAS, the Commission has forwarded to the City Council a copy of its Resolution 14-CDC-09 attached hereto as Exhibit B, adopted on March 11, 2014, recommending to the City Council approval of the Second Amended Plan, among other related matters; and

WHEREAS, since March 11, 2014, certain minor revisions have been made to Amendment No. 2, and the so revised Amendment No. 2 has been made available for public inspection and review pursuant to Section 5/11-74.4-5(a) of the Act since March 31, 2014; and

WHEREAS, the Corporate Authorities have reviewed the Second Amended Plan (including the related eligibility report and, if applicable, the feasibility study, and the housing impact study), testimony from the Public Meeting and the Hearing, if any, the recommendation of the Board, if any, the recommendation of the Commission, and such other matters or studies as the Corporate Authorities have deemed necessary or appropriate to make the findings set forth herein, and are generally informed of the conditions existing in the 2014 Amended Project Area; now therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Section 1. Recitals. The above recitals are incorporated herein and made a part hereof.

Section 2. The 2014 Amended Project Area. The 2014 Amended Project Area is legally described in Exhibit C attached hereto and incorporated herein. The street location (as near as practicable) for the 2014 Amended Project Area is described in Exhibit D attached hereto and incorporated herein. The map of the 2014 Amended Project Area is depicted on Exhibit E attached hereto and incorporated herein.

Section 3. Findings. The Corporate Authorities hereby make the following findings as required pursuant to Section 5/11-74.4-3(n) of the Act:

a. The 2014 Amended Project Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Second Amended Plan;

b. The Second Amended Plan:

(i) conforms to the comprehensive plan for the development of the City as a whole; or

(ii) either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission or (B) includes land uses that have been approved by the Chicago Plan Commission;

c. The Second Amended Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Second Amended Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of the

Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the 2002 Original Project Area was adopted, and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than 20 years;

d. Within the Second Amended Plan, if applicable:

- (i) as provided in Section 5/11-74.4-3(n)(5) of the Act, the housing impact study: a) includes data on residential unit type, room type, unit occupancy, and racial and ethnic composition of the residents; and b) identifies the number and location of inhabited residential units in the 2014 Amended Project Area that are to be or may be removed, if any, the City's plans for relocation assistance for those residents in the 2014 Amended Project Area whose residences are to be removed, the availability of replacement housing for such residents and the type, location, and cost of the replacement housing, and the type and extent of relocation assistance to be provided;
- (ii) as provided in Section 5/11-74.4-3(n)(7) of the Act, there is a statement that households of low-income and very low-income persons living in residential units that are to be removed from the 2014 Amended Project Area shall be provided affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria.

Section 4. Approval of the Second Amended Plan. The City hereby approves the Second Amended Plan pursuant to Section 5/11-74.4-4 of the Act.

Section 5. Powers of Eminent Domain. In compliance with Section 5/11-74.4-4(c) of the Act and with the Second Amended Plan, the Corporation Counsel is authorized to negotiate for the acquisition by the City of parcels contained within the 2014 Amended Project Area. In the event the Corporation Counsel is unable to acquire any of said parcels through negotiation, the Corporation Counsel is authorized to institute eminent domain proceedings to acquire such parcels. Nothing herein shall be in derogation of any proper authority.

Section 6. Invalidity of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

Section 7. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

Section 8. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

EXECUTIVE SUMMARY

To induce redevelopment pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the “Act”), the City Council of the City of Chicago (the “City”) adopted three ordinances on February 6, 2002, approving the 119th and Halsted Redevelopment Project Area Plan and Project (the “Original Plan”), designating the 119th and Halsted Redevelopment Project Area (the “Project Area”) as a redevelopment project area under the Act, and adopting tax increment allocation financing for the Project Area. The Original Plan was amended pursuant to an ordinance adopted by the City Council of the City on April 9, 2003 to reflect minor changes to the Original Plan’s text (the “First Amendment”, and together with the Original Plan, the “First Amended Plan”). The First Amended Plan is attached as Appendix E.

The First Amended Plan is being amended again to enlarge the area of the Project Area in order to extend the benefits of tax increment financing to areas adjacent to the Project Area, which have experienced distress and are eligible for tax increment financing, as defined by the Act. This amendment (the “Second Amendment,” and together with the First Amended Plan, the “Second Amended Plan”) also accommodates minor language changes reflecting updates to the Act since the date of the First Amended Plan. The amendments are outlined below and follow the format of the Original Plan.

This Second Amended Plan summarizes the analysis and findings of the consultant’s work, which unless otherwise noted, is the responsibility of the consultant. The City is entitled to rely on the findings and conclusions of this Second Amended Plan in amending the First Amended Plan under the Act. The consultant has prepared this Second Amended Plan with the understanding that the City would rely: 1) on the eligibility findings and conclusions of the Original Plan, and 2) on the fact that the Original Plan contains the necessary information to be compliant with the Act.

The area being added in this Second Amended Plan includes 2,105 residential units. Therefore, a Housing Impact Study has been completed pursuant to Section 11-74.4-3(n) 95 of the Act as a part of this Second Amended Plan (See Section 9, Housing Impact Study).

MODIFICATIONS TO THE ORIGINAL REDEVELOPMENT PLAN AND PROJECT

The 119th and Halsted Tax Increment Financing Redevelopment Project Area, which was referred to as the “Project Area” in the Original Plan, will herein be interpreted to mean the “Original Project Area.” The area to be added in this Second Amended Plan, shall be referred to herein as the “Amendment Area”. References to the Original Project Area together with the Amendment Area shall herein be referred to as the “Amended Project Area” or the “Project Area.”

Additionally, the 119th and Halsted Tax Increment Financing Redevelopment Plan and Project adopted on February 6, 2002 shall hereinafter be referred to as the “Original Plan” and Second Amended Plan shall hereinafter be referred to as the “Amended Plan” or the “Plan.” The amended provisions to the Original Plan are outlined below, with a Supplement 2 added to include the Eligibility Study for the Added Area. Each of the changes detailed below follow the format of the Original Plan.

SECTION 1. INTRODUCTION

The first paragraph is hereby deleted and replaced with the following:

This document presents a Tax Increment Redevelopment Plan and Project (hereinafter referred to as the "Plan") pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) (1996 State Bar Edition), as amended (the Act) for the 119th & Halsted neighborhood located in the City of Chicago, Illinois (the "Project Area"). The Project Area is adjacent to the existing West Pullman Industrial Park Conservation Area. The Project Area boundaries are irregular, with the Project Area extending north-south from 111th Street on the north to the Calumet River on the south; and east-west from Carpenter Street on the west to State Street on the east. The actual configuration of the project boundary meanders considerably within the geographic parameters described above. The Project Area is comprised primarily of a mix of commercial and residential property, with primarily commercial use located along both Halsted Street and 119th Street and primarily residential use elsewhere within the Project Area. The Plan responds to problem conditions within the Project Area and reflects a commitment by the City of Chicago (the "City") to improve and revitalize the Project Area.

The last two sentences of the second paragraph shall be deleted and replaced with the following:

This Amendment No. 2 has been formulated to amend the Original Plan in accordance with the provisions of the Act. The results of a study documenting the eligibility of the Amendment Area as a blighted area are presented in Appendix C, Eligibility Study, (the "Study").

Subsection: The 119th and Halsted Redevelopment Project Area

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

The Amendment Area is approximately 407 acres in size and includes 2,450 contiguous parcels and public rights-of-way. The Amendment Area is characterized by:

- buildings over the age of 35 years
- deterioration of buildings, site improvements and right-of-ways
- dilapidation of buildings
- inadequate access to public rights-of-way
- excessive vacancies in terms of vacant lots and vacant buildings
- excessive land coverage
- other blighting characteristics

Amendment Area

As a result of these conditions, the Amendment Area is in need of redevelopment, rehabilitation and/or revitalization. In recognition of the unrealized potential of the Amendment Area, the City is taking action to facilitate its revitalization.

The purpose of the Plan is to create a mechanism to allow for the development of new commercial and public facilities on existing vacant and underutilized land, the redevelopment and/or expansion of existing businesses, the redevelopment of obsolete land uses, and the improvement of the area's physical environment and infrastructure. The redevelopment of the Amendment Area is expected to encourage economic revitalization within the community and the surrounding area.

The Amendment Area as a whole has not been subject to growth and development by private enterprise and would not reasonably be anticipated to be developed without the adoption of the Plan. The eligibility analysis, attached hereto as Appendix C (including Supplement 2, which addresses the Added Area), concluded that property in this area is experiencing deterioration and disinvestment. The analysis of conditions within the Amendment Area indicates that it is appropriate for designation as a "blighted area" in accordance with the Act.

The Plan summarizes the analyses and findings of the consultant's work, which unless otherwise noted, is solely the responsibility of Camiros, Ltd. and its subconsultants. Camiros, Ltd. has prepared this 119th and Halsted Redevelopment Plan and Project and the related eligibility report with the understanding that the City would rely (i) on the findings and conclusions of the Plan and the related eligibility report in proceeding with the designation of the Amendment Area and the adoption and implementation of the Plan, and (ii) on the fact that Camiros, Ltd. has obtained the necessary information so that the Plan and the related eligibility report will comply with the Act.

The Second Amended Plan has been formulated in accordance with the provisions of the Act.

SECTION 2. PROJECT AREA DESCRIPTION

The first paragraph of Section 2 shall be replaced with the following:

The land within the amended 119th and Halsted Redevelopment Project Area (the "Amended Project Area") is shown in Figure 1, Boundary Map. The Project Area is approximately 590 acres in size, including public rights-of-way. The Original Project Area was approximately 183 acres in size and was adopted as a "blighted area." This Amendment No. 2 is approximately 407 acres in size, including public rights-of-way and is being proposed as a "conservation area." A legal description of the Amended Project Area is included as Appendix B of this document. The Amended Project Area is adjacent to the West Pullman Industrial Conservation Area. The Project Area includes only contiguous parcels. This Amendment No. 2 includes only that area that is anticipated to be substantially benefited by the proposed redevelopment project improvements.

Subsection: Community Background

The following new paragraph shall be added after the fourth paragraph:

However, recent demographic trends frame the general distress that now exists in the area and the need for public intervention to advance revitalization. According to the U.S. Census, the West Pullman Community Area, the community within which most of the Project Area is located, lost 6,998 residents between 2000 and 2010, representing a loss of 19% of the community area population. Median household income also declined within the West Pullman Community Area, falling from \$41,141 in 2000 to \$39,601 in 2010. These demographic trends, combined with on-the-ground surveys indicating increasing building deterioration, vacant buildings, and vacant land/lots, clearly indicate that the level of distress within the general area is increasing and that these conditions cannot be addressed without public intervention.

Subsection: Current Land Use and Zoning

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

The existing land use of the Amendment Area is characterized by: a) a high proportion of residential use, largely single family dwellings; b) semi-public and institutional uses scattered along the major streets of Halsted Street and 119th Street as well as on local streets within the residential areas; c) a small proportion of mixed-use properties, primarily commercial combined with residential, located mostly along the major streets of Halsted Street and 119th Street; d) a major public open space, West Pullman Park, is located in the southwestern portion of the Amendment Area; e) commercial use is focused along the major streets of Halsted Street and 119th Street; and f) vacant lots are scattered throughout the Amendment Area within both residential and commercial areas. Figure 3A, Existing Land Use, illustrates the current pattern of land use within the Amendment Area.

Existing zoning for the Amendment Area is largely consistent with existing land use. Business and commercial zoning covers most portions of Halsted Street and 119th Street, although small areas of manufacturing and residential zoning exist to reflect existing uses in these areas. A large area of “parks and open space” zoning is placed, appropriately, over West Pullman Park. The balance of the Amendment Area is in residential zoning classifications. Figure 4A, Existing Zoning, illustrates the current pattern of land use within the Amendment Area.

SECTION 3. ELIGIBILITY OF THE PROJECT AREA FOR DESIGNATION AS A BLIGHTED AREA

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

The Amendment Area on the whole has not been subject to significant growth and development through investment by private enterprise. Based on the conditions present, the area is not likely to be comprehensively or effectively developed without the adoption of the Plan. In May and October of 2013, a series of studies were undertaken to establish whether the proposed Amendment Area is eligible for designation as a blighted area in accordance with the requirements of the Act. This analysis concluded that the Amendment Area so qualifies.

The following six factors were found to be present to a *major* extent:

- Deterioration (affecting 94% of all tax blocks)
- Obsolescence (affecting 87% of all tax blocks)
- Excessive vacancies (affecting 78% of all tax blocks)

- Excessive land coverage and overcrowding of structures and community facilities (affecting 84% of all tax blocks)
- Stagnant or declining EAV
- Lack of Community Planning

One additional factor is present to a *minor* extent within the Amendment Area:

- Dilapidation (affecting 30% of all tax blocks)

Subsection: Need for Public Intervention

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

The analysis of conditions within the Amendment Area included an evaluation of construction activity between 2008 and 2012. Table 1 summarizes construction activity within the Redevelopment Amendment Area by year and project type.

**Table 1A

Source: City of Chicago, Dept. of Buildings

During this five-year period, a total of 371 building permits were issued for property within the Amendment Area. In analyzing the building permit activity, it should be recognized that a certain level of activity occurs merely to address basic maintenance needs, which appears to account for a large majority of the construction activity. Only one in five building permits issued was for new construction or building additions, while nearly 70% of all building permits were issued for repairs/rehabilitation. While a total of 75 permits were issued for new construction and building additions, 35 were issued for building demolitions, which were often done to remove abandoned buildings for health and safety reasons. The dollar value for new construction reflects the relative lack of new private sector investment. Approximately 32% of the total dollar value of building permit activity was attributable to new construction and building additions, which 70% of the dollar value was for repairs and rehabilitation.

The \$4,524,341 in construction spending that has occurred in the Amendment Area over the past five years represents a minimal level of investment. This five-year private sector investment is roughly equal to the development value of approximately 12 moderately priced (\$350,000) single-family homes. Given that there are 234 vacant lots within the Amendment Area, which could accommodate new homes, this level of new investment is minimal and inadequate. Given the large amount of vacant land present within the Amendment Area, and the presence of widespread deterioration, a significantly higher level of private investment is required to reverse the area's decline. Clearly, the lack of development is not being resolved through private-sector investment, and a continuation of this minimal level of private investment may exacerbate blight within the Amendment Area.

SECTION 4. REDEVELOPMENT PLAN GOALS AND OBJECTIVES

The addition of the following two new goals to be added under "Redevelopment Objectives":

- Encourage the redevelopment of vacant, underutilized or obsolete commercial and residential property along Halsted Street for new mixed use development comprised of affordable multi-family residential dwellings above ground floor commercial, office or service space.
- Encourage the redevelopment of older obsolete single family residential property for new owner-occupied single family dwellings, to be facilitated in part, by the write-down of land costs.

SECTION 5. REDEVELOPMENT PLAN

Subsection: Property Assembly, Site Preparation and Environmental Remediation:

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

Figure 7A, Land Acquisition Overview Map (Appendix A), identifies the properties proposed for acquisition within the Amendment Area. Table 2A, Land Acquisition by Parcel Identification Number and Address (see Appendix A), provides a list of the properties proposed for acquisition within the Amendment Area.

SECTION 6. REDEVELOPMENT PROJECT DESCRIPTION

Section 6 shall remain as written.

SECTION 7. GENERAL LAND USE PLAN AND MAP

Section 7 shall remain, except that the fourth paragraph under the land use category heading Commercial/Mixed Use shall be replaced with the following:

Mixed-Use

Mixed use development is proposed for the Halsted Street corridor and for properties on 119th Street and 115th Street. This land use categories permits commercial, retail, residential, public, and institutional uses. Commercial and retail development is envisioned for most of this area. Allowing residential use and public/institutional use along with commercial use provides needed flexibility in order to maximize redevelopment activity. Continued industrial use is not envisioned and the relocation of a small number of older existing industrial uses is needed to facilitate broader commercial redevelopment of land, particularly along Halsted Street.

SECTION 8. REDEVELOPMENT PLAN FINANCING

Subsection: Eligible Redevelopment Costs

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Redevelopment project costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Plan pursuant to the Act. Such costs may include, without limitation, the following:

- a) Costs of studies, surveys, development of plans and specifications, implementation and administration of the Plan including but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services (excluding lobbying expenses), provided that no charges for professional services are based on a percentage of the tax increment collected;
- b) The costs of marketing sites within the Project Area to prospective businesses, developers and investors;
- c) Property assembly costs, including but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;
- d) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the costs of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment; including any direct or indirect costs relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification;
- e) Costs of the construction of public works or improvements, including any direct or indirect costs relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification subject to the limitations in Section 11-74.4-3(q)(4) of the Act;
- f) Costs of job training and retraining projects including the cost of welfare to work programs implemented by businesses located within the Project Area;
- g) Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of

- any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;
- h) To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Plan.
 - i) An elementary, secondary, or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the Act;
 - j) Relocation costs to the extent that the City determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law or by Section 74.4-3(n)(7) of the Act (see Relocation section);
 - k) Payment in lieu of taxes, as defined in the Act;
 - l) Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs; (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in the Project Area; and (ii) when incurred by a taxing district or taxing districts other than the City, are set forth in a written agreement by or among the City and the taxing district or taxing districts, which agreement describes the program to be undertaken including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act, 110 ILCS 805/3-37, 805/3-38, 805/3-40 and 805/3-40.1, and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code, 105 ILCS 5/10-22.20a and 5/10-23.3a;
 - m) Interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:
 - 1. such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
 - 2. such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
 - 3. if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
 - 4. the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) cost paid or incurred by the redeveloper for such redevelopment project; (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and

- 5. up to 75 percent of the interest cost incurred by a redeveloper for the financing of rehabilitated or new housing for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
- n) Instead of the eligible costs provided for in (m) 2, 4 and 5 above, the City may pay up to 50 percent of the cost of construction, renovation and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act;
- o) The costs of daycare services for children of employees from low-income families working for businesses located within the Project Area and all or a portion of the cost of operation of day care centers established by Project Area businesses to serve employees from low-income families working in businesses located in the Project Area. For the purposes of this paragraph, “low-income families” means families whose annual income does not exceed 80 percent of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development.
- p) Unless explicitly provided in the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost;
- q) If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 235/0.01 et seq., then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the Project Area for the purposes permitted by the Special Service Area Tax Act as well as the purposes permitted by the Act.

Subsection: Estimated Project Costs

A. The line item estimated project costs shown in paragraphs 1-9 shall be amended as follows:

1. (Estimated cost: \$1,550,000)
2. (Estimated cost: \$10,000,000)
3. (Estimated cost: \$4,250,000)
4. (Estimated cost: \$12,500,000)
5. (Estimated cost: \$1,050,000)
6. (Estimated cost: \$1,050,000)
7. (Estimated cost: \$3,550,000)
8. (Estimated cost: \$300,000)
9. (Estimated cost: \$2,500,000)

B. The first sentence of the last paragraph of the subsection titled “Estimated Project Costs” shall be revised as follows:

“The estimated gross eligible project cost over the life of the Area is \$38 million.”

C. *Table 2, Estimated Redevelopment Project Costs, shall be replaced with the following:*

Table 2
ESTIMATED REDEVELOPMENT PROJECT COSTS

Program Action/Improvement	Budget
Professional and Administrative Costs - Planning, Legal, Surveys, Redevelopment Marketing Costs	\$1,550,000
Property Assembly and Site Preparation	\$11,000,000
Rehabilitation (may include up to 50% of the cost of construction of low and very low-income housing units)	\$4,250,000
Public Improvements	\$12,500,000 (1)
Job Training and Retraining	\$1,050,000
Relocation	\$1,050,000
Financing and Interest Costs	\$3,550,000
Day Care	\$300,000
Taxing District Capital Costs	\$2,500,000
TOTAL	\$38,000,000 (2) (3)

- (1) This category may also include reimbursing capital costs of taxing districts impacted by the redevelopment of the Area and school district costs pursuant to the Act. As permitted by the Act, the City may pay, or reimburse all, or a portion of a taxing district's costs resulting from the Redevelopment Project pursuant to a written agreement by the City accepting and approving such costs.
- (2) The Total Project Costs exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Project Costs. The amount of the Total Project Costs that can be incurred in the Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Area, but will not be reduced by the amount of redevelopment project costs incurred in the Area which are paid from incremental taxes generated from contiguous redevelopment project areas.
- (3) The Total Project Costs provides an upper limit on expenditures and adjustments may be made in line items without amendment to the Plan.
- (4) An elementary, secondary, or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the act.

Subsection: Most Recent Equalized Assessed Valuation

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

The purpose of identifying the most recent equalized assessed valuation (“EAV”) of the Project Area is to provide an estimate of the initial EAV, which the Cook County Clerk will certify for the purpose of annually calculating the incremental EAV and incremental property taxes of the Project Area. The 2012 EAV of all taxable parcels in the Amendment Area is \$44,339,479. This total EAV amount by PIN is summarized in Appendix D. The EAV is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become the Certified Initial EAV from which all incremental property taxes in the Area will be calculated by Cook County.

Subsection: Anticipated Equalized Assessed Valuation

A new heading shall be inserted below the Subsection heading to contain narrative related to the Original Area. This new heading shall read:

Original Area

Following the existing text of this Subsection, a new heading shall be inserted and new paragraphs added to describe conditions in the Amendment Area, per the following:

Amendment Area

Once the redevelopment project has been completed and the property is fully assessed, the EAV of real property within the Amendment Area is estimated to increase to approximately \$56.5 million. This estimate has been calculated assuming that the Project Area will be developed in accordance with Figure 6A, General Land Use Plan, of the Plan.

The estimated EAV assumes that the assessed value of property within the Amendment Area will increase substantially as a result of new development and public improvements.

Calculation of the estimated EAV is based on several assumptions, including: 1) redevelopment of the Amendment Area will occur in a timely manner; 2) the application of the current State Multiplier of 2.8056 to the projected assessed value of property within the Redevelopment Project Area; and 3) an eventual return to a modest rate of property appreciation.

SECTION 9. HOUSING IMPACT STUDY

The existing material in Section 9, Housing Impact Study, will be retained to document the analysis prepared for the Original Area. A separate analysis is hereby inserted for the Amendment Area, below:

HOUSING IMPACT STUDY – AMENDMENT AREA

A Housing Impact Study has been conducted for the Amendment Area to determine the potential impact of redevelopment on Amendment Area residents. As set forth in the Act, if the redevelopment plan for a redevelopment project area would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and the City is unable to certify that no displacement of residents will occur, the municipality must prepare a housing impact study and incorporate the study in the redevelopment project plan. This Housing Impact Study, which is part of the 119th and Halsted Street Second Amended Plan, fulfills this requirement. It is also integral to the formulation of the goals, objectives, and policies of the Plan.

The Amendment Area contains a total of 2,105 residential units, of which 1,857 are inhabited. The Plan provides for the development or redevelopment of several portions of the Amendment Area that may contain occupied residential units. As a result, it is possible that by implementation of this Plan, the displacement of residents from 10 or more inhabited residential units could occur.

The focus of this Plan is on the conservation of the existing industrial, commercial and residential mixed-use districts and demolition of occupied residential units is not contemplated. While there are no current plans to displace any residential units over the 23-year life of the TIF, displacement of ten or more inhabited residential units may occur. Therefore, a housing impact study is required. This Housing Impact Study, which is part of the 119th and Halsted Street Second Amended Plan, fulfills this requirement. The results of the housing impact study section described below present certain factual information required by the Act.

This Housing Impact Study is organized into two parts. *Part I – Housing Survey* describes the housing survey conducted within the Amendment Area to determine existing housing characteristics. *Part II – Potential Housing Impact* describes the potential impact of the Plan. Specific elements of the Housing Impact Study include:

Part I - Housing Survey

- i. Type of residential unit, either single-family, multi-family or mixed-use.
- ii. The number and type of rooms within the units, if that information is available.
- iii. Whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 of the Act is passed.
- iv. Data as to the racial and ethnic composition of the residents in the inhabited residential units, which shall be deemed to be fully satisfied if based on data from the most recent federal census.

Part II - Potential Housing Impact

- i. The number and location of those units that will be or may be removed.
- ii. The municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residencies are to be removed.
- iii. The availability of replacement housing for those residents whose residences are to be removed, and the identification of the type, location, and cost of the replacement housing.
- iv. The type and extent of relocation assistance to be provided.

PART I - HOUSING SURVEY

Part I of this study provides the number, type and size of residential units within the Amendment Area, the number of inhabited and uninhabited units, and the racial and ethnic composition of the residents in the inhabited residential units.

Number and Type of Residential Units

The number and type of residential units within the Amendment Area were identified during the land use and housing survey conducted as part of the eligibility analysis for the Amendment Area. This survey, completed on September 27, 2013, revealed that the Amendment Area contains 1,900 residential or mixed-use residential buildings containing a total of 2,105 units. The number of residential units by building type is outlined in *Table 3-A: Number and Type of Residential Units*.

Table 3-A:
NUMBER AND TYPE OF RESIDENTIAL UNITS

Building Type	Total Number of Buildings	Total Number of Units	Total Number of Inhabited Units
Single-Family	1,775	1,775	1,603
Multi-Family	105	289	225
Mixed-Use (Residential Above)	20	41	29
Total	1,900	2,105	1,857

Number and Type of Rooms in Residential Units

The distribution of the 2,105 residential units within the Amendment Area by number of rooms and by number of bedrooms is identified in tables within this section. The methodology to determine this information is described below.

Methodology

In order to describe the distribution of residential units by number and type of rooms within the Amendment Area, the consultants analyzed the 2007-2011 American Community Survey 5-Year Estimate data conducted by the United States Census Bureau by Census Tract for those Census Tracts encompassed by the Amendment Area. Census Tracts, as defined by the U.S. Census, are small,

relatively permanent statistical subdivisions of a county delineated by local participants as part of the U.S. Census Bureau's Participant Statistical Areas Program. In this study, the consultants have relied on 2007-2011 federal census estimate data because it is the best and most current available information regarding the housing units within the Amendment Area. The Census Tract data available for the Amendment Area are based on a sampling of residential units. (*As the Census Tract geographies encompass a greater area beyond the Amendment Area, numbers will be higher than the actual count.*) Based on this data, a proportional projection was made of the distribution of units by the number of rooms and the number of bedrooms in each unit. The results of this survey are outlined in *Table 4-A: Units by Number of Rooms*, and in *Table —5-A: Units by Number of Bedrooms*.

Table 4-A:
UNITS BY NUMBER OF ROOMS¹

Number of Rooms	Percentage (2007-2011 Estimate)	Current Estimated Units in the Amendment Area
1 Room	0.0%	0
2 Rooms	0.0%	0
3 Rooms	3.1%	64
4 Rooms	9.9%	209
5 Rooms	28.4%	598
6 Rooms	23.7%	499
7+ Rooms	34.9%	735
Total	100.0%	2,105

Source: 2007-2011 American Community Survey, U.S. Census Bureau

¹ As defined by the U.S. Census Bureau, for each unit, rooms include living rooms, dining rooms, kitchens, bedrooms, finished recreation rooms, enclosed porches suitable for year-round use, and lodger's rooms. Excluded are strip or Pullman kitchens, bathrooms, open porches, balconies, halls or foyers, half-rooms, utility rooms, unfinished attics or basements, or other unfinished space used for storage. A partially divided room is a separate room only if there is a partition from floor to ceiling, but not if the partition consists solely of shelves or cabinets.

Table 5-A:
UNITS BY NUMBER OF BEDROOMS²

Number of Bedrooms	Percentage (2007-2011 Estimate)	Current Estimated Units in the Amendment Area
Studio	0.0%	0
1 Bedroom	4.6%	96
2 Bedrooms	27.5%	578
3 Bedrooms	41.9%	882
4 Bedrooms	20.3%	428
5+ Bedrooms	5.8%	121
Total	100.0%	2,105

Source: 2007-2011 American Community Survey, U.S. Census Bureau

² As defined by the U.S. Census Bureau, number of bedrooms includes all rooms intended for use as bedrooms even if they are currently used for some other purpose. A housing unit consisting of only one room, such as a one-room efficiency apartment, is classified, by definition, as having no bedroom.

Number of Inhabited Units

A survey of inhabited dwelling units within the Amendment Area was conducted by Applied Real Estate Analysis, Inc. with assistance from Camiros, Ltd. and completed on September 27, 2013. This survey identified 2,105 residential units, of which 248 were identified as vacant. Therefore, there are approximately 1,857 total inhabited units within the Amendment Area. As required by the Act, this information was ascertained as of September 27, 2013, which is a date not less than 45 days prior to the date that the resolution required by subsection (a) of Section 11-74.4-5 of the Act is or will be passed (the resolution setting the public hearing and Joint Review Board meeting dates).

Race and Ethnicity of Residents

The racial and ethnic composition of the residents within the Amendment Area is identified in *Table 6-A: Race and Ethnicity Characteristics*, within this section. The methodology to determine this information is described below.

Methodology

As required by the Act, the racial and ethnic composition of the residents in the inhabited residential units was determined. Population estimates were made based on data from the 2007-2011 American Community Survey 5-Year Estimates conducted by the United States Census Bureau. The Consultants analyzed this data by Census Tracts encompassed by the Amendment Area. The Consultants have relied on 2007-2011 federal census estimate data because it is the best and most current available information regarding the residents within the Amendment Area.

The total population for the Amendment Area was estimated by multiplying the number of inhabited households within the Amendment Area (1,857) by the average household size (3.5) within the Amendment Area. Based on the estimated total population, a proportional projection was made of the race and ethnicity characteristics of the residents. According to these projections, there are an estimated 6,500 residents living within the Amendment Area. The race and ethnic composition of these residents is indicated in *Table 6-A: Race and Ethnicity Characteristics*.

**Table 6-A:
RACE AND ETHNICITY CHARACTERISTICS**

Race	Percentage (2007-2011 Estimate)	Estimated Residents

PART II - POTENTIAL HOUSING IMPACT

Part II contains, as required by the Act, information on any acquisition, relocation program, replacement housing, and relocation assistance.

Number and Location of Units That May Be Removed

The primary objectives of the Plan are to reduce deleterious conditions within the Amendment Area and upgrade public and private infrastructure to stimulate private investment in the Amendment Area. Although the Plan does not specifically propose redevelopment of current residential uses, some displacement of residential units may occur in the process of redeveloping obsolete buildings that contain a residential component and may also occur through private market development activity.

There is a possibility that over the remaining life of the TIF District, some inhabited residential units may be removed as a result of implementing the Plan. In order to meet the statutory requirement of defining the number and location of inhabited residential units that may be removed, a methodology was established that would provide a rough, yet reasonable, estimate. This methodology is described below.

Methodology

The methodology used to fulfill the statutory requirements of defining the number and location of inhabited residential units that may be removed involves three steps.

1. Step one counts all inhabited residential units previously identified on any underlying acquisition maps. Because there are no underlying redevelopment areas or land acquisition maps, the number of inhabited residential units that may be removed due to previously identified acquisition is zero.
2. Step two counts the number of inhabited residential units contained within buildings that are dilapidated as defined by the Act. From the survey conducted by Applied Real Estate Analysis, Inc. with assistance from Camiros, Ltd., 54 buildings are classified as dilapidated with 59 units within these buildings. Of these 59 dwelling units, 22 are inhabited.
3. Step three counts the number of inhabited residential units that exist where the future land use indicated by the Plan will not include residential uses. After reviewing the Land Use Plan for the Amendment Area, it was determined that residents from two residential units would be displaced as a result of land use change. Of those two residential units, one unit is inhabited.

While residential displacement is not contemplated as part of this Amended Plan, it is projected that 23 inhabited residential units could potentially be removed during remaining life of the TIF district as a result of private development actions or other conditions that are presently unknown.

Replacement Housing

In accordance with Section 11-74.4-3 (n)(7) of the Act, the City shall make a good faith effort to ensure that affordable replacement housing for any qualified displaced resident whose residence is removed is located in or near the Amendment Area. To promote the development of affordable housing, the Plan requires developers receiving tax increment financing assistance for market-rate housing to set aside at least 20% of the units to meet affordability criteria established by the City's Department of Housing and Economic Development. Generally, this means affordable rental units should be affordable to

households earning no more than 80% of the area median income (adjusted for family size). If, during the 23-year life of the 119th and Halsted Street TIF Amendment No. 2 Redevelopment Amendment Area, the acquisition plans change, the City shall make every effort to ensure that appropriate replacement housing will be found in either the Amendment Area or the surrounding Community Areas.

The location, type and cost of a sample of possible replacement housing units located within the surrounding Community Areas were determined through classified advertisements from the Chicago Sun-Times, Chicago Tribune and from Internet listings on Apartments.com and Zillow.com during November 2013. It is important to note that Chicago has a rental cycle where apartments turn over at a greater rate on May 1 and October 1 of each year. These times generally reflect a wider variety of rental rates, unit sizes and locations than those available at other times throughout the year. The location, type and cost of housing units found to be available are listed in *Table 7-A: Survey of Available Housing Units*.

Relocation Assistance

Although the removal or displacement of housing units is not a goal of the Plan, it is possible that a small number of units may be removed in the process of implementing the Plan. If the removal or displacement of low-income, very low-income, or moderate-income households is required, such residents will be

provided with affordable housing and with relocation assistance in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations thereunder, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. The City shall make a good faith effort to ensure that affordable replacement housing for the aforementioned households is located in or near the Amendment Area.

As used in the above paragraph, "very low-income household," "low-income household," "moderate-income household" and "affordable housing" have the meanings set forth in Section 3 of the Illinois Affordable Housing Act, 310 ILCS 65/3. As of the date of this Plan, these statutory terms have the following meanings:

- a. "Very low-income household" means a single-person, family or unrelated persons living together whose adjusted income is not more than 50 percent of the median income of the area of residence, adjusted for family size, as so determined by the U.S. Department of Housing and Urban Development.;
- b. "Low-income household" means a single-person, family or unrelated persons living together whose adjusted income is more than 50 percent but less than 80 percent of the median income of the area of residence, adjusted for family size, as such adjusted income and median income are determined from time to time by the United States Department of Housing and Urban Development (HUD) for purposes of Section 8 of the United States Housing Act of 1937;
- c. "Moderate-income household" means a single person, family or unrelated persons living together whose adjusted income is more than 80 percent but less than 120 percent of the median income of the area of residence, adjusted for family size, as such adjusted income and median income for the area are determined from time to time by HUD for purposes of Section 8 of the United States Housing Act of 1937; and
- d. "Affordable housing" means residential housing that, so long as the same is occupied by low-income households or very low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than 30 percent of the maximum allowable income for such households, as applicable.

In order to estimate the number of very low-income, low-income, and moderate-income households in the Amendment Area, the consultants used data available from the 2007-2011 American Community Survey 5-Year Estimates conducted by the United States Census Bureau. The consultants have relied on this data because it is the best and most current available information regarding the income characteristics of the Amendment Area.

It is estimated that 23.8 percent of the households within the Amendment Area may be classified as very low-income; 28.6 percent may be classified as low-income; and 23.1 percent may be classified as moderate-income. The remaining 24.5 percent have incomes above moderate income levels. Applying these percentages to the 1,347 inhabited residential units (equivalent to households) identified during the survey completed by the Consultants, it is estimated that 442 households within the Amendment Area may be classified as very low-income; 531 households may be classified as low-income; 430 households may be classified as moderate-income; and 455 households may be classified as above moderate-income. This information is summarized in *Table 8-A: Household Income*.

Table 8-A:
Household Income

Household Income Category	Annual Income Range (2011 Inflation-Adjusted)	Percentage of Households	Estimated Number of Households
Very Low-Income	\$0 - \$27,299	23.8%	442
Low-Income	\$27,300 - \$43,678	28.6%	531
Moderate-Income	\$43,679 - \$65,518	23.1%	429
Above Moderate-Income	\$65,519 or more	24.5%	455
Total		100.0%	1,857

Source: 2007-2011 American Community Survey, U.S. Census Bureau

As described above, the estimates of the total number of very low-income, low-income and moderate income households within the Amendment Area collectively represent 75.5 percent of the total inhabited units, and the number of households in the low-income categories collectively represent 52.4 percent of the total inhabited units. Therefore, replacement housing for any displaced households over the course of the 23-year life of the 119th and Halsted Street TIF Amendment No. 2 Redevelopment Project Area should be affordable at these income levels. It should be noted that these income levels are likely to change over the 23-year life of the Project Area as both median income and income levels within the Project Area change.

SECTION 10. PROVISIONS FOR AMENDING THE PLAN

Section 10 shall remain unchanged.

SECTION 11. CITY OF CHICAGO COMMITMENT TO FAIR EMPLOYMENT PRACTICES AND AFFIRMATIVE ACTION

The entire Section is hereby deleted and replaced with the following:

The City is committed to and will affirmatively implement the following principles with respect to both the Original Area and the Amendment Area:

- A) The assurance of equal opportunity in all personnel and employment actions, with respect to the Redevelopment Project, including, but not limited to hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, etc., without regard to race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, source of income, or housing status.
- B) Developers must meet the City's standards for participation of 24 percent Minority Business Enterprises and 4 percent Woman Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.
- C) This commitment to affirmative action and nondiscrimination will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.
- D) Developers will meet City standards for any applicable prevailing wage rate as ascertained by the Illinois Department of Labor to all project employees.

The City shall have the right in its sole discretion to exempt certain small businesses, residential property owners and developers from the above.

APPENDIX C

119TH & HALSTED REDEVELOPMENT PROJECT AREA ELIGIBILITY STUDY – AMENDMENT NO. 2

Overview

On February 6, 2002 the City of Chicago City Council adopted the 119th and Halsted Tax Increment Financing Redevelopment Plan and Project (119th and Halsted TIF) followed by Amendment No. 1, adopted April 9, 2003 to amend language and data in the Redevelopment Plan and Project. At the time of original adoption, the 119th & Halsted TIF included substantially all the area that qualified for inclusion into the district. In the intervening years, conditions in the area south and east of the 119th and Halsted TIF declined. This decline accelerated due to the economic distress, foreclosures and increased vacancy brought about by the recession of 2007-2008. Conditions have not improved in recent years. Private sector investment is minimal and without public intervention, this area south and east of the 119th & Halsted TIF will continue to decline. As a result, the City of Chicago proposes to amend the 119th & Halsted TIF to expand the boundaries to the south and east, allowing the benefits of tax increment financing to be used to advance revitalization.

Camiros, Ltd. and Applied Real Estate Analysis (collectively referred to as the “Consultants”) have been engaged to determine whether the approximately 407 acres of land located to the south and east of the 119th and Halsted TIF qualifies for designation as a Redevelopment Project Area as either a “conservation area” or as a “blighted area” as set forth in the “Tax Increment Allocation Redevelopment Act” (65 ILCS 5/11-74.1 *et seq.*), as amended (the “Act”). The purpose of this study is to determine whether a portion of the City of Chicago identified as the Amendment Area qualifies for designation as a tax increment financing district within the definitions set forth under the Act. The Act provides municipalities with tools needed to foster revitalization in order to eliminate or reduce blighted or rapidly deteriorating areas through the implementation of a redevelopment plan. The Act authorizes the use of tax increment revenues derived in a redevelopment project area for the payment or reimbursement of eligible Redevelopment Project Costs.

The area proposed for designation as the 119th and Halsted Amendment No. 2 Amendment Area is hereinafter referred to as the “Study Area” and is shown in *Figure A: Study Area Boundary*. The 119th & Halsted TIF, adopted by the City Council on February 6, 2002, shall be hereafter referred to as the “Original Project Area.”

The Study Area is located entirely within the West Pullman Community Area. It is approximately 407 acres in size and consists of 2,450 tax parcels located on 86 full and partial tax blocks. The Study Area is comprised of two separate areas, the east area and the south area. The “east area” is located east of the Original Project Area, extending five blocks east of Wentworth Avenue one-half block north and south of 119th Street. The east area’s eastern limit terminates at the western property line of properties fronting onto Michigan Avenue. The “south area” is located south of the Original Project Area. The south area’s boundaries are irregularly shaped, with

boundaries generally defined Halsted Street and Carpenter Street on the west; Yale Street, the Major Taylor Trail and Union Street on the east, the Calumet River, 129th Street, 127th Street and 125th Street on the South, and the Original Project Area boundaries on the north.

This report summarizes the analyses and findings of the consultants' work, which is the responsibility of the consultants. The consultants have prepared this report with the understanding that the City would rely: 1) on the findings and conclusions of this report in proceeding with the designation of the Study Area as a redevelopment project area under the Act; and 2) on the fact that the consultants have obtained the necessary information to conclude that the Study Area can be designated as a redevelopment project area in compliance with the Act.

1. INTRODUCTION

The Tax Increment Allocation Redevelopment Act permits municipalities to induce redevelopment of eligible "blighted," "conservation" or "industrial park conservation areas" in accordance with an adopted redevelopment plan. The Act stipulates specific procedures, which must be adhered to, in designating a redevelopment project area. One of those procedures is the determination that the area meets the statutory eligibility requirements. At 65 Sec 5/11-74.-3(p), the Act defines a "redevelopment project area" as follows:

"... an area designated by the municipality, which is not less in the aggregate than 1-1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or combination of both blighted areas and conservation areas."

In adopting this legislation, the Illinois General Assembly found:

1. (at 65 Sec 5/11-74.4-2(a)) ...there exist in many municipalities within the State blighted, conservation and industrial park conservation areas...; and
2. (at 65 Sec 5/11-74.4-2(b)) ...the eradication of blighted areas and the treatment and improvement of conservation areas by... redevelopment projects is hereby declared to be essential to the public interest.

The legislative findings were made on the basis that the presence of blight, or conditions that lead to blight, is detrimental to the safety, health, welfare and morals of the public. The Act specifies certain requirements, which must be met, before a municipality may proceed with implementing a redevelopment project in order to ensure that the exercise of these powers is proper and in the public interest.

Before the tax increment financing technique can be used, the municipality must first determine that the proposed redevelopment area qualifies for designation as a "blighted area," "conservation area," or an "industrial park conservation area." Based on the conditions present, this Eligibility Report finds that the Study Area qualifies for designation as a conservation area.

Conservation Areas

A “conservation area” is an improved area located within the territorial limits of the municipality in which 50% or more of the structures have an age of 35 years or more. Such areas are not yet blighted but, because of a combination of three or more of the following conditions that are detrimental to the public safety, health, morals or welfare, may become a blighted area:

- Dilapidation
- Deterioration
- Obsolescence
- Presence of structures below minimum code standards
- Illegal use of individual structures
- Excessive vacancies
- Lack of ventilation, light or sanitary facilities
- Inadequate utilities
- Excessive land coverage and overcrowding of structures and community facilities
- Deleterious land use or layout
- Lack of community planning
- Environmental clean-up requirements
- Declining or stagnant equalized assessed value

The Act defines blighted and conservation areas and amendments to the Act also provide guidance as to when the conditions present qualify an area for such designation. Where any of the conditions defined in the Act are found to be present in the Study Area, they must be 1) documented to be present to a meaningful extent so that the municipality may reasonably find that the condition is clearly present within the intent of the Act, and 2) reasonably distributed throughout the vacant or improved part of the Study Area, as applicable, to which each condition pertains.

The test of eligibility of the Study Area is based on the conditions of the area as a whole. The Act does not require that eligibility be established for each and every property in the Study Area.

2. ELIGIBILITY STUDIES AND ANALYSIS

An analysis was undertaken to determine whether any or all of the blighting conditions listed in the Act are present in the Study Area, and if so, to what extent and in which locations. In order to accomplish this evaluation the following tasks were undertaken:

1. Exterior survey of the condition and use of each building;
2. Field survey of property conditions involving parking facilities, public infrastructure, site access, fences and general property maintenance;
3. Analysis of existing land uses and their relationships;
4. Comparison of surveyed buildings to zoning regulations;
5. Analysis of the current platting, building size and layout;
6. Analysis of building floor area and site coverage;
7. Review of previously prepared plans, studies, inspection reports and other data;
8. Analysis of real estate assessment data;
9. Review of available building permit records to determine the level of development activity in the area; and
10. Review of building code violations.

The exterior building condition survey and site conditions survey of the Study Area were undertaken in May and October of 2013. The analysis of site conditions was organized by tax block. There are a total of 2450 tax parcels and 1,991 principal buildings on 86 tax blocks within the Study Area.

Building Condition Evaluation

This section summarizes the process used for assessing building conditions in the Study Area. These standards and criteria were used to evaluate the existence of dilapidation or deterioration of structures.

The building condition analysis is based on a thorough exterior inspection of the buildings and sites conducted by Applied Real Estate Analysis, Inc. and Camiros, Ltd. in May and October of 2013. Structural deficiencies in building components and related environmental deficiencies in the Study Area were noted during the survey. A total of 1,991 principle buildings were identified and surveyed.

Building Components Evaluated

During the field survey, each component of the buildings in the Study Area was examined to determine whether it was in sound condition or had minor, major, or critical defects. Building components examined were of two types:

Primary Structural Components

These include the basic elements of any building: foundation walls, load-bearing walls and columns, roof, roof structures and facades.

Secondary Components

These are components generally added to the primary structural components and are necessary parts of the building, including exterior and interior stairs, windows and window units, doors and door units, interior walls, chimney, and gutters and downspouts.

Each primary and secondary component was evaluated separately as a basis for determining the overall condition of individual buildings. This evaluation considered the relative importance of specific components within a building and the effect that deficiencies in components will have on the remainder of the building.

Building Component Classification

The four categories used in classifying building components and systems and the criteria used in evaluating structural deficiencies are described below.

Sound

Building components that contain no defects beyond normal maintenance, are adequately maintained, and require no treatment outside of normal ongoing maintenance.

Minor Deficient

Building components containing minor defects (loose or missing material or holes and cracks over a limited area), which often may be corrected through the course of normal maintenance. Minor defects have no real effect on either the primary or secondary components and the correction of such defects may be accomplished by the owner or occupants. Examples include tuckpointing masonry joints over a limited area or replacement of less complicated components. Minor defects are not considered in rating a building as structurally substandard.

Major Deficient

Building components containing major defects over a widespread area, which would be difficult or costly to correct through normal maintenance. Buildings in the major deficient category would require replacement or rebuilding of components by people skilled in the building trades.

Dilapidated

Building components containing severe defects (bowing, sagging, or settling to any or all exterior components causing the structure to be out-of-plumb, or broken, loose or missing material and deterioration over a widespread area) so extensive that the cost of repair would be excessive. The cost of repairs needed to bring such buildings into sound condition would likely exceed the value of the building and would not represent a prudent use of funds.

Final Building Ratings

Sound

Sound buildings can be kept in a standard condition with normal maintenance. Buildings so classified have no minor defects.

Deteriorated

Deteriorated buildings contain defects that collectively are not easily correctable and cannot be accomplished in the course of normal maintenance. Buildings classified as deteriorated have more than one minor defect, but no major defects.

Dilapidated

Structurally substandard buildings contain defects that are so serious and so extensive that the building may need to be removed. Buildings classified as dilapidated or structurally substandard have two or more major defects.

Eligibility Determination

In order to establish the eligibility of a redevelopment project area under the “conservation area” criteria established in the Act, at least 50% of buildings must be 35 years of age or older and at least three of 13 eligibility conditions must be meaningfully present and reasonably distributed throughout the Study Area.

The determination of the eligibility conditions being present to a meaningfully extent varies with each eligibility condition. The presence of some eligibility conditions exerts a stronger impact on the health of a community than others. For example, dilapidation, which is a severely advanced state of building deterioration, exerts a stronger blighting influence than simple deterioration. Consequently, the threshold for dilapidation being present to a major extent is lower than that of deterioration. Less incidence of dilapidation is required to make it present to a major extent relative to deterioration. The determination of presence to a major extent is presented in the individual assessment of each eligibility condition within this Appendix C.

Each condition identified in the Act for determining whether an area qualifies as a conservation area is discussed below. A conclusion is presented as to whether or not the condition is present in the Study Area to a degree sufficient to warrant its inclusion as a blighting condition in establishing the eligibility of the Study Area for designation as a redevelopment project area under the Act. These findings describe the conditions that exist and the extent to which each condition is present.

3. PRESENCE AND DISTRIBUTION OF ELIGIBILITY CONDITIONS

This *Eligibility Study* finds that the Study Area qualifies for designation as a conservation area under the criteria contained in the Act. The Study Area qualifies because the required age threshold is satisfied with 97% of buildings being at least 35 years of age and because six of the thirteen conditions cited in the Act are meaningfully present and reasonably distributed within the Study Area. These conditions are as follows:

- Deterioration
- Obsolescence
- Excessive vacancies
- Excessive land coverage or overcrowding of community facilities
- Lack of community planning
- Lagging or declining equalized assessed valuation

The presence and distribution of eligibility conditions related to the qualification of the Study Area for designation as an improved conservation area are presented below. Maps of the first six of these eligibility conditions are presented at the end of this Appendix C, along with a map of building age. The distribution of these conditions within the Study Area is presented in *Table B: Distribution of Conservation Area Eligibility Conditions* of this Appendix C. *Figure B: Existing Land Use*, provides context for the eligibility study by illustrating the pattern of existing land use within the Amendment Area.

Age

The Study Area contains a total of 1,991 principal buildings, with 1,931 of these identified as having been built in 1978 or earlier. Thus, the required age threshold is met with 97% of buildings being 35 years of age or older. Building age is shown graphically on Figure C.

Conservation Area Eligibility Conditions

The presence and distribution of eligibility conditions related to the qualification of the Study Area for designation as a conservation area are discussed below.

1. Dilapidation

As defined in the Act, “dilapidation” refers to an advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that rehabilitation is not practical or economically feasible. Such structures typically exhibit major structural fatigue such as leaning or warped walls, severe cracking in walls and foundations, and bowed or sagging roofs.

Dilapidation was found to be present to a minor extent within the Study Area, affecting 26 tax blocks, representing 30% of total tax blocks in the Study Area. A total of 59 principal buildings were classified as dilapidated during the eligibility analysis, representing 3% of all buildings. The relatively small numbers of blighted buildings belies the significance of dilapidation within the Study Area. Dilapidated buildings are safety hazards and facilitate various types of criminal activity. The presence of dilapidated buildings is a very visible signal of neighborhood decline and serves as a disincentive for property maintenance and reinvestment. Even one dilapidated property on a block can have negative consequences on other properties. The blighting influence of dilapidated buildings is so strong that such buildings cannot be allowed to stand, to perpetuate blight within the neighborhood, and are demolished. For this reason, dilapidated buildings are not found in great numbers in a neighborhood. The vast majority of the 234 vacant lots currently within the Study Area were once dilapidated buildings that have been demolished. Dilapidated buildings are part of the progression of physical deterioration, which starts with deferred maintenance, then advances to building deterioration, and finally results in dilapidation, necessitating demolition and producing vacant lots. Thus, despite of the relatively low numbers of dilapidated buildings in the Study Area, this factor was found to be present to a minor degree, and contributes to qualifying the area as a “blighted area.”

Conclusion: This condition was found in 31% of the tax blocks, and therefore, was determined to be present to a minor extent and was not used to qualify the Study Area for designation as a blighted area under the Act.

2. Deterioration

Based on the definition given by the Act, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. As defined in the Act, “deterioration” refers to, with respect to buildings, defects including but not limited to major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas are deteriorated, including but not limited to surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

Deterioration was found to be present to a major extent within the Study Area, affecting 81 tax of 86 blocks, or 94% of tax blocks in the Study Area. A total of 896 parcels were found to evidence deterioration in buildings or property improvements, representing 45% of all buildings. These buildings exhibit deterioration with respect to principal and/or accessory buildings, site improvements and adjacent deteriorated right-of-way conditions, which can take the form of streets without curbs and gutters, deteriorated pavement on public streets, alleys, sidewalks as well as cracked and crumbling curbs and gutters. The vast majority of deterioration found in the Study Area was related to deteriorated building components, including cracks in foundation and brick walls, rotten or sagging wood façades, deteriorated or broken windows and doors, deteriorated roof components and porches, and cracked or missing surface tile or brick. The presence of dilapidation is shown graphically on Figure D.

Conclusion: This condition was found in 94% of the tax blocks, and therefore, was determined to be present to a major extent and was used to qualify the Study Area for designation as a blighted area under the Act.

3. Obsolescence

As defined in the Act, “obsolescence” refers to “the condition or process of falling into disuse, or where structures have become ill suited for the original use”. Obsolescence can occur in response to a variety of factors. Most often, the standard of improvement for given uses improves, or becomes higher, over the course of time. Uses that are not improved or upgraded over the course of time often become obsolete. Market forces play a large role in the process of obsolescence. When the market for particular uses declines, there is little or no financial incentive to make improvement to properties. In the absence of improvements made over the course of time, properties fall further and further behind the current standard and become obsolete.

Obsolete buildings contain characteristics or deficiencies that limit their long-term sound use or reuse. Obsolescence in such buildings is typically difficult and expensive to correct. Obsolete building types have an adverse affect on nearby and surrounding development and detract from the physical, functional and economic vitality of the area.

Obsolescence was found to be present to a major extent in the Study Area, affecting 75 tax blocks, or 87% of tax blocks in the Study Area. A total of 697 buildings/properties were found to be obsolete, representing 35% of all buildings. The most significant form of obsolescence is represented in older residential buildings, mostly single-family dwellings. These residential buildings evidence obsolescence by virtue of some or all of the following conditions: a) buildings spaced too closely together; b) outdated in terms of size/layout; c) poor building condition/lack of maintenance and upgrades; and d) building age (built in 1930 or before). In general, the types of residential buildings possessing these characteristics are far below the current standard for residential design and construction. The analysis of obsolescence conducted determined that properties with two or more of these conditions constituted obsolescence. The residential areas where obsolescence was most concentrated are areas where building took place prior to annexation to Chicago and prior to the adoption of any zoning code.

Economic obsolescence is also present. These housing units do not compete well in the market for buyers and renters because they are far below the modern housing standard. There is reduced incentive to reinvest in these buildings in terms of maintenance and renovation due to the outdated layouts and generally poor quality of construction. The result is increasing building deterioration, which leads to dilapidation and, eventually, demolition. The presence of obsolescence is shown graphically on Figure E.

In addition to older residential buildings, this condition is also evidenced by obsolete commercial buildings/properties, and to a lesser extent, industrial properties. Properties along 119th Street in the east portion of the Study Area, and along Halsted Street in the south portion of the Study Area, are predominantly obsolete. Obsolescence along 119th Street is a function of this street losing its viability as a commercial district. This occurred at least 20 years ago, and buildings originally designed for commercial use are no longer well suited to market conditions. Vacancy within such commercial buildings is widespread. Residential buildings along 119th Street are

also predominantly obsolete because they meet the criteria outlined above for obsolete residential buildings.

In the south area, Halsted Street has also been affected by a declining commercial market and the resulting loss of viability. The commercial viability of Halsted Street, while fairly strong further to the north, declines as one approaches the Calumet River. South of the Calumet River, in the City of Calumet Park, there are no commercial uses on Halsted Street, but rather a forest preserve, a golf course and other non-commercial and non-residential uses. The absence of residential use along the Halsted Street Corridor south of the Calumet River reduces consumer support for commercial uses within the Study Area. The commercial district terminates at the Calumet River and market support for commercial use along Halsted Street is weak. The location of the Cedar Park Cemetery, which occupies the west side of Halsted Street from 123rd Street to 127th Street, acts to further weaken market demand by separating area residents from Halsted Street and diluting the synergy of the commercial district. The presence of religious institutions, vacant land and buildings, and auto repair/used car sales is clear evidence that the market for commercial use along the Halsted Street Corridor is weak.

Conclusion: This condition was found in 87% of the tax blocks, and therefore, was determined to be present to a major extent and was used to qualify the Study Area for designation as a blighted area under the Act.

4. Presence of Structures Below Minimum Code Standards

As defined in the Act, the “presence of structures below minimum code standards” refers to all structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

As referenced in the definition above, the principal purposes of governmental codes applicable to properties are to require buildings to be constructed in such a way as to sustain safety of loads expected from the type of occupancy; to be safe for occupancy against fire and similar hazards; and/or to establish minimum standards essential for safe and sanitary habitation. Structures below minimum code standards are characterized by defects or deficiencies that threaten health and safety.

Evidence of structures below minimum code standards was not found to be present to a major extent.

Conclusion: This condition was not found to be present within the Study Area and was not used to establish eligibility as a blighted area under the Act.

5. Illegal Use of Structures

There is an illegal use of a structure when structures are used in violation of federal, state or local laws.

Conclusion: This condition was found to be present within the Study Area to a limited degree and was not used to establish eligibility as a blighted area under the Act.

6. Excessive Vacancies

As defined in the Act, “excessive vacancies” refers to the presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies. Excessive vacancies include all or portions of buildings listed as for rent or sale where the space is unoccupied, abandoned properties that show no apparent effort directed toward their occupancy, or buildings that are vacant because they are dilapidated or structurally unsound.

Vacant buildings and vacant lots are widespread within the Study Area. There are a total of 234 vacant lots and 175 partially or completely vacant buildings within the Study Area, representing 9.5% of the total tax parcels and 8.8% of the total number of principal buildings. There are a total of 67 tax blocks containing vacant buildings within the Study Area, or 78% of the total number of tax blocks. Vacancy in buildings often occurs because the condition of the building is poor. Once vacant, the condition of the building often deteriorates until it is dilapidated and beyond rehabilitation. Thus, vacant lots are often a consequence of vacant buildings.

In addition to vacant residential buildings, vacancy within commercial storefront space is widespread, indicative of a weak retail market in certain areas. This is compounded by the fact that many of the vacant and underutilized buildings within the Study Area are also suffering from deterioration and obsolescence. Evidence of long-term vacancy is prevalent on particular sites, where weeds protrude through pavement and rotting boards cover windows. The presence of dilapidation is shown graphically on Figure F.

Conclusion: This condition was found in 78% of the tax blocks, and therefore, was determined to be present to a major extent and was used to qualify the Study Area for designation as a blighted area under the Act.

7. Lack of Ventilation, Light, or Sanitary Facilities

As defined in the Act, “lack of ventilation, light, or sanitary facilities” refers to the absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refer to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

Conclusion: This condition was not identified as being present within the Study Area and was not used to establish eligibility as a blighted area under the Act.

8. Inadequate Utilities

As defined in the Act, “inadequate utilities” refers to underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

All properties within the Study Area are presently served by appropriate utilities. However, given the age of the area it is likely that some of these utilities are antiquated and in need of replacement. However, information needed to fully document the presence of this condition within the Study Area was not available.

Conclusion: The degree to which this condition is present within the Study Area was not documented as part of the eligibility analysis. Thus, the extent to which this condition may be present in the Study Area is unknown.

9. Excessive Land Coverage or Overcrowding of Community Facilities

As defined in the Act, “excessive land coverage or overcrowding of structures and community facilities” refers to the over-intensive use of property and the crowding of buildings and accessory facilities within a given area. Examples of problem conditions warranting the determination of an area as exhibiting excessive land coverage are (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: a) insufficient provision for light and air within or around buildings; b) increased threat of spread of fire due to the close proximity of buildings; c) lack of adequate or proper access to a public right-of-way; d) lack of reasonably required off-street parking; or e) inadequate provision for loading and service.

This condition is present to a major degree within the Study Area. This condition is present on 72 tax blocks, or 84% of the total tax blocks in the Study Area. A total of 762 buildings evidenced excessive land coverage, representing 38% of all buildings. In many cases, the condition is present on many, or most, of the properties on a tax block. The presence of excessive land coverage is shown graphically on Figure G.

A variety of conditions were found that met the criteria for this factor, as defined in the Act, as shown on Figure H. The most common condition was residential buildings positioned too closely together and creating an increased threat of spread of fire. The properties identified on Figure 4 as representing an increased risk of fire exhibit the following characteristics:

- Buildings with less than five feet of separation to an adjacent building.
- Buildings of frame construction, with wood or vinyl side, and highly combustible.
- Buildings with windows opening onto the area of inadequate building separation.

These characteristics clearly represent an increased risk of fire and do not meet modern standards for fire suppression. Current zoning standards require at least a three foot side yard for each building, and current building codes typically require more separation, depending on construction type, openings and other factors. In addition, residential buildings without adequate separation impact livability and market desirability. It is noteworthy that the areas within the Study Area with the highest concentrations of excessive land coverage area also those with the highest levels of vacant land/lots, vacant buildings and building deterioration.

Other characteristics were also found in the Study Area that met the criteria defined in the Act. The characteristic of properties lacking reasonably required parking was found on many of the commercial buildings/properties in the Study Area. Because the pattern of development in the Study Area is of a low-density nature, commercial trade depends on automobile traffic and commercial properties without parking are functionally deficient. Also, a small number of properties exhibited the characteristic in which the close spacing of adjacent buildings impaired the provision of air and light.

Conclusion: This condition was found in 84% of the tax blocks, and therefore, was determined to be present to a major extent and was used to qualify the Study Area for designation as a blighted area under the Act.

10. Deleterious Land Use or Layout

As defined in the Act, “deleterious land-use or layout” refers to the existence of incompatible land-use relationships, buildings occupied by an inappropriate mix of uses, uses considered to be noxious, offensive, or unsuitable for the surrounding area, uses which are non-conforming with respect to current zoning, platting which does not conform to the current land use and infrastructure pattern, parcels of inadequate size or shape for contemporary development, and single buildings located on multiple parcels which have not been consolidated into a single building site.

Deleterious land use or layout was found to be present to a limited extent and does not affect a majority of tax blocks within the Study Area. This condition is evidenced by the presence of single buildings which cover multiple smaller parcels that have not been consolidated, as well as the presence of closely spaced commercial buildings which are of inadequate size in comparison to contemporary development. In addition, the presence of vacant land and buildings and the duration to which these properties have been vacant also have a deleterious effect on adjacent property. Several other factors contribute to deleterious conditions in the Study Area as well. A total of five properties were found to evidence deleterious land use, which took the form of incompatible uses in residential areas

Conclusion: This condition was found to be present to a limited extent within the Study Area. Therefore, this condition was not used to qualify the Study Area as a blighted area under the Act.

11. Environmental Clean-Up Requirements

As defined in the Act, “environmental clean-up” means that the area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency

remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or Federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area. Existing data was not found to substantiate the presence of significant environmental clean-up requirements, although it is very possible that industrial and former industrial uses located along the freight rail tracks contain hazardous material that requires remediation.

Conclusion: The degree to which this condition is present within the Study Area was not documented as part of the eligibility analysis. Thus, the extent to which this condition may be present in the Study Area is unknown.

12. Lack of Community Planning

As defined in the Act, “lack of community planning” means that the proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area’s development. This condition must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

The Study Area is located entirely within in the West Pullman Community Area. Early development of this area began in the 1850’s, and occurred well outside the limits of the City of Chicago at that time. Early development of the area took place in a number of distinct communities, including Kensington and the Village of Gano. Over time, the area became closely linked with the Town of Pullman, located directly to the east. In 1889, this area along with the Town of Pullman and other portions of what is now the South Side were annexed into the City of Chicago.

Much of the eastern portion of the Study Area was already developed when it was annexed into the City of Chicago in 1889. More than twenty years of additional development occurred before the adoption of the City’s first zoning ordinance in 1923. In addition, substantial development occurred before the Burnham *Plan of Chicago* in 1909. Therefore, this condition was found to be present to a major extent, affecting the Study Area as a whole.

It should be noted that the Study Area has benefited from community planning in recent times. However, many of the conditions that now plague the area are the result of original development, which occurred without the benefit of sound community planning. Therefore, while significant planning investment has been made in the Study Area over recent decades, original development done without the benefit of sound community planning has contributed significantly to the Study Area’s current problems.

Conclusion: This condition was found to be present to a major extent within the Study Area. Therefore, this condition was used to qualify the Study Area as a blighted area under the Act.

13. Lagging or Declining Equalized Assessed Value

As defined in the Act, this condition is present when the Study Area can be described by one of the following three conditions 1) the total equalized assessed value ("EAV") has declined in three of the last five years; 2) the total EAV is increasing at an annual rate that is less than the balance of the municipality for three of the last five calendar years; or 3) the total EAV is increasing at an annual rate that is less than the Consumer Price Index for all Urban Consumers published by the United States Department of Labor or successor agency for three of the last five calendar years for which information is available. Table A: Comparison of EAV Growth to Consumer Price Index (CPI) compares the annual change in EAV of the Study Area with the balance of the City.

As shown in Table A, the total increase in EAV of property within the Study Area has lagged behind the increase in the Consumer Price Index (CPI) for All Urban Consumers in three of the last five years (2010, 2011, and 2012). While the Study Area's EAV declined in certain years, and lagged behind that of the City as a whole in certain years, the three years in which the Study Area's change in EAV was less than that of the CPI is the measure of EAV performance that meets the eligibility requirements of the Act. Therefore, this condition is present to a major extent, affecting the Study Area as a whole.

Table A

COMPARISON OF EAV GROWTH TO CONSUMER PRICE INDEX (CPI)

Year	Total EAV of Study Area		CPI Change, January; All Urban Consumers		Is the Study Area growing at a rate less than the CPI?
	EAV	Change	Index Level	Change*	
2012	\$122,899,900	-13.1%	230.280	1.6%	Yes
2011	\$153,676,943	-12.1%	226.665	2.9%	Yes
2010	\$164,402,950	1.0%	230.223	1.6%	Yes
2009	\$164,177,595	4.5%	216.687	2.6%	No
2008	\$153,240,696	10.0%	211.143	0.04%	No
2007	\$144,816,841		211.080

Conclusion: Lagging or declining equalized assessed value is meaningfully present and reasonably distributed affecting the entire Study Area, consistent with the definition contained in the Act. Therefore, this condition was used to qualify the Study Area as a blighted area under the Act.

Eligibility Analysis Summary

On the basis of the above review of current conditions, the Study Area meets the criteria for qualification as a blighted area. More than 50% of the buildings within the Study Area are 35 years of age or older. A minimum of five of the thirteen eligibility factors are required to qualify as a blighted area under the Act, once this age threshold is met. The Study Area exhibits the presence of six of the thirteen blighted area eligibility factors to a major extent, as defined by the Act. These conditions are meaningfully present and reasonably distributed within the Study Area, as determined in the individual analysis of each eligibility condition.

Table B: Summary of Blighted Area Eligibility Conditions summarizes the presence and distribution of the conditions applicable to eligibility of the Study Area as blighted area. This summary demonstrates the degree to which these conditions are meaningfully present and reasonably distributed within the Study Area.

AUTHORIZATION FOR AMENDMENT NUMBER ONE TO 119TH
AND HALSTED REDEVELOPMENT PROJECT AREA
REDEVELOPMENT PLAN AND PROJECT.

The Committee on Finance submitted the following report:

CHICAGO, April 9, 2003.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing an amendment to the 119th and Halsted Redevelopment Project Area concerning the Equalized Assessed Valuation Table, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a *viva voce* vote of the members of the Committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yea -- Aldermen Granato, Haithcock, Tillman, Preckwinkle, Hairston, Lyle, Beavers, Stroger, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Cat-others, Wojcik, Matlak, Mell, Austin, Colom, Banks, Allen, Laurino, Doherty, Natarus, Daley, Tunney, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 47.

Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to ordinances adopted on February 6, 2002, and published in the *Journal of the Proceedings of the City Council* for such date (the "Journal of Proceedings") at pages 78512 to 78658, and in accordance with the provisions of the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended (the "Act"), the City Council (the "Corporate Authorities") of the City of Chicago (the "City"): (i) approved a redevelopment plan and project (the "Plan") for a portion of the City known as "119th and Halsted Redevelopment Project Area" (the "Area") (the "Plan Ordinance"); (ii) designated the Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Area; and

WHEREAS, Section 5/11-74.4-3(n)(F) of the Act requires a redevelopment plan to include the most recent equalized assessed valuation ("E.A.V.") of a redevelopment project area; and

WHEREAS, The Plan, attached as Exhibit A to the Plan Ordinance, included the 1999 E.A.V. and contemplated in Section 8 of the Plan that if the 2000 E.A.V. became available prior to the date of the adoption of the Plan by the City Council, then the City would update the Plan by replacing the 1999 E.A.V. with the 2000 E.A.V. in order to comply with the Act; and

WHEREAS, The 2000 E.A.V. became available prior to the date of the adoption of the Plan Ordinance by the City Council, but after the Plan had been submitted to the Community Development Commission to set a public hearing pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, and was not inserted in the Plan prior to its adoption by ordinance; and

WHEREAS, The Corporate Authorities desire to amend the Plan to update the E.A.V. to conform the Plan to Section 11-74.4-3(n)(F) of the Act, and to make other, minor changes; and

WHEREAS, Section 5/1 1-74.4-5(c) of the Act permits amendments for such changes to a redevelopment plan to be made without a public hearing, provided that the City shall give notice of such changes by mail to each affected taxing district and each registrant in the interested parties registry for the Area, and by publication in a newspaper of general circulation within the affected taxing district not later than ten (10) days following the adoption by ordinance of such changes; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof.

SECTION 2. Amendments To Redevelopment Plan. The City, pursuant to Section 5/1 1-74.4-5 of the Act, hereby amends the Plan, as previously published in the *Journal of Proceedings*, by the amendments set forth in Exhibit A attached hereto and approves the Plan, as amended, the amended version of which is attached hereto as Exhibit B.

SECTION 3. Invalidity Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 4. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

Exhibits "A" and "B" referred to in this ordinance read as follows:

Exhibit "A".
(To Ordinance)

Amendments To The Plan.

The Plan, as previously published in the *Journal of the Proceedings of the City Council* for February 6, 2002 (the "*Journal of Proceedings*") at pages 78512 to 78658, is hereby amended as follows. Page number references refer to the page numbers in such *Journal of Proceedings*.

- (1) The date of the Plan shall be "June 29, 200 1, Revised as of January 24, 2003".
- (2) The first two (2) sentences in the last paragraph of Section 3 of the Plan, entitled, "Eligibility of the Project Area for Designation as a Blighted Area", which appear on page 78527, are hereby amended to state:

"Despite the lack of private sector investment, equalized assessed value (E.A.V.) within the Area grew from approximately Fifteen Million Eight Hundred Thousand Dollars (\$15,800,000) in 1996 to Eighteen Million Seven Hundred Thousand Dollars (\$18,700,000) in 2000. However, for this period, the E.A.V. of the Area grew at a slower rate (seventeen and seven-tenths percent (17.7%)) than that of the City (thirty-three and one-tenth percent (33.1%))."

- (3) The first paragraph in the subsection, entitled, "Most Recent Equalized Assessed Valuation", in Section 8 of the Plan, which appears on page 78544, is hereby amended in its entirety to state:

"The purpose of identifying the most recent equalized assessed valuation ("E.A.V.") of the Project Area is to provide an estimate of the initial E.A.V., which the Cook County Clerk will certify for the purpose of annually calculating the incremental E.A.V. and incremental property taxes of the Project Area. The 2000 E.A.V. of all taxable parcels in the Area is Eighteen Million Six Hundred Eighty-nine Thousand Thirty-four Dollars (\$18,689,034). This total E.A.V. amount by P.I.N. is summarized in Appendix D. The E.A.V. is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk and shall become the Certified Initial E.A.V. from which all incremental property taxes in the Area will be calculated by Cook County."

- (4) The second paragraph in the subsection, entitled "Most Recent Equalized Assessed Valuation", in Section 8 of the Plan, which appears on page 78545, is hereby deleted in its entirety.
- (5) Table A, entitled, "Comparative Increases in E.A.V.", in Appendix C of the Plan, which appears on page 78574, is hereby amended in its entirety to state:

	2000	1999	1998	1997	1996
Property within the Study Area	\$18,689,034 4.5%	\$17,878,188 6.5%	\$16,784,870 -1.7%	\$17,073,159 8.1%	\$15,799,509 -0.5%
City of Chicago	14.5%	4.2%	1.7%	8.4%	1.2%

- (6) Appendix D of the Plan, entitled "Initial Equalized Assessed Value (E.A.V.) of Property Within the 119th and Halsted Redevelopment Project Area", which appears on page 78582, shall be amended by updating the E.A.V. dollar amount for each parcel, or Property Identification Number, from the 1999 value to the 2000 value. A copy of such updated appendix is included in the amended Plan, attached to this ordinance as Exhibit B.

Exhibit "B".

11 9th And Halsted Redevelopment Project Area

Redevelopment Plan And Project.

June 29, 2001

Revised January 24, 2003

1.

Introduction.

This document presents a Tax Increment Redevelopment Plan and Project (hereinafter referred to as the "Plan") pursuant to the Tax Increment Allocation Redevelopment Act (65 ILCS 5/1 1-74.4-1, et seq.) (1996 State Bar Edition), as amended (the "Act") for the 119th And Halsted neighborhood located in the City of Chicago, Illinois (the "Project Area"). The Project Area is adjacent to the existing West Pullman Industrial Park Conservation Area. The Project Area boundaries are

irregular, generally extending north/south along South Halsted Street from West 11 1th Street to West 123rd Street and east/west along West 119th Street from South Wentworth Avenue to South Morgan Street. The Project Area is comprised largely of commercial property, which is the predominant use along both South Halsted Street and West 1 19th Street. It should be noted that a significant amount of residential use is also present within the Project Area, located largely south of West 119th Street and east of South Halsted Street. The Plan responds to problem conditions within the Project Area and reflects a commitment by the City of Chicago (the "City") to improve and revitalize the Project Area.

The Plan presents research and analysis undertaken to document the eligibility of the Area for designation as a "conservation area" tax increment financing ("T.I.F.") district. The need for public intervention, goals and objectives, land-use policies and other policy materials are presented in the Plan. The results of a study documenting the eligibility of the Area as a conservation area are presented in Appendix C, Eligibility Study, (the "Study").

In adopting the Act, the Illinois State Legislature found at 5/ 11-74.4-2(a) that:

... there exist in many municipalities within this State blighted, conservation and industrial park **conservation** areas as defined herein; that the conservation areas are rapidly deteriorating and declining and may soon become blighted areas if their decline is not checked. . .

and at 5/11-74.4-2(b) that:

... in order to promote and protect the health, safety, morals and welfare of the public, that blighted conditions need to be eradicated and conservation measures instituted, and that redevelopment of such areas be undertaken. . . The eradication of blighted areas and treatment and improvement of conservation areas and industrial park conservation areas by redevelopment projects is hereby declared to be essential to the public interest.

In order to use the tax increment financing technique, a municipality must first establish that the proposed redevelopment project area meets the statutory criteria for designation as a "blighted area", a "conservation area" or an "industrial park conservation area". A redevelopment plan must then be prepared which describes the development or redevelopment program intended to be undertaken to reduce or eliminate those conditions which qualified the redevelopment project area as a "blighted area", "conservation area", or combination thereof, or "industrial park conservation area", and thereby enhance the tax bases of the taxing districts which extend into the redevelopment project area. The statutory requirements are set out at 65 ILCS 5/ 1 1-74.4-3, et seq.

The Act provides that, in order to be adopted, a Plan must meet the following conditions under 5/ 11-74.4-3(n):

(1) the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise and would not be reasonably anticipated to be developed without the adoption of the redevelopment plan, (2) the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of one hundred thousand (100,000) or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i) conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality, or (ii) includes land uses that have been approved by the planning commission of the municipality, (3) the redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs (which dates shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in Section 8(b) of the Act is to be made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year after the year in which the ordinance approving the redevelopment project area is adopted), (4) in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area, and (5) if any incremental revenues are being utilized under Section 8a(1) or 8a(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986 the municipality finds (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

Redevelopment projects are defined as any public or private development projects undertaken in furtherance of the objectives of the redevelopment plan.

The City authorized an evaluation to determine whether a portion of the City to be known as the 119th and Halsted Redevelopment Area qualifies for designation as a "blighted area", pursuant to the provisions contained in the Act. If the Area so qualified, the City requested the preparation of a redevelopment plan for the Area in accordance with the requirements of the Act.

The 119th And Halsted Redevelopment Project Area.

The Project Area is approximately one hundred eighty-three (183) acres in size and includes eight hundred twenty-two (822) contiguous parcels and public rights-of-

way. Much of the Project Area is characterized by:

- buildings over the age of thirty-five (35) years
- deleterious land-use and layout
- deterioration of buildings, site improvements and rights-of-way
- dilapidation of buildings
- inadequate access to public rights-of-way
- excessive vacancies in terms of vacant lots and vacant buildings
- unused railroad rights-of-way
- other blighting characteristics

As a result of these conditions, the Project Area is in need of redevelopment, rehabilitation and/or revitalization. In recognition of the unrealized potential of the Project Area, the City is taking action to facilitate its revitalization.

The purpose of the Plan is to create a mechanism to allow for the development of new commercial and public facilities on existing vacant and underutilized land, the redevelopment and/or expansion of existing businesses, the redevelopment of obsolete land uses, and the improvement of the area's physical environment and infrastructure. The redevelopment of the Project Area is expected to encourage economic revitalization within the community and the surrounding area.

The Project Area as a whole has not been subject to growth and development by private enterprise and would not reasonably be anticipated to be developed without the adoption of the Plan. The eligibility analysis, attached hereto as Appendix C, concluded that property in this area is experiencing deterioration and disinvestment. The analysis of conditions within the Project Area indicates that it is appropriate for designation as a "blighted area" in accordance with the Act.

The Plan summarizes the analyses and findings of the consultant's work, which unless otherwise noted, is solely the responsibility of Camiros, Ltd. and its subconsultants. Camiros, Ltd. has prepared this 119th and Halsted Redevelopment Plan and Project and the related eligibility report with the understanding that the City would rely (i) on the findings and conclusions of the Plan and the related eligibility report in proceeding with the designation of the Project Area and the adoption and implementation of the Plan, and (ii) on the fact that Camiros, Ltd. has obtained the necessary information so that the Plan and the related eligibility report will comply with the Act.

The Plan has been formulated in accordance with the provisions of the Act. This document is a guide to all proposed public and private actions in the Project Area.

2.

Project Area Description.

The land to be designated as the 119th and Halsted Redevelopment Project Area (the "Project Area") is shown in Figure 1, Boundary Map. The Project Area is approximately one hundred eighty-three (183) acres in size, including public rights-of-way. A legal description of the Project Area is included as Appendix B of this document. The Project Area is adjacent to the West Pullman Industrial Conservation Area. The Project Area includes only contiguous parcels and qualifies for designation as a "blighted area". The proposed Project Area includes only that area that is anticipated to be substantially benefited by the proposed redevelopment project improvements.

The general area has been the subject of two (2) planning studies in recent years. The South Halsted Street Corridor Plan, completed in 1999, establishes a broad vision for the area, which would consist of new commercial development on vacant/underutilized land as well as rehabilitated housing and new housing development. The Plan also calls for improvements to public infrastructure, aesthetic enhancements and new/upgraded public facilities. The second study was the 119th and Halsted Redevelopment Area Eligibility Study and Redevelopment Plan, completed in May of 1998. The boundaries of that plan are essentially the same as the boundaries for this tax increment financing district. Many of the policies of the Plan, including land-use and acquisition policies, are based on aforementioned 119th and Halsted Redevelopment Area designation.

Community Background.

The Project Area lies primarily within the West Pullman Community Area, although a small portion extends into the Roseland and Morgan Park Community Areas. The Project Area is adjacent to the West Pullman Industrial T.I.F. district. The community was initially settled in the 1830s but did not experience rapid growth until the later 1800s when the Illinois Central and Michigan Central Railroads were developed and industries such as the Pullman Palace Car were established. Industrial development in the general area began with the development of the West Pullman Land Association, which purchased land between Wentworth Avenue and Halsted Street from 115th Street to 119th Street.

The first of many waves of immigrants from Europe settled in the West Pullman community in the early 1900s. After World War II, the population grew from twenty-nine thousand (29,000) in 1950, peaking at forty-five thousand (45,000) in 1980. However, in 1970 a major demographic change began to occur, and in 1990, ninety-four percent (94%) of West Pullman was African-American. West Pullman's population declined to just under forty thousand (40,000) by 1990. This decline in population was accompanied by a decline in housing units from twelve thousand two hundred eighty-one (12,281) in 1980 to eleven thousand nine hundred nineteen (11,919) in 1990.

After World War II, housing development boomed and reflected a style more common to suburban development. In 1990, the percent of owner-occupied housing in the West Pullman Community Area reached an all time high at seventy-two percent (72%), comparable to suburbs. The 1990 median value of owner-occupied homes in the West Pullman community (Fifty-nine Thousand Two Hundred Seventy Dollars (\$59,270)) is generally higher than those in surrounding neighborhoods.

The 1990 median family income in West Pullman was higher than the median for the City as a whole. However, the unemployment rate for the community area has consistently been higher than the City average. The skill level of employed persons within West Pullman, however, is high with fifty-four percent (54%) being white collar workers.

Several large industries within the broader area, including International Harvester and Dutch Boy Paints, relocated their factories and operations to the suburbs. Other businesses, however, have remained in the area, including Carl Buddig and Company and other smaller manufacturing businesses. The net result of industrial relocation has been a significant loss of local jobs, especially well paying industrial sector jobs.

Current Land-Use And Zoning.

The current land-use within the Project Area consists of commercial, residential, institutional/public, industrial and mixed-use property. A large amount of vacant land is also present. Commercial use is concentrated along Halsted Street and 119th Street. Residential use is located primarily south and east of the 119th Street and Halsted Street frontages. Institutional/public uses take the form of places of worship, a public school, and a Chicago Housing Authority office and warehouse, which for the most part, are located on the main arterial streets of 119th and Halsted Street. Industrial uses are scattered throughout the Project Area, with older uses

located along the former railroad line. The current configuration of land-use is represented in Figure 3, Existing Land-Use, while the current zoning is shown in Figure 4, Existing Zoning.

Current zoning generally reflects the pattern of existing land-use. One exception is the presence of a few remnant commercial buildings along 120th Street in spite of the R4 district zoning. Another inconsistency involves a small area on the west side of Halsted Street between 116th Street and 117th Street, which is currently used for commercial/industrial use but is zoned R3. Other relatively minor use nonconformities exist within the Project Area.

Conditions within the Project Area include a series of improvement challenges. The Project Area contains a high proportion of vacant lots and buildings. While this condition exists throughout the Project Area, the highest concentration exists along 119th Street, 120th Street and the residential property between these (2) two streets. Several decades ago, 119th Street and 120th Street were thriving commercial streets. As land-use and transportation characteristics changed, commercial use became unsustainable and property along these streets began to decline. The negative effects of declining commercial property affected the adjacent residential property. Combined with a prevailing building age of approximately eighty (80) years, the lack of maintenance and reinvestment resulting in a deterioration and vacancy. Today, deterioration, vacant lots and vacant buildings are widespread throughout the Project Area.

Transportation Characteristics.

Transportation facilities within the Project Area include a commuter rail and the local street system. One (1) current railroad line and one (1) former railroad line exist in the Project Area. The current railroad line is Metra's electric rail commuter service between Chicago and Blue Island. A Metra commuter station is located on Halsted Street at 12 1st Street. This is a commuter only line and carries no freight service. Another railroad right-of-way, that of the Penn Central Railroad, was purchased by the City of Chicago Department of Transportation for the purpose of establishing a pedestrian/bike trail and open space.

Halsted Street and 119th Street are the primary routes for north/south and east/west circulation, respectively. Halsted Street is State Route 1, and represents an important arterial street for the far south area. 119th Street functions as a collector street. Circulation on local streets consists of a combination of two-way and one-way traffic. Interchanges for Interstate 94 and Interstate 57 are located outside the Project Area to the east and west, respectively.

Mass transportation serving the Project Area includes C.T.A. buses. Bus Number 119 runs east/west on 119th Street, extending northward on Michigan Avenue to 95th Street and the 95th Street Red Line Rapid Transit Station. Bus Number 8A runs north/south along Halsted Street, providing access to the Red Line Rapid Transit Station at 79th Street. Bus Number 8A also connects with Bus Number 8, which extends service northward from the Red Line Rapid Transit Station at 79th Street to Waveland Avenue on the north side. In addition, Bus Number 359 provides service connecting several south suburban communities to the 12 1st Street Metra commuter station. The combination of C.T.A. and Metra service provides good transportation to the Project Area.

3.

*Eligibility Of The Project Area For Designation
As A Blighted Area.*

The Project Area on the whole has not been 'subject to significant growth and development through investment by private enterprise. Based on the conditions present, the area is not likely to be comprehensively or effectively developed without the adoption of the Plan. In April and May of 2001, a series of studies was undertaken to establish whether the proposed Project Area is eligible for designation as a blighted area in accordance with the requirements of the Act. This analysis concluded that the Project Area so qualifies.

For improved property, the presence of (5) five of the thirteen (13) conditions set forth in the Act is required for designation of improved property as a blighted area. These factors must be meaningfully present and reasonably distributed within the area. Of the thirteen (13) factors cited in the Act for improved property, eight (8) factors are present within the Area.

The following six (6) factors were found to be present to a major extent:

- Deterioration (affecting seventy-four percent (74%) of all tax blocks).
- Obsolescence (affecting forty-seven percent (47%) of all tax blocks).
- Presence of structures below minimum code standards (affecting ninety-five percent (95%) of all tax blocks).

- Excessive vacancies (affecting seventy-two percent (72%) of all tax blocks).
- Excessive land coverage and overcrowding of structures and community facilities (affecting twenty-six percent (26%) of all tax blocks).
- Stagnant or declining E.A.V.

Two (2) additional factors are present to a minor extent within the Project Area. These are:

- Deleterious land-use or layout (affecting twelve percent (12%) of all tax blocks).
- Dilapidation (affecting nineteen percent (19%) of all tax blocks).

For vacant property, the presence of two (2) of the five (5) conditions set forth in the Act is required for designation of improved property as a blighted area. These factors must be meaningfully present and reasonably distributed within the Area. Of the five (5) factors cited in the Act. for improved property, three (3) factors are present within the Area.

- Obsolete platting (affecting one hundred percent (100%) of the tax blocks).
- Deterioration on adjacent property (affecting seventy-five percent (75%) of the tax blocks).
- Stagnant or declining E.A.V.

For more detail on the basis for eligibility, refer to the study in Appendix C.

Need For Public Intervention.

The analysis of conditions within the Project Area included an evaluation of construction activity between 1996 and 2000. Table 1 summarizes construction activity within the Redevelopment Project Area by year and project type.

Table 1.

Building Permit Activity (1996 -- 2000)

		1996	1997	1998	1999	2000	Total

TOTAL:	17	11	15	10	13	66	

Source: City of Chicago, Department of Buildings

During this five (5) year period, a total of sixty-six (66) building permits were issued for property within the Project Area. In analyzing the building permit activity, it should be recognized that a certain level of activity occurs merely to address basic maintenance needs, which appears to account for a large majority of the construction activity. Between 1996 and 2000, no projects were undertaken in the Area that had a construction value of One Hundred Thousand Dollars (\$100,000) or more. Furthermore, no permits were issued for new construction. Sixteen (16) permits were issued for demolition, representing twenty-four percent (24%) of the permits and twenty-four percent (24%) of the total construction value

over the **five** (5) year period. Thirty-four (34) permits were issued for alterations and repairs, while six (6) permits were issued for additions.

The Five Hundred Fifty-two Thousand Four Hundred Fifty-seven Dollars (\$552,457) in construction spending that has occurred in the Project Area over the past five (5) years represents a minimal level of investment. This **five** (5) year private sector investment is roughly equal to the development value of one (1) full service restaurant. Alternatively, this level of investment is approximately equal to three (3), one thousand eight hundred (1,800) square foot new houses. Given the large amount of vacant land present within the Project Area, and the presence of widespread deterioration, a significantly higher level of private investment is required to reverse the area's decline. Clearly, the lack of development is not being resolved through private-sector investment, and a continuation of this minimal level of private investment may exacerbate blight within the Project Area.

Despite the lack of private sector investment, equalized assessed value (E.A.V.) within the Area grew from approximately Fifteen Million Eight Hundred Thousand Dollars (\$15,800,000) in 1996 to Eighteen Million Seven Hundred Thousand Dollars (\$18,700,000) in 2000. However, for this period, the E.A.V. of the **Area** grew at a slower rate (seventeen and seven-tenths percent (17.7%)) than that of the City . . (thirty-three and one-tenths percent (33.1%)). This growth in E.A.V. could be the result of one (1) or more of several factors, including improvements to a small number of properties or normal growth due to inflation. However, the increase in E.A.V. is not the result of widespread reinvestment in private property through construction activity. Given the blight and obsolescence that has been documented, the overall redevelopment of the Project Area would not reasonably be expected to occur without public intervention and the adoption of the Plan.

4.

Redevelopment Plan Goals And Objectives.

The proposed Plan and Project is consistent with City plans for the area. The land uses conform to those approved by the Chicago Planning Commission and to recent City-sponsored plans for the area. The following goals and objectives are provided to guide development in the Project Area.

General Goals:

- Reduce or eliminate deleterious conditions within the Project Area.

- Provide for the orderly transition from obsolete land uses, to more appropriate land-use patterns.
- Create an attractive environment that encourages new commercial development.
- Increase affordable housing (for-sale and rental), including market rate housing set aside (twenty percent (20%)).
- Employ residents within and surrounding the Project Area in jobs generated by area development.
- Improve public facilities and amenities.
- Enhance the tax base of the Project Area.

Redevelopment Objectives:

- Encourage private investment.
- Direct development activities to appropriate locations within the Project Area in accordance with the land-use plan and general land-use strategies.
- Encourage rezoning of obsolete land-use designations to facilitate development of underutilized property for uses that have demonstrated market support.
- Provide opportunities for business and commercial development where there is demonstrated market support.
- Encourage development of affordable for-sale and rental housing, as defined by the City's Department of Housing, for persons earning no more than one hundred twenty percent (120%) of the area median income and persons earning no more than eighty percent (80%) of area median income, respectively.
- Encourage development of market-rate housing as part of an overall program to create a mixed-income neighborhood.
- Realign segments of the proposed bikeway/open space on the former railroad right-of-way to improve access to private property and to create more viable redevelopment parcels.

- Establish job readiness and job training programs to provide residents within and surrounding the Project Area with the skills necessary to secure jobs in the Project Area and in adjacent redevelopment project areas.
- Promote hiring of local residents, including graduates of the Project Area's job readiness and job training programs.
- Improve recreational amenities within the Project Area.

Design Objectives:

- Provide off-street parking to support existing and new commercial uses within the 119th and Halsted Business District.
- Establish design standards for commercial and residential redevelopment to ensure compatible high-quality development.
- Enhance the appearance and function of existing commuter rail public transit facility.
- Encourage increased use of public transit facilities through pedestrian-friendly design, while also improving vehicular movement.

5.

Redevelopment Plan.

The City proposes to achieve the Plan's goals through the use of public financing techniques, including tax increment financing, and by undertaking some or all of the following actions:

Property Assembly, Site Preparation And Environmental Remediation.

To meet the goals and objectives of the Plan, the City may acquire and assemble property throughout the Area. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain or through the Tax Reactivation Program and may be for the purpose of (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As

appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

Figure 7, Land Acquisition Overview Map (Appendix A), reflects the properties proposed for acquisition on the existing acquisition map from the 19th and Halsted Street Redevelopment Area Designation, adopted in 1998. Table 2, Land Acquisition by Parcel Identification Number and Address (see Appendix A), provides a list of the properties proposed for acquisition on this underlying acquisition map. There is no new acquisition of property proposed as part of the Plan.

In connection with the City exercising its power to acquire real property not currently on the Land Acquisition Overview Map, including the exercise of the power of eminent domain, under the Act in implementing the Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of the Plan. The acquisition of such property can be paid for using T.I.F. funds.

For properties described in Figure 7 (the Land Acquisition Overview Map) in Appendix A, the acquisition of occupied properties by the City shall commence within four (4) years from the date of the publication of the ordinance approving the underlying plan (September 9, 1998). Acquisition shall be deemed to have commenced with the sending of an offer letter. After the expiration of this four (4) year period, the City may acquire such property pursuant to the Plan under the Act according to its customary procedures as described in the preceding paragraph.

Intergovernmental And Redevelopment Agreements.

The City may enter into redevelopment agreements or intergovernmental agreements with private entities or public entities to construct, rehabilitate, renovate or restore private or public improvements on one or several parcels (collectively referred to as "Redevelopment Projects"). Such redevelopment agreements may be needed to support the rehabilitation or construction of allowable private improvements, in accordance with the Plan; incur costs or reimburse developers for other eligible redevelopment project costs as provided in the Act in implementing the Plan; and provide public improvements and facilities which may include, but are not limited to utilities, street closures, transit improvements, streetscape enhancements, signalization, parking and surface right-of-way improvements.

Terms of redevelopment as part of this redevelopment project may be incorporated in appropriate redevelopment agreements. For example, the City

may agree to reimburse a developer for incurring certain eligible redevelopment project costs under the Act. Such agreements may contain specific development controls as allowed by the Act.

The City requires that developers who receive T.I.F. assistance for market rate housing set aside twenty percent (20%) of the units to meet affordability criteria established by the City's Department of Housing. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than one hundred twenty percent (120%) of the area median income, and affordable rental units should be affordable to persons earning no more than eighty percent (80%) of the area median income.

Job Training.

To the extent allowable under the Act, job training costs may be directed toward training activities designed to enhance the competitive advantages of the Project Area and to attract additional employers to the Area. Working with employers and local community organizations, job training and job readiness programs may be provided that meet employers' hiring needs, as allowed under the Act.

A job readiness/training program is a component of the Plan. The City expects to encourage hiring from the community that maximizes job opportunities for Chicago residents.

Relocation.

Relocation assistance may be provided to facilitate redevelopment of portions of the Area, and to meet other City objectives. Businesses or households legally occupying properties to be acquired by the City may be provided with relocation advisory and financial assistance as determined by the City.

Analysis, Professional Services And Administrative Activities.

The City may undertake or engage professional consultants, engineers, architects, attorneys and others to conduct various analyses, studies, administrative or legal services to establish, implement and manage the Plan.

Provision Of Public Improvements And Facilities.

Adequate public improvements and facilities may be provided to service the Area. Public improvements and facilities may include, but are not limited to, street closures to facilitate assembly of development sites, upgrading streets,

signalization improvements, provision of streetscape amenities, river-walk improvements, parking improvements and utility improvements.

Financing Costs Pursuant To The Act.

Interest on any obligations issued under the Act accruing during the estimated period of construction of the redevelopment project and other financing costs may be paid from the incremental tax revenues pursuant to the provisions of the Act.

Interest Costs Pursuant To The Act.

Pursuant to the Act, the City may allocate a portion of the incremental tax revenues to pay or reimburse developers for interest costs incurred in connection with redevelopment activities in order to enhance the redevelopment potential of the Area.

6.

Redevelopment Project Description.

The Plan seeks to create a strong, active and diverse business district along Halsted Street and to create an attractive and viable residential neighborhood in the area south and east of the 119th/Halsted intersection. Physical improvements to the Project Area are seen as a critical component of its overall improvement.

The Plan recognizes that new investment in commercial and residential property is needed to achieve revitalization. In certain cases, attracting new private investment may require the redevelopment of existing properties. Proposals for infrastructure improvements will stress projects that will serve and benefit the surrounding residential, commercial and institutional uses. A comprehensive program of aesthetic enhancements will include streetscape improvements, facade renovations and aesthetically compatible new development. The components will create the quality environment required to sustain the revitalization of the Project Area.

Based on this assessment, the goals of the redevelopment projects to be undertaken in the Project Area are to: 1) foster viable commercial redevelopment on vacant, deteriorated or obsolete property that can serve the far south side community; 2) redevelop obsolete commercial property along 119th and 120th Streets for residential use; 3) redevelop vacant and deteriorated residential property to

remove blighting influences and create a sustainable neighborhood; and 4) integrate public investments in infrastructure and facilities to help foster a suitable environment for private-sector investments. The major physical improvement elements anticipated as a result of implementing the proposed Plan are outlined below.

Commercial Redevelopment.

The Plan recognizes that commercial redevelopment is a key element of area improvement. The Plan seeks to focus commercial development along Halsted Street, with more intensive development at the major intersections of 115th/Halsted and 1 19th/Halsted. Smaller-scale commercial and mixed-use (commercial/residential) development is envisioned south of the 119th/Halsted intersection.

Residential Redevelopment.

Residential redevelopment is proposed for the deteriorated and obsolete commercial property along 119th and 120th Streets. Townhouse units or two (2) flats/three (3) flats are seen as appropriate housing types for this redevelopment. Single-family residential is most suitable for in-fill development along local side streets.

Public Improvements.

Improvements to public infrastructure and facilities are needed to complement and attract private sector investment. Infrastructure improvements may include:

- Improvement of the former railroad right-of-way as a bikeway and open space amenity.
- Improvement of streetscape conditions along Halsted Street to support commercial redevelopment.
- Improvement of street intersections to improve traffic flow.
- Expansion of the parking supply.
- Enhancement of streetscape conditions along 119th and 120th Streets to support residential redevelopment.

- Construction of a new public library at the corner of 1 19th and Halsted Streets.
- Improvement of other public facilities that meet the needs of the community.

7.

General Land-Use Plan And Map.

The land uses proposed in the Area are generally consistent with current zoning. One significant exception is the land along 1 19th Street east of Halsted Street. Land in this location is currently zoned B2- 1 and is proposed for largely residential use. All proposed land-use is subject to the approval of the Chicago Plan Commission. Figure 6, General Land-Use Plan, in Appendix A, identifies land uses expected to result from implementation of the Plan in the Area. The land-use categories planned for the Area are: 1) residential, 2) commercial/mixed-use, 3) public/institutional, and 4) park/open space use. The commercial/mixed-use category includes commercial use, residential use or commercial and residential uses within the same building. Institutional uses and park/open space amenities may be incorporated into any of these land-use categories as needs and opportunities present themselves. The General Land-Use Plan is intended to provide a guide for future land-use improvements and developments within the Area.

The General Land-Use Plan is intended to serve as a broad guide for land-use and redevelopment policy. The plan is general in nature to allow adequate flexibility to respond to shifts in the market and private investment. A more specific discussion of the proposed uses within the Project Area is outlined below.

Residential Use.

Residential use is proposed south and east of the 119th/Halsted intersection. Most of the property along 1 19th Street east of Emerald Avenue is proposed for residential use. This represents a shift in land-use policy from its current zoning, which is B2- 1. This area is no longer viable as a commercial district and should be redeveloped for residential use. The treatment of 1 19th Street is similar to that of 120th Street, which was a viable commercial district many years ago, but is now zoned residential. Other areas shown for residential use reflect existing residential property or vacant property that should be redeveloped for residential use.

Commercial/Mixed-Use.

Commercial/mixed-use development is proposed for the Halsted Street corridor and for scattered properties on 119th Street and 115th Street. Commercial and retail development is envisioned for most of this area. However, allowing residential use provides needed flexibility, especially for property where a clear trend of future use is not evident. Important recommendations include the redevelopment of the current C.H.A. office and warehouse facility on 115th Street and relocation of a small number of older industrial uses needed to facilitate broader commercial redevelopment of land, particularly along Halsted Street.

Public/Institutional.

Property designated as public/institutional use represents primarily existing uses. Prominent uses include the West Pullman Elementary School at 120th Street and Parnell Avenue and the City of Chicago fire station at 119th Street and Peoria Street. A number of churches are also present within the area. The most significant proposed use is a new public library at the northwest corner of 119th and Halsted Streets.

Park/ Open Space.

The most prominent park/open space use is the proposed bikeway on the former railroad right-of-way running northwest to southeast through the Project Area. The alignment of this bikeway, as shown on the General Land-Use Plan, reflects proposals to realign segments of the bikeway to improve access to private property and promote more effective redevelopment. Such recommendations have been discussed with City officials and will be considered where feasible. Another proposed park/open space facility is the vacant, wooded property located along the proposed bikeway between 114th Street and 112th Street.

These land-use strategies are intended to direct development toward the most appropriate land-use pattern for the various portions of the Project Area and enhance the overall development of the Area in accordance with the goals and objectives of the Plan. Locations of specific uses, or public infrastructure improvements, may vary from the General Land-Use Plan as a result of more detailed planning and site design activities. Such variations are permitted without amendment to the Plan as long as they are consistent with the Plan's goals and objectives and the land uses and zoning approved by the Chicago Plan Commission.

8.

Redevelopment Plan Financing.

Tax increment financing is an economic development tool designed to facilitate the redevelopment of blighted areas and to arrest decline in areas that may become blighted without public intervention. It is expected that tax increment financing will be an important means, although not necessarily the only means, of financing improvements and providing development incentives in the Project Area throughout its twenty-three (23) year life.

Tax increment financing can only be used when private investment would not reasonably be expected to occur without public assistance. The Act sets forth the range of public assistance that may be provided.

It is anticipated that expenditures for redevelopment project costs will be carefully staged in a reasonable and proportional basis to coincide with expenditures for redevelopment by private developers and the projected availability of tax increment revenues.

Eligible Project Costs.

Redevelopment project costs include the sum total of all reasonable, or necessary, costs incurred, or estimated to be incurred, and any such costs incidental to the Plan. Some of the costs listed below became eligible costs under the Act pursuant to an amendment to the Act which became effective November 1, 1999. Eligible costs may include, without limitation, the following:

1. Professional services including: costs of studies and surveys, development of plans and specifications, implementation and administration of the Plan including, but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided however, that no charges for professional services may be based on a percentage of the tax increment collected and the terms of such contracts do not extend beyond a period of three (3) years. Redevelopment project costs may not include general overhead or administrative costs of the City that would still have been incurred if the City had not designated a redevelopment project area or approved a redevelopment plan.
2. The cost of marketing sites within the Area to prospective businesses, developers and investors.

3. Property assembly costs, including, but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land.
4. Costs of rehabilitation, reconstruction, repair or remodeling of existing public or private buildings, fixtures and leasehold improvements; and the cost of replacing an existing public building, if pursuant to the implementation of a redevelopment project, the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment.
5. Costs of the construction of public works or improvements, but not including the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage,, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building unless the City makes a reasonable determination, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety purposes anticipated to result from the implementation of the Plan.
6. Costs of job training and retraining projects including the cost of "welfare-to-work" programs implemented by businesses located within the Area, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one (1) or more taxing districts as provided in the Act.
7. Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and, which may include payment of interest on any obligations issued under the Act, including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and not exceeding thirty-six (36) months thereafter and including reasonable reserves related thereto.
8. All, or a portion, of a taxing district's capital costs resulting from the Redevelopment Project necessarily incurred, or to be incurred, in furtherance of the Plan, to the extent the City, by written agreement, accepts and approves such costs.

9. An elementary, secondary or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided for in the Act.
10. Relocation costs, to the extent that the City determines that relocation costs shall be paid or is required to make payment of relocation costs by state or federal law or in accordance with the requirements of the Act.
11. Payment in lieu of taxes.
12. Interest costs incurred by a developer related to the construction, renovation or rehabilitation of a redevelopment project provided that:
 - such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
 - such payments in any one (1) year may not exceed thirty percent (30%) of the annual **interest** costs incurred by the developer with regard to the redevelopment project during that year;
 - if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
 - the total of such interest payments paid pursuant to the Act may not exceed thirty percent (30%) of the total: (i) cost paid or incurred by the developer for such redevelopment project, plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and
 - up to seventy-five percent (75%) of the interest cost incurred by a developer for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
13. Up to fifty percent (50%) of the cost of construction, renovation and/or rehabilitation of all low-income and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low-income and very low-income households, only the low-income and very low-income households shall be eligible for benefits under the Act.

14. Up to seventy-five percent (75%) of the interest incurred by a developer for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
15. The cost of day care services for children of employees from low-income families working for businesses located within the Area and all or a portion of the cost of operation of day care centers established by Area businesses to serve employees from low-income families working in businesses located in the Area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed eighty percent (80%) of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development.

The cost of constructing new privately-owned buildings is not an eligible redevelopment project cost, unless specifically authorized by the Act.

Estimated Project Costs.

A range of activities and improvements may be required to implement the Plan. The proposed eligible activities and their estimated costs over the life of the Area are briefly described below and also shown in Table 3, Estimated Redevelopment Project costs.

1. Professional services including planning, legal, surveys, real estate marketing costs, fees and other related development costs. This budget element provides for studies and survey costs for planning and implementation of the project, including planning and legal fees, architectural and engineering, development site marketing, financial and special service costs. (Estimated cost: One Million Five Hundred Thousand Dollars (\$1,500,000))
2. Property assembly costs, including acquisition of land and other property, real or personal, or rights or interests therein, and other appropriate and eligible costs needed to prepare the property for redevelopment. These costs may include the reimbursement of acquisition costs incurred by private developers. Land acquisition may include acquisition of both improved and vacant property in order to create development sites, accommodate public rights-of-way or to provide other public facilities needed to achieve the goals and objectives of the Plan. Property assembly costs also include: demolition of existing improvements, including clearance of blighted properties or clearance required to prepare sites for new development, site preparation, including grading, and other

appropriate and eligible site activities needed to facilitate new construction, and environmental remediation costs associated with property assembly which are required to render the property suitable for redevelopment. (Estimated cost: Ten Million Dollars (\$10,000,000))

3. Rehabilitation, reconstruction, repair or remodeling of existing public or private buildings and fixtures; and up to fifty percent (50%) of the cost of construction of low-income and very low-income housing units. (Estimated cost: Three Million Two Hundred Fifty Thousand Dollars (\$3,250,000))
4. Construction of public improvements, infrastructure and facilities. These improvements are intended to improve access within the Area, stimulate private investment and address other identified public improvement needs, and may include all or a portion of a taxing district's eligible costs, including increased costs of the Chicago Public Schools attributable to assisted housing units within the Area in accordance with the requirements of the Act. (Estimated cost: Twelve Million Dollars (\$12,000,000))
5. Costs of job training and retraining projects, advanced vocational education or career education, as provided for in the Act. (Estimated cost: One Million Dollars (\$1,000,000))
6. Relocation costs, as judged by the City to be appropriate or required to further implementation of the Plan. (Estimated cost: One Million Dollars (\$1,000,000))
7. Financing and interest costs associated with redevelopment projects, pursuant to the provisions of the Act. (Estimated cost: Three Million Five Hundred Thousand Dollars (\$3,500,000))
8. Provision of day care services as provided in the Act. (Estimated cost: Two Hundred Fifty Thousand Dollars (\$250,000))
9. All or part of a taxing district's capital costs resulting from or incurred in furtherance of the Plan, to the extent that the City, by written agreement accepts and approves such costs. (Estimated cost: Two Million Five Hundred Thousand Dollars (\$2,500,000))

The estimated gross eligible project cost over the life of the Area is Thirty-five Million Dollars (\$35,000,000). All project cost estimates are in 2001 dollars. Any bonds issued to finance portions of the redevelopment project may include an amount of proceeds sufficient to pay customary and reasonable charges associated with issuance of such obligations, as well as to provide for capitalized interest and reasonably required reserves. The total project cost figure excludes any costs for the issuance of bonds. Adjustments to estimated line items, which are upper

estimates for these costs, are expected and may be made without amendment to the Plan.

Table 2.

Estimated Redevelopment Project Costs.

Program Action/Improvement	Budget
Planning, Legal, Surveys, Redevelopment Marketing Costs and Related Development Costs	\$ 1,500,000
Property Assembly, Site Preparation and Environmental Remediation	10,000,000
Rehabilitation (may include up to fifty percent (50%) of the cost of construction of low- and very low-income housing units)	3,250,000
Public Improvements	12,000,000 ⁽¹⁾
Job Training and Retraining	1 ,000,000
Relocation	1 ,000,000
Financing and Interest Costs	3,500,000

(1) This category may also include reimbursing capital costs of taxing districts impacted by the redevelopment of the Area and school district costs pursuant to the Act. As permitted by the Act, the City may pay, or reimburse all, or a portion of a taxing district's costs resulting from the Redevelopment Project pursuant to a written agreement by the City accepting and approving such costs.

Program	Action/Improvement	Budget
Day Care		\$ 250,000
Taxing District Capital Costs		2,500,000
TOTAL:		\$35,000,000 ⁽²⁾⁽³⁾

Sources Of Funds.

Funds necessary to pay for redevelopment project costs and municipal obligations, which have been issued to pay for such costs, are to be derived principally from tax increment revenues and proceeds from municipal obligations, which have as their source of payment tax increment revenue. To secure the issuance of these obligations, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers.

The tax increment revenue, which will be used to fund tax increment obligations and redevelopment project costs, shall be the incremental real property taxes. Incremental real property tax revenue is attributable to the increase in the current equalized assessed value of each taxable lot, block, tract or parcel of real property in the Area over and above the initial equalized assessed value of each such property in the Area. Other sources of funds, which may be used to pay for redevelopment costs and obligations issued, the proceeds of which are used to pay for such costs, are land disposition proceeds, state and federal grants, investment income, and such other sources of funds and revenues as the City may, from time to time, deem appropriate. The City may incur Project Costs (costs for line items listed on Table 2), which are paid for from funds of the City other than incremental taxes, and the City may then be reimbursed for such costs from incremental taxes.

-
- (2) The Total Project Costs exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Project Costs. The amount of the Total Project Costs that can be incurred in the Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Area, but will not be reduced by the amount of redevelopment project costs incurred in the Area which are paid from incremental taxes generated from contiguous redevelopment project areas.
- (3) The Total Project Costs provides an upper limit on expenditures and adjustments may be made in line items without amendment to the Plan.

The Project Area may be contiguous to, or be separated only by a public right-of-way from, other redevelopment project areas created under the Act. The City may utilize net incremental property taxes received from the Area to pay eligible project costs, or obligations issued to pay such costs, in other contiguous redevelopment project areas, or those separated only by a public right-of-way, and vice versa. The amount of revenue from the Project Area, made available to support such contiguous redevelopment project areas, or those separated only by a public right-of-way, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area, shall not at any time exceed the total Redevelopment Project Costs described in the Plan.

The Project Area may become contiguous to, or be separated only by a public right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/1-74.61-1, et seq.). If the City finds that the goals, objectives and financial success of such contiguous redevelopment project areas, or those separated only by a public right-of-way, are interdependent with those of the Project Area, the City may determine that it is in the best interests of the City, and in furtherance of the purposes of the Plan, that net revenues from the Project Area be made available to support any such redevelopment project areas and vice versa. The City therefore proposes to utilize net incremental revenues received from the Project Area to pay eligible redevelopment project costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas, and vice versa. Such revenues may be transferred or loaned between the Project Area and such areas. The amount of revenue from the Project Area made available, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area, or other areas described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in Table 3.

Development of the Project Area would not be reasonably expected to occur without the use of the incremental revenues provided by the Act. Redevelopment project costs include those eligible project costs set forth in the Act. Tax increment financing or other public sources will be used only to the extent needed to secure commitments for private redevelopment activity.

Nature And Term Of Obligations To Be Issued.

The City may issue obligations secured by the tax increment special tax allocation fund established for the Area pursuant to the Act or such other funds or security as are available to the City by virtue of its powers, available under the Act, pursuant to the Illinois State Constitution.

All obligations issued by the City in order to implement the Plan shall be retired not later than December 31 of the year in which the payment to the municipal treasurer as provided in Section 8(b) of the Act is to be made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year after the year in which

the ordinance approving the redevelopment project area is adopted. The final maturity date of any such obligations which are issued may not be later than twenty (20) years from their respective dates of issuance. One (1) or more series of obligations may be sold at one (1) or more times in order to implement the Plan. The City may also issue obligations to a developer as reimbursement for project costs incurred by the developer on behalf of the City.

Revenues shall be used for the scheduled and/or early retirement of obligations, and for reserves, bond sinking funds and redevelopment project costs, and, to the extent that the real property tax increment is not used for such purposes, shall be declared surplus and shall then become available for distribution annually to taxing districts in the Area in the manner provided by the Act.

Most Recent Equalized Assessed Valuation.

The purpose of identifying the most recent equalized assessed valuation ("E.A.V.") of the Project Area is to provide an estimate of the initial E.A.V., which the Cook County Clerk will certify for the purpose of annually calculating the incremental E.A.V. and incremental property taxes of the Project Area. The 2000 E.A.V. of all taxable parcels in the Area is Eighteen Million Six Hundred Eighty-nine Thousand Thirty-four Dollars (\$18,689,034). This total E.A.V. amount by Permanent Index Number is summarized in Appendix D. The E.A.V. is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become the Certified Initial E.A.V. from which all incremental property taxes in the Area will be calculated by Cook County.

Anticipated Equalized Assessed Valuation.

Once the redevelopment project has been completed and the property is fully assessed, the E.A.V. of real property within the Area is estimated at Twenty-eight Million Seven Hundred Thousand Dollars (\$28,700,000). This estimate has been calculated assuming that the Project Area will be developed in accordance with Figure 6, General Land-Use Plan, of the Plan.

The estimated E.A.V. assumes that the assessed value of property within the Project Area will increase substantially as a result of new development and public improvements.

Calculation of the estimated E.A.V. is based on several assumptions, including: 1) redevelopment of the Project Area will occur in a timely manner; 2) the application of a State Multiplier of 2.139¹ to the projected assessed value of property within the Redevelopment Project Area; and 3) an annual inflation factor of two percent (2%). The projected State Multiplier was calculated by averaging the

State Multipliers for Cook County for the most recent nine (9) year period (199 1 -- 1999).

Financial Impact On Taxing Districts.

The Act requires an assessment of any financial impact of the Area on, or any increased demand for services from, any taxing district affected by the Plan and a description of any program to address such financial impacts or increased demand. The City intends to monitor development in the Area and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development.

The following taxing districts presently levy taxes on properties located within the Area:

Cook County. The County has principal responsibility for the protection of persons and property, the provision of public health services and the maintenance of County highways.

Cook County Forest Preserve District. The Forest Preserve District is responsible for acquisition, restoration and management of lands for the purpose of protecting and preserving open space in the City and County for the education, pleasure and recreation of the public.

Metropolitan Water Reclamation District Of Greater Chicago. The Water Reclamation District provides the main trunk lines for the collection of wastewater from cities, villages and towns, and for the treatment and disposal thereof.

Chicago Community College District 508. The Community College District is a unit of the State of Illinois' system of public community colleges, whose objective is to meet the educational needs of residents of the City and other students seeking higher education programs and services.

Board Of Education Of The City Of Chicago. General responsibilities of the Board of Education include the provision, maintenance and operations of educational facilities and the provision of educational services for kindergarten through twelfth (12th) grade.

Chicago Park District. The Park District is responsible for the provision, maintenance and operation of park and recreational facilities throughout the City and for the provision of recreation programs.

Chicago School Finance Authority. The Authority was created in 1980 to exercise oversight and control over the financial affairs of the Board of Education of the City of Chicago.

City Of Chicago. The City is responsible for the provision of a wide range of municipal services, including: police and fire protection; capital improvements and maintenance; water supply and distribution; sanitation service; building, housing and zoning codes, et cetera. The City also administers the City of Chicago Library Fund, formerly a separate taxing district from the City.

The proposed revitalization of the Project Area would be expected to create moderate demands on public services. The development of new residential property on vacant and deteriorated land would increase the demand for school services as well as parks and other population-based services. The demand for water and sewer services would increase as well. Proposed commercial development would not increase the demand for population-based services, but would increase demand for water and sewer services and similar types of infrastructure, including the Metropolitan Water Reclamation District.

Redevelopment of the Area may result in changes to the level of required public services. The required level of these public services will depend upon the uses that are ultimately included within the Project Area. Although the specific nature and timing of the private investment expected to be attracted to the Project Area cannot be precisely quantified at this time, a general assessment of financial impact can be made based upon the level of development and timing anticipated by the proposed Plan.

When completed, developments in the Project Area will generate property tax revenues for all taxing districts. Other revenues may also accrue to the City in the form of sales tax, business fees and licenses, and utility user fees. The costs of some services such as water and sewer service, building inspections, et cetera are typically covered by user charges. However, others are not and should be subtracted from the estimate of property tax revenues to assess the net financial impact of the Plan on the affected taxing districts.

For the taxing districts levying taxes on property within the Area, increased service demands are expected to be negligible because they are already serving the Area. Upon completion of the Plan, all taxing districts are expected to share the benefits of a substantially improved tax base. However, prior to the completion of the Plan, certain taxing districts may experience an increased demand for services.

It is expected that most of the increases in demand for the services and programs of the aforementioned taxing districts, associated with the Project Area, can be adequately handled by the existing services and programs maintained by these taxing districts. However, Two Million Dollars (\$2,000,000) has been allocated within the Project Budget to "taxing district capital costs" to address potential demands associated with implementing the Plan.

Real estate tax revenues resulting from increases in the E.A.V., over and above the certified initial E.A.V. established with the adoption of the Plan, will be used to pay eligible redevelopment costs in the Project Area. Following termination of the Project Area, the real estate tax revenues, attributable to the increase in the E.A.V. over the certified initial E.A.V., will be distributed to all taxing districts levying taxes against property located in the Area. Successful implementation of the Plan is expected to result in new development and private investment on a scale sufficient to overcome blighted conditions and substantially improve the long-term economic value of the Project Area.

Completion Of The Redevelopment Project And Retirement Of Obligations To Finance Redevelopment Project Costs.

The Plan will be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31st of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year following the year in which the ordinance approving the Plan is adopted (by December 31, 2024).

9.

Housing Impact Study.

A Housing Impact Study has been conducted for the Redevelopment Project Area (Project Area) to determine the potential impact of redevelopment on area residents. As set forth in the Tax Increment Allocation Redevelopment Act (the "Act"), if the redevelopment plan for a redevelopment plan project area would result in the displacement of residents from ten (10) or more inhabited residential units, or if the redevelopment project area contains seventy-five (75) or more inhabited residential units and the City is unable to certify that no displacement of residents will occur, the municipality shall prepare a housing impact study and incorporate the study in the separate feasibility report required by the subsection (a) of Section 11-74.4-5 (sic) [Section 11-74.4-4.1]. Since the Project Area contains more than seventy-five (75) inhabited residential units and may displace ten (10) or more residents, a housing impact study is required. This Housing Impact Study, which is part of the 119th and Halsted Redevelopment Plan and Project, fulfills this requirement. It is also integral to the formulation of the goals, objectives, and policies of the Plan.

This Housing Impact Study is organized into two (2) parts. Part I describes the housing survey conducted within the Project Area to determine existing housing characteristics. Part II describes the potential impact of the Plan. Specific elements

of the Housing Impact Study include:

Part I -- Housing Survey.

- Type of residential unit, either single-family or multi-family.
- The number and type of rooms within the units, if that information is available.
- Whether the units are inhabited or uninhabited, as determined not less than forty-five (45) days before the date that the ordinance or resolution required by subsection (a) of Section 1 1-74.4-5 of the Act is passed.
- Data as to the racial and ethnic composition of the residents in the inhabited residential units, which shall be deemed to be fully satisfied if based on data from the most recent federal census.

Part II -- Potential Housing Impact.

- The number and location of those units that will be or may be removed.
- The municipality's plans for relocating assistance for those residents in the proposed redevelopment project area whose residences are to be removed.
- The availability of replacement housing for those residents whose residences are to be removed, and the identification of the type, location, and cost of the replacement housing.
- The type and extent of relocation assistance to be provided.

Part I -- Housing Survey.

Part I of this study provides the type, size, and number of residential units within the Project Area, the number of inhabited and uninhabited units, and the racial and ethnic composition of the residents in the inhabited residential units.

Number And Type Of Residential Units.

The number and type of residential buildings in the area were identified during the building condition and land-use survey conducted as part of the eligibility analysis for the area. This survey, completed on May 24, 2001, revealed that the Project Area contains two hundred forty-seven (247) residential or mixed-use

residential buildings containing a total of four hundred (400) units. The number of residential units by building type is outlined in Table 3, Number and Type of Residential Units.

Table 3.
Number And Type Of Residential Units.

Building Type	Total Number Of Buildings	Total Number Of Units
Single-family	143	143
Two-Flat	52	104
Three-Flat	5	15
Multi-Family (4 or more units)	7	36
Mixed-Use (Residential Above)	38	74
Rooming Houses	2	28
TOTAL:		400

Number And Type Of Rooms Within Units.

The distribution within the Project Area of the four hundred (400) residential units by number of rooms and by number of bedrooms is identified in tables within this section. The methodology to determine this information is described below.

Methodology.

In order to describe the distribution of residential units by number and type of rooms within the Project Area, Camiros, Ltd. analyzed 1990 United States Census data by Block Groups for those Block Groups encompassed by the Redevelopment Project Area. A Block Group, as defined by the United States Census, is a combination of census blocks (a census block is the smallest entity for which the Census Bureau collects and tabulates one hundred percent (100%) data). The Block Group is the lowest level of geography for which the Census Bureau tabulates

sample, or long-form, data. In this study, we have relied on 1990 federal census sample data because it is the best available information regarding the housing units and residents of the Redevelopment Project Area. The Block Group data available for the Project Area are based on a sampling of residential units. Based on this data, a proportional projection was made of the number of bedrooms in each unit and the distribution of units by the number of rooms within each unit. The results of this survey are outlined in Table 4, Units By Bedroom Type, and in Table 5, Units By Number of Rooms.

Table 4.
Units By Bedroom Type.⁽¹⁾

Number Of Bedrooms	Percentage (1990 Census)	Current Estimated For Project Area
Studio	1.6	6
1 Bedroom	5.3	20
2 Bedrooms	33.5	124
3 Bedrooms	42.3	157
4 Bedrooms	12.0	45
5 + Bedrooms	5.3	20
Rooming Houses	0.0	28
TOTAL:	100.0	400

(1) As defined by the Census Bureau, number of bedrooms includes all rooms intended for use as bedrooms even if they are currently used for some other purpose. A housing unit consisting of only one (1) room, such as a one (1) room efficiency apartment, is classified, by definition, as having no bedroom.

Units By Number Of Rooms.⁽²⁾

Number Of Rooms	Percentage (1990 Census)	Current Estimate For Project Area
1 Room	0.8	3
2 Rooms	1.1	4
3 Rooms	4.5	17
4 Rooms	12.5	46
5 Rooms	33.4	124
6 Rooms	27.1	101
7 Rooms	7.6	29
8 Rooms	7.8	29
9+ Rooms	5.2	19
Rooming Houses	0.0	28
TOTAL:	100.0	400

(2) As defined by the Census Bureau, for each unit, rooms include living rooms, dining rooms, kitchens, bedrooms, finished recreation rooms, enclosed porches suitable for year-round use, and lodger's rooms. Excluded are strip or Pullman kitchens, bathrooms, open porches, balconies, halls or foyers, half-rooms, utility rooms, unfinished attics or basements or other unfinished space used for storage. A partially divided room is a separate room only if there is a partition from floor to ceiling, but not if the partition consists solely of shelves or cabinets.

Number Of Inhabited Units.

A survey of inhabited dwelling units within the Project Area was conducted by Camiros, Ltd. and completed on May 24, 2001. This survey identified four hundred (400) inhabited residential units, of which thirty-five (35) (nine and four-tenths percent (9.4 %)) were identified as vacant. Therefore, there are approximately three hundred sixty-five (365) total inhabited units within the Project Area. As required by the Act, this information was ascertained as of May 24, 2001, which is a date not less than forty-five (45) days prior to the date that the resolution required by subsection (a) of Section 11-74.4-5 of the Act is or will be passed (the resolution setting the public hearing and Joint Review Board meeting dates).

Race And Ethnicity Of Residents.

As required by the Act, the racial and ethnic composition of the residents in the inhabited residential units was determined. Population projections from Claritas Inc., a national demographic data provider, were used to compile the information on race and ethnicity of residents. These projections were based on data from the 1990 United States Census; detailed information from the 2000 Census on the racial and ethnic composition of residents within the Project Area has not yet been released.

According to the population projections from Claritas, there are an estimated eleven thousand three hundred two (11,302) residents living within the proposed boundaries of the 19th and Halsted Redevelopment Project Area in 2000. Table 6, Race and Ethnicity Characteristics, describes the race and ethnic composition of these residents, below.

Part II -- Potential Housing Impact.

Part II contains, as required by the Act, information on any acquisition, relocation program, replacement housing and relocation assistance.

Number And Location Of Units That May Be Removed.

The primary objectives of the Redevelopment Plan are to redevelop vacant land, correct obsolete land-use patterns through redevelopment, and conserve existing housing units. While the Plan does not propose redevelopment of current residential use areas, some displacement of residential units may occur in the process of redeveloping obsolete commercial (mixed-use) buildings and through the consolidation of vacant lots.

Currently, one (1) portion of the Project Area has been the subject of redevelopment proposals. The City issued an R.F.P. on February 13, 2001, for the "purchase and redevelopment of properties for new single-family housing near 119th and Halsted". The land identified by this R.F.P. includes property on South Union

Avenue and South Emerald Avenue between West 1 19th and West 120th Streets. However, all of the properties offered in this R.F.P. are vacant lots, and there are no residential buildings or occupied dwelling units present on this land.

In addition to the active development project initiated by the City, there is a possibility that over the twenty-three (23) year life of the Redevelopment Project Area, some inhabited residential units may be removed as a result of implementing the Plan. In order to meet the statutory requirement of defining the number and location of inhabited residential units that may be removed, a methodology was established that would provide a rough, yet reasonable, estimate. This methodology is described below.

Methodology.

The methodology used to fulfill the statutory requirements of defining the number and location of inhabited residential units that may be removed involves three (3) steps.

1. Step 1 counts all inhabited residential units previously identified on any underlying acquisition maps. For this purpose, the aforementioned 119th and Halsted Redevelopment Area was reviewed. Since there are twenty-one (21) inhabited residential units on current acquisition maps, the number of residential units that may be removed due to identified acquisition is twenty-one (21).
2. Step 2 counts the number of inhabited residential units contained on parcels that are dilapidated as defined by the Act. From the survey conducted by Camiros, Ltd., a total of two (2) buildings have been identified within the Project Area that can be classified as dilapidated and that contain occupied residential units. Each of these buildings was identified as having one (1) occupied dwelling unit. Therefore, the number of inhabited residential units that may be removed due to demolition or rehabilitation of dilapidated buildings is two (2).
3. Step 3 counts the number of inhabited residential units that exist where the future land-use indicated by the Plan will not include residential uses. After reviewing the General Land-Use Plan for the Project Area, we determined that there are forty-six (46) units impacted by changes to the existing land-use. Therefore, the number of inhabited residential units that may be removed due to future land-use change is forty-six (46).

Figure 8, Housing Impact Study Map, identifies the sixty-nine (69) occupied units, which is the sum of Step 1 -- Step 3, that could potentially be removed during the

twenty-three (23) year life of this 119th and Halsted Redevelopment Plan and Project. In addition, the specific parcels' P.I.N.s are listed in Table 9, Land Acquisition by Parcel Identification Number and Address located in Appendix A.

Replacement Housing.

In accordance with Section 11-74.4-3 (n)(7) of the Act, the City shall make a good faith effort to ensure that affordable replacement housing for any qualified displaced residents whose residence is removed is located in or near the Project Area.

To promote development of affordable housing, the Plan requires that developers receiving tax increment financing assistance for market-rate housing are to set aside at least twenty percent (20%) of the units to meet affordability criteria established by the City's Department of Housing. Generally, this means affordable rental units should be affordable to households earning no more than eighty percent (80%) of the area median income (adjusted for family size), or for sale units affordable to households earning one hundred twenty percent (120%) of the area median income. If, during the twenty-three (23) year life of the 119th and Halsted Redevelopment Project Area, the acquisition plans change, the City shall make every effort to ensure that appropriate replacement housing will be found in either the Project Area or the surrounding Community Areas.

Currently, there are no bona fide residential development projects planned that will contain affordable units. The only prospective residential development project identified is the City sponsored single-family in-fill project near 119th and Halsted Streets. The developer selection process has not yet been finalized and there is a possibility that some of the units may be affordable.

The location, type, and cost of a sample of possible replacement housing units located within the West Pullman, Roseland and Morgan Park Community Areas were determined through classified advertisements from the *Chicago Tribune*, the *Chicago Sun-Times*, and from Internet listings Apartments.com during the last part of the month of May, 2001. It is important to note that Chicago has a rental cycle where apartments turn over at a greater rate on May 1 and October 1 of each year. These times would likely reflect a wider variety of rental rates, unit sizes and locations than those available in June. The location, type, and cost of these units is listed in Table 7, Survey of Available Housing Units.

To further determine the availability of replacement rental housing for those residents of rental units, which may potentially be removed, Camiros, Ltd. reviewed the Regional Rental Market Analysis Summary Report, prepared for the Metropolitan Planning Council in November 1999. This report describes vacancy rates by apartment type for three defined sub-regions within the City: North, West,

and South. The Project Area is located entirely within the South region as defined within the Summary Report.

The Summary Report lists vacancy rates for each of the three (3) defined sub-regions for units in small buildings (two (2) to nine (9) units), which are the predominant building types in the Project Area. However, the only unit types for which data are available are two (2) and three (3) or more bedrooms. The vacancy rates for units within small buildings within the South region were as follows:

Type/ Size	Vacancy Rate
2 Bedroom	4.4%
3 or more Bedrooms	9.0%

Based on information provided by real estate brokers, and apartment rental agency professionals operating within the West Pullman, Roseland and Morgan Park community areas, typical monthly rents (including heat, but not other utilities) that are affordable for the community encompassing the Project Area ranged as follows:

Type / Size	Rent Range
1 -- 2 Room Studio	\$300 -- \$400
3 -- 4 Rooms, 1 Bedroom	350 -- 500
4 Rooms, 2 Bedrooms	400 -- 650
5 Rooms, 2 Bedrooms	400 -- 700
6 Rooms, 3 Bedrooms	500 -- 700

Since one of the key goals of the Plan is to develop infill housing on currently vacant lots and rehabilitate existing deteriorated buildings, it is assumed that displacement, if any, caused by activities as part of the Plan, will occur concurrently with the development of new housing, both rental and for-sale. As a result, it is anticipated that there will be no net loss of units within the Project Area. Furthermore, there is a likelihood that any displacement of the sixty-nine (69) potential units would occur incrementally over the twenty-three (23) year life of the Project Area as individual development projects occur. Therefore, it is not

anticipated that there would be a need to relocate more than a few households, if any, in any given year during the full life of the Project Area.

Relocation Assistance.

While the removal or displacement of housing units is not a goal of the Plan, it is possible that a small number of units may be removed in the process of implementing the Plan. If the removal or displacement of low-income or very low-income residential housing units is required, such residents will be provided with relocation assistance in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations thereunder, including the eligibility criteria. The City shall make a good faith effort to ensure that affordable replacement housing for the aforementioned households is located in or near the Project Area.

As used in the above paragraph, "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in Section 3 of the Illinois Affordable Housing Act, I 310 ILCS 65/3. As of the date of this study, these statutory terms have the following meaning:

- a. "low-income household" means a single person, family or unrelated persons living together whose adjusted income is more than fifty percent (50%) but less than eighty percent (80%) of the median income of the area of residence, adjusted for family size, as such adjusted income and median income are determined from time to time by the United States Department of Housing and Urban Development ("H.U.D.") for purposes of Section 8 of the United States Housing Act of 1937;
- b. "very low-income household" means a single person, family or unrelated persons living together whose adjusted income is not more than fifty percent (50%) of the median income of the area of residence, adjusted for family size, as so determined by H.U.D.; and
- c. "very, very low-income household" means a single person, family or unrelated persons living together whose adjusted income is not more than thirty percent (30%) of the median income of the area of residence, adjusted for family size, as so determined by H.U.D.; and
- d. "affordable housing" means residential housing that, so long as the same is occupied by low-income households or very low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than thirty percent (30%) of the maximum allowable income for such households, as applicable.

In order to estimate the number of moderate, low-, very low-, and very, very low-incomes households in the Project Area, Camiros, Ltd. used data available from Claritas, Inc., a national demographic data provider. This information is summarized on Table 8, Household Income, which provides estimates of the number of households within the Project Area at various income levels. Claritas estimates that of all households residing within the Block Group areas encompassed by the Project Area, twenty and eight-tenths percent (20.8%) may be classified as very, very low-income, thirteen and four-tenths percent (13.4%) may be classified as very low-income, twenty and eight-tenths percent (20.8%) may be classified as low-income, and eighteen and nine-tenths percent (18.9%) may be classified as moderate-income households. The remaining twenty-six and two-tenths percent (26.2%) of households may be classified as above moderate-income. These percentages are based on an average household size of four (4) persons, which is rounded up from the average household size of 3.80 1 persons within the Project Area projected by Claritas. Applying these percentages to the three hundred sixty-five (365) occupied housing units (equivalent to households) identified during the survey completed by Camiros, Ltd. reveals the following:

Table 8.

Household Income.

Income Category	Percentage Of Households	Number Of Households	Annual Income Range (Average Households Of Four Persons)
Very, Very Low-Income	20.8%	76	\$0 -- \$21,150
Very Low-Income	13.4%	49	\$21,151 -- 35,250
Low-Income	20.8%	76	\$35,251 -- 52,500
Moderate-Income	18.9%	69	\$52,501 -- 84,600
Above Moderate Income	26.2%	95	\$84,600 -- higher
TOTAL:	100.0%	365	

Source: Claritas, Inc. and Camiros, Ltd.

As described above, the estimates of the total moderate-, low-, very low-, or very very low-income households within the Project Area collectively represent seventy-three and eight-tenths percent (73.8%) of the total inhabited units and those households below moderate-income collectively represent fifty-five and zero-tenths percent (55.0%) of the total inhabited units. Therefore, replacement housing for any displaced households over the course of the twenty-three (23) year life of the 19th and Halsted Redevelopment Plan and Project should be affordable at these income levels. It should be noted that these income levels are likely to change over the twenty-three (23) year life of the Project Area as both median income changes and income levels within the Project Area change.

10.

Provisions For Amending The Plan.

The Plan may be amended pursuant to the provisions of the Act.

11.

City Of Chicago Commitment To Fair Employment Practices And Affirmative Action

The City is committed to and will affirmatively implement the following principles in redevelopment agreements with respect to the Plan. The City may implement various neighborhood grant programs imposing these or different requirements.

1. The assurance of equal opportunity in all personnel and employment actions, including, but not limited to: hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, et cetera, without regard to race, color, religion, sex, age, handicapped status, national origin, creed or ancestry.
2. Developers will meet City of Chicago standards for participation of Minority Business Enterprises and Women Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.

3. This commitment to affirmative action will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.
4. The City requires that developers who receive T.I.F. assistance for market rate housing set aside twenty percent (20%) of the units to meet affordability criteria established by the City's Department of Housing. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than one hundred twenty percent (120%) of the area median income, and affordable rental units should be affordable to persons earning no more than eighty percent (80%) of the area median income.

In order to implement these principles, the City shall require and promote equal employment practices and affirmative action on the part of itself and its contractors and vendors. In particular, parties engaged by the City shall be required to agree to the principles set forth in this section.

Legal Description Of The 11 9th And Halsted Redevelopment Project Area.

All that part of Sections 20, 21, 28 (north of the Indian Boundary Line) and 29 in

Township 37 North, Range 14 East of the Third Principal Meridian bounded and described as follows:

beginning at the point of intersection of the centerline of 115th Street with the centerline of Morgan Street; thence south along said centerline of Morgan Street to the westerly extension of a line 8 feet north of and parallel with the north line of Lot 1 in Maple Park Court Resubdivision of part of Stanley Mathew's Subdivision in the west half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian, said line being also the centerline of the 16 foot alley lying north of and adjoining said Lot 1 in Maple Park Court Resubdivision; thence east along said easterly extension and along the line 8 feet north of and parallel with the north line of Lot 1 in Maple Park Court Resubdivision and along the easterly extension thereof to the westerly line of the Penn Central Rail Road right-of-way; thence southeasterly along said westerly line of the Penn Central Rail Road right-of-way to the centerline of 117th Street; thence west along said centerline of 117th Street to the northerly extension of the centerline of the 16 foot alley lying east and adjoining the east line of Lots 12 through 35, inclusive, in Block 1 in the resubdivision of the east half of original Blocks 8 and 11 and all of that part of Block 7, lying west of the P.C.C. & St. L. R.R. in original subdivision of the east half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian; thence south along said northerly extension and along said centerline of the 16 foot alley and along the southerly extension thereof to the centerline of 118th Street; thence east along said centerline of 118th Street to the northerly extension of the east line of the alley lying east of and adjoining the east line of Lots 1 through 15, inclusive, in Block 2 in said resubdivision of the east half of original Blocks 8 and 11 and all of that part of Block 7, lying west of the P.C.C. & St. L. R.R. in original subdivision of the east half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian; thence south along said northerly extension and along the east line of the alley lying east of and adjoining the east line of Lots 1 through 15, inclusive, in Block 2 in said resubdivision and along the southerly extension thereof to the centerline of the alley lying south of and adjoining the south line of Lot 15 in said Block 2 in the resubdivision of the east half of original Blocks 8 and 11 and all of that part of Block 7, lying west of the P.C.C. & St. L. R.R. in original subdivision of the east half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian; thence west along the centerline of said alley lying south of and adjoining the south line of Lot 15 in Block 2 in said resubdivision to the east line of Peoria Street; thence west along a straight line to the point of intersection of the west

line of Peoria Street with the centerline of the alley lying south of and adjoining the south line of Lots 29 and 18 in Block 4 in the resubdivision of the west half of Blocks 8 and 11 and all of Blocks 9 and 10, except Lots 19, 22 and 23 of Block 10 of the original subdivision of the east half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian; thence west along the centerline of the alley lying south of and adjoining the south line of Lots 29 and 18 in Block 4 in said resubdivision and the westerly extension thereof to the centerline of Sangamon Street; thence north along said centerline of Sangamon Street to the easterly extension of the centerline of the alley lying north of and adjoining the north line of Lots 19, 20 and 21 in Block 3 in said resubdivision of the west half of Blocks 8 and 11 and all of Blocks 9 and 10, except Lots 19, 22 and 23 of Block 10 of the original subdivision of the east half of the southeast quarter of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian; thence west along said centerline of the alley lying north of and adjoining the north line of Lots 19, 20 and 21 in Block 3 in said resubdivision to the northerly extension of the west line of said Lot 21 in Block 3 in said resubdivision; thence north along said northerly extension of the west line of said Lot 21 to the south line of Lot 18 in Block 3 in said resubdivision; thence west along said south line of Lot 18 and along the westerly extension thereof and along the south line of Lot 22 in Block 3 in said resubdivision- to the east line of Morgan Street; thence south along said east line of Morgan Street to the north line of 119th Street; thence east along said north line of 119th Street to the east line of Peoria Street; thence south along said east line of Peoria Street to the westerly extension of the northerly line of Lot 1 in Block 1 of First Addition of West Pullman Subdivision; thence easterly along said westerly extension of the northerly line of Lot 1 in Block 1 of First Addition of West Pullman Subdivision to the northwest corner of said Lot 1; thence southerly along the westerly line of Lots 1 through 11, inclusive, in said Block 1 of First Addition of West Pullman Subdivision to the north line of 120th Street; thence southerly to the northwest corner of Lot 1 in Block 8 of said First Addition to West Pullman Subdivision; thence southerly along the westerly line of Lots 1 through 18, inclusive, in said Block 8 to the southwest corner of said Lot 18; thence southerly a distance of 25.00 feet along the prolongation of the last described course; thence 165 feet, more or less, westerly to the east line of vacated Green Street; thence southerly along said east line of vacated Green Street to the northerly right-of-way line of Illinois Central Railroad; thence west along said northerly right-of-way line of Illinois Central Railroad to the east line of Peoria Street; thence south along said east line of Peoria Street to the southerly right-of-way line of the Illinois Central Railroad; thence east along said southerly right-of-way line of the Illinois Central Railroad to the northwest corner of Lot 1 in Block 9 of First Addition to West Pullman Subdivision; thence south along the westerly line of Lots 1 through 12

to the easterly extension of the southerly line of Lot 11 in Block 1 of the resubdivision of Blocks 9 to 16, inclusive, of said First Addition to West Pullman Subdivision; thence west along said easterly extension of the southerly line of Lot 11 in Block 1 in said resubdivision, a distance of 8 feet, to the centerline of the alley lying west of and parallel with Halsted Street, said alley being also east of and adjoining said Lot 11; thence south along said centerline of the alley lying west of and parallel with Halsted Street to the centerline of 123rd street; thence east along said centerline of 123rd Street to the centerline of Emerald Avenue; thence north along said centerline of Emerald Avenue to the centerline of 122nd Street; thence east along said centerline of 122nd Street to the westerly line of the right-of-way of the Penn Central Railroad; thence southeasterly along said westerly line of the right-of-way of the Penn Central Railroad to the centerline of 123rd Street; thence east along said centerline of 123rd Street to the easterly line of the right-of-way of the Penn Central Railroad; thence northwesterly along said easterly line of the right-of-way of the Penn Central Railroad to the southerly extension of the centerline of the alley west of and parallel with Lowe Avenue, said alley being also west of and adjoining the west line of Lots 1 through 22 in Block 34 in West Pullman, a subdivision in the west half of the northeast quarter and the northwest quarter of Section 28, Township 37 North, Range 14 East of the Third Principal Meridian; thence north along said centerline of the alley west of and parallel with Lowe Avenue to the south line of the right-of-way of the Illinois Central Railroad; thence east along said south line of the right-of-way of the Illinois Central Railroad to the east line of the east half of the northwest quarter of Section 28, Township 37 North, Range 14 East of the Third Principal Meridian, said east line of the east half of the northwest quarter of Section 28 being also the centerline of Stewart Avenue; thence north along said centerline of Stewart Avenue to the north line of the right-of-way of the Illinois Central Railroad; thence west along said north line of the right-of-way of the Illinois Central Railroad to the center-line of Lowe Avenue; thence north along said centerline of Lowe Avenue to the westerly extension of the south line of Lot 37 in Block 16 in said West Pullman; thence east along said westerly extension and along the south line of Lot 37 and along the easterly extension thereof to the centerline of the alley east of and parallel with Lowe Avenue, said alley being also east of and adjoining said Lot 37; thence north along said centerline of the alley east of and parallel with Lowe Avenue to the westerly extension of the south line of Lot 7 in said Block 16 in West Pullman; thence east along said westerly extension and along the south line of Lot 7 in said Block 16 in West Pullman to the west line of Wallace Street; thence east along a straight line to the southwest corner of Lot 40 in Block 17 in said West Pullman; thence east along the south line of said Lot 40 in Block 17 in West Pullman and along the easterly extension thereof and along the south line of Lot 7 in said Block 17 in West Pullman and along the easterly extension thereof

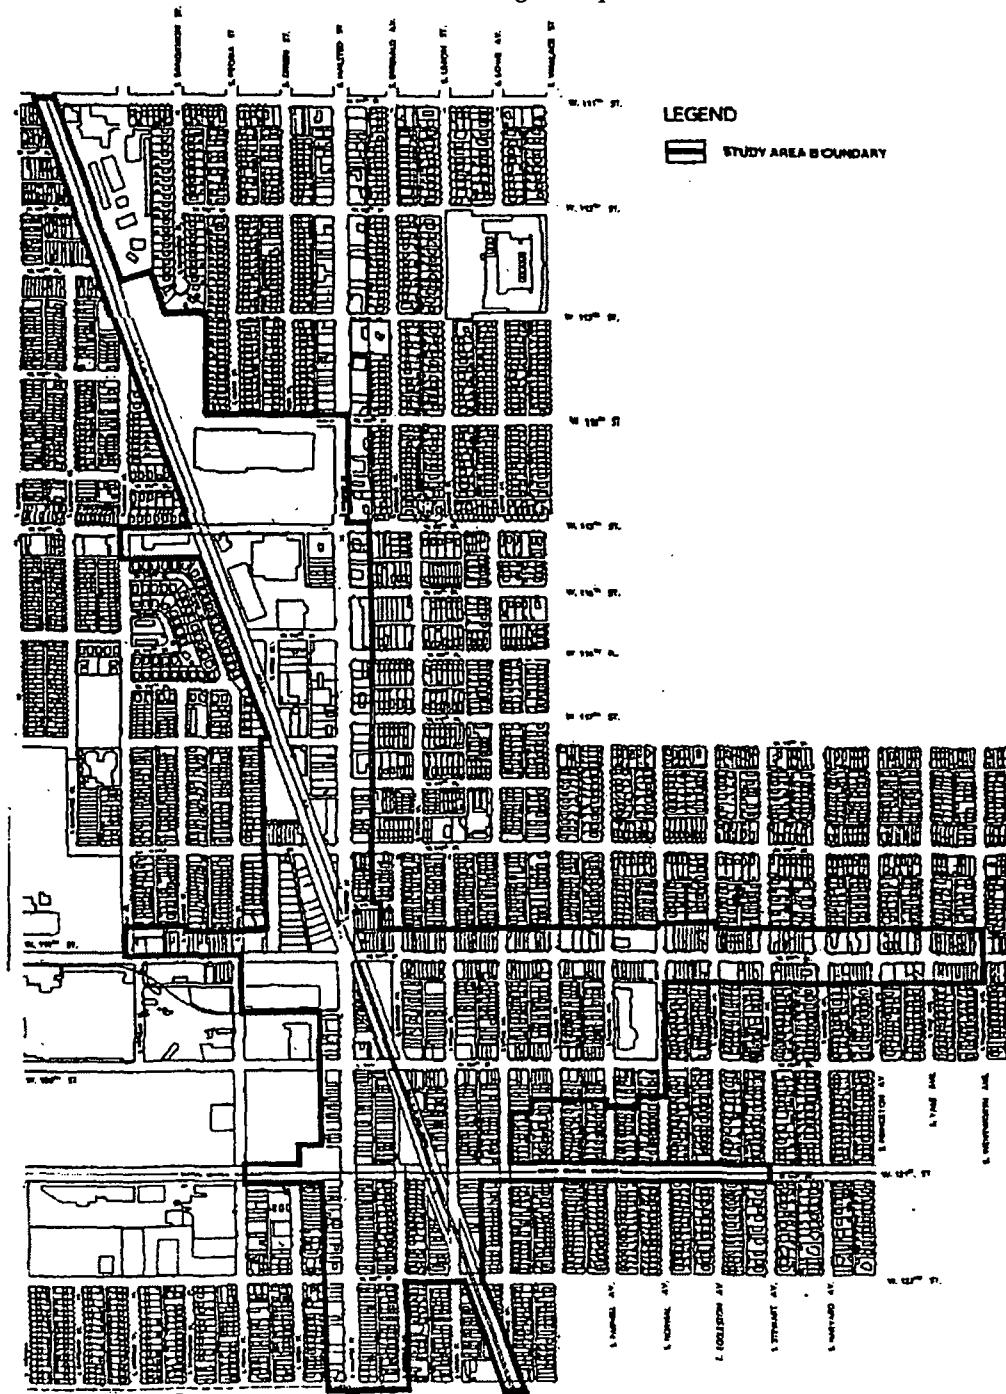

to the centerline of Parnell Avenue; thence south along said centerline of Parnell Avenue to the westerly extension of the south line of the north 12.5 feet of Lot 38 in Block 18 in said West Pullman; thence east along said westerly extension and along the south line of the north 12.5 feet of Lot 38 in Block 18 in said West Pullman and the easterly extension thereof to the centerline of the alley east of and parallel with Parnell Avenue, said alley being also east of and adjoining said Lot 38; thence north along said centerline of the alley east of and parallel with Parnell Avenue to the westerly extension of the south line of Lot 6 in said Block 18 in West Pullman; thence east along said westerly extension and along the south line of said Lot 6 in Block 18 in West Pullman, and along the easterly extension thereof, to the centerline of Normal Avenue; thence north along said centerline of Normal Avenue to the westerly extension of the centerline of the alley south of and parallel with 119th Street in Block 6 in West Pullman, said alley being also south of and adjoining the south line of Lots 1 through 10, inclusive, in the resubdivision of that part of West Pullman lying in the northwest quarter of the west half of the northeast quarter of Section 28, Township 37 North, Range 14 East of the Third Principal Meridian; thence east along said centerline of the alley south of and parallel with 119th Street to the centerline of Wentworth Avenue; thence north along said centerline of Wentworth Avenue to the easterly extension of the centerline of the alley north of and parallel with 119th Street, said alley being also north of and adjoining Lots 23 through 32, inclusive, in Block 4 in Thomas Scanlan's Addition to Pullman, being a subdivision in the east half of the southwest quarter of the southeast quarter of Section 2 1, Township 37 North, Range 14 East of the Third Principal Meridian; thence west along said easterly extension and along the centerline of the alley north of and parallel with 119th Street to the centerline of Harvard Avenue; thence north along said centerline of Harvard Avenue to the easterly extension of the centerline of the alley north of and parallel with 119th Street, said alley being also north of and adjoining the north line of Lots 17 through 26, inclusive, in Block 6 in A. O. Tylor's Addition to Pullman, a subdivision of the east half of the southeast quarter of the southwest quarter and of the west half of the west half of the southwest quarter of the southeast quarter of Section 2 1, Township 37 North, Range 14 East of the Third Principal Meridian; thence west along said easterly extension and the centerline of the alley north of and parallel with 119th Street to centerline of Stewart Avenue; thence south along the centerline of Stewart Avenue to the easterly extension of the centerline of the alley north of and parallel with 119th Street, said alley being also north of and adjoining the north line of Lots 6 through 15, inclusive, in Hugh Lauder's Subdivision of Lot 8 in Block 5 in said A. O. Tylor's Addition to Pullman; thence west along said easterly extension and the centerline of the alley north of and parallel with 119th Street to the centerline of Eggleston Avenue; thence north along said centerline of Eggleston Avenue to the easterly extension of the

(To Amended 1 19th And Halsted Redevelopment Project
Area Redevelopment Plan And Project)

*11 9th And Halsted Redevelopment Project Area
Eligibility Report.*

The purpose of this analysis is to determine whether a portion of the City of Chicago identified as the 119th and Halsted Redevelopment Project Area qualifies for designation as a tax increment financing district within the definitions set forth under 65 ILCS 5/ 1 1-74.4 contained in the "Tax Increment Allocation Redevelopment Act" (65 ILCS 5/ 1 1-74.1, et seq.), as amended (the "Act"). This legislation focuses on the elimination of blighted or rapidly deteriorating areas through the implementation of a redevelopment plan. The Act authorizes the use of tax increment revenues derived in a project area for the payment or reimbursement of eligible redevelopment project costs.

The area proposed for designation as the 119th and Halsted Redevelopment Project Area is hereinafter referred to as the "Study Area" and is shown in Figure A.

The Study Area is approximately one hundred eighty-three (183) acres in size and includes eight hundred twenty-two (822) tax parcels, of which five hundred eighteen (518) parcels are improved, with three hundred ninety-four (394) of these parcels containing buildings. There are three hundred four (304) vacant parcels within the Study Area, which also include unused railroad right-of-way. It should be noted that the majority of vacant parcels are small lots scattered among improved property. Only three (3) vacant parcels exist under single ownership that are larger than five (5) acres in size. Two (2) of these parcels are part of the former railroad right-of-way that runs in a northwest to southeast direction through the Study Area. In addition to the three (3) larger sites, there are areas of vacant land comprised of individual vacant parcels under disparate ownership. However, only one (1) of these areas is larger than two (2) acres in size. Thus, while a significant amount of vacant land exists within the study area, it is scattered and under diverse ownership.

This report summarizes the analyses and findings of the consultant's work, which, unless otherwise noted, is solely the responsibility of Camiros, Ltd. and its subconsultants and does not necessarily reflect the views and opinions of potential developers or the City of Chicago. However, the City of Chicago is entitled to rely on the findings and conclusions of this report in designating the Study Area as a redevelopment project area under the Act.

*I.**Introduction.*

The Tax Increment Allocation Redevelopment Act permits municipalities to induce redevelopment of eligible "blighted", "conservation" or "industrial park conservation areas in accordance with an adopted redevelopment plan. The Act stipulates specific procedures, which must be adhered to, in designating a redevelopment project area. One of those procedures is the determination that the area meets the statutory eligibility requirements. At 65 Section 5/11-74.3(p), the Act defines a "redevelopment project area" as:

"... an area designated by the municipality, which is not less in the aggregate than one and one-half (1%) acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or combination of both blighted areas and conservation areas".

In adopting this legislation, the Illinois General Assembly found:

1. (at 65 Section 5/11-74.4-2(a)) That there exists in many municipalities within the State blighted and conservation areas. . .; and
2. (at 65 Section 5/11-74.4-2(b)) That the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest.

The legislative findings were made on the basis that the presence of blight or conditions, which lead to blight, is detrimental to the safety, health, welfare and morals of the public. The Act specifies certain requirements, which must be met, before a municipality may proceed with implementing a redevelopment project in order to ensure that the exercise of these powers is proper and in the public interest.

Before the tax increment financing technique can be used, the municipality must first determine that the proposed redevelopment area qualifies for designation as a "blighted area", "conservation area" or an "industrial park conservation area". Based on the conditions present, this Eligibility Report finds that the Study Area qualifies for designation as a blighted area.

Blighted Areas.

If the property under consideration is improved, a combination of five (5) or more of the following thirteen (13) factors must be present for designation as a blighted area:

- Dilapidation.
- Obsolescence.
- Deterioration.
- Presence of structures below minimum code standards.
- Illegal use of individual structures.
- Excessive vacancies.
- Lack of ventilation, light or sanitary facilities.
- Inadequate utilities.
- Excessive land coverage and overcrowding of structures and community facilities.
- Deleterious land-use or layout.
- Lack of community planning.
- Environmental clean-up requirements.
- Declining or stagnant equalized assessed value.

If the property is vacant, a combination of two (2) or more of the following factors qualifies the area as blighted.

- Obsolete platting of vacant land.
- Diversity of ownership of vacant land.
- Tax or special assessment delinquencies on such land.
- Environmental clean-up requirements.
- Declining or stagnant equalized assessed value.

- Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

Vacant property also qualifies as "blighted" if any one (1) of the following factors is present:

- The area consists of an unused quarry or quarries.
- The area consists of unused railyards, tracks or rights-of-way.
- The area is subject to flooding.
- The area consists of an unused disposal site containing debris from construction demolition, et cetera.
- The area is between fifty (50) to one hundred (100) acres, seventy-five percent (75%) vacant, shows deleterious qualities and was designated as a town center before 1982, but not developed for that purpose.
- The area qualified as blighted immediately before it became vacant.

The Act defines blighted areas, and recent amendments to the Act also provide guidance as to when the factors present qualify an area for such designation. Where any of the factors defined in the Act are found to be present in the Study Area, they must be: 1) documented to be present to a meaningful extent so that the municipality may reasonably find that the factor is clearly present within the intent of the Act, and 2) reasonably distributed throughout the Study Area.

The test of eligibility of the Study Area is based on the conditions of the area as a whole. The Act does not require that eligibility be established for each and every property in the Study Area.

2.

Eligibility Studies And Analysis.

An analysis was undertaken to determine whether any or all of the blighting factors listed in the Act are present in the Study Area, and if so, to what extent and in which locations.

In order to accomplish this evaluation, the following tasks were undertaken:

1. Exterior survey of the condition and use of each building.
2. Field survey of environmental conditions involving parking facilities, public infrastructure, site access, fences and general property maintenance.
3. Analysis of existing land uses and their relationships.
4. Comparison of surveyed buildings to zoning regulations.
5. Analysis of the current platting, building size and layout.
6. Analysis of building floor area and site coverage.
7. Review of previously prepared plans, studies, inspection reports and other data.
8. Analysis of real estate assessment data.
9. Review of available building permit records to determine the level of development activity in the area.
10. Review of building code violations.

The exterior building condition survey and site conditions survey of the Study Area were undertaken in April and May, 2001. The analysis of site conditions was organized by tax block as shown in Figure B, with the corresponding existing land-use in Figure C.

Where a factor is described as being present to a major extent, the factor is present throughout significant portions of the Study Area. The presence of such conditions has a major adverse impact or influence on adjacent and nearby property. A factor described as being present to a minor extent indicates that the factor is present, but that the distribution of impact of the condition is more limited. A statement that the factor is not present indicates that either no information was available or that no evidence was documented as a result of the various surveys and analyses. Factors whose presence could not be determined with certainty were not considered in establishing eligibility.

Each factor identified in the Act for determining whether an area qualifies as a blighted area is discussed below and a conclusion is presented as to whether or not the factor is present in the Study Area to a degree sufficient to warrant its inclusion as a blighting factor in establishing the eligibility of the area as a "blighted area" under the Act. These findings describe the conditions that exist and the extent to

which each factor is present.

3.

Presence And Distribution Of Eligibility Factors.

The Act establishes different eligibility factors for improved property versus vacant land. Property within the Study Area consists primarily of developed property. Consequently, the character of property within the Study Area is predominantly improved. For this reason, the analysis of eligibility was based, for the most part, on factors for improved property. Improved property includes parcels that contain buildings, structures, parking or other physical improvements. Improved property may include single parcels or multiple parcels under single or common ownership. Landscaped yards, open space or other ancillary functions may also be classified as improved property for the purposes of the eligibility analysis if they are obviously accessory to an adjacent building/primary use. Within the Study Area, only two (2) of the fifty-nine (59) tax blocks within the Study Area contained enough vacant property to warrant an analysis based on vacant property. Two (2) other tax blocks (25-20-2 10 and 25-28- 100) contained both vacant land and improved property. The vacant land portions of these two (2) blocks were evaluated as vacant land while the improved property portions were evaluated as improved property. Consequently, these two (2) tax blocks appear in the evaluation of both vacant land and improved property. Separate analyses are provided for vacant and improved property.

In order to establish the eligibility of the improved property of a redevelopment project area under the "blighted" criteria established in the Act, at least five (5) of thirteen (13) eligibility factors must be meaningfully present and reasonably distributed throughout the Study Area. This eligibility study finds that the improved property within the Study Area qualifies for designation as "blighted". Eight (8) of the conditions cited in the Act are meaningfully present within the Study Area. The six (6) conditions present to a major extent are: deterioration, obsolescence, presence of structures below minimum code, excessive vacancies, excessive land coverage and overcrowding of community facilities and stagnant or declining E.A.V.. The two (2) conditions present to a minor extent are: dilapidation and deleterious land-use and layout. All of these factors are well distributed throughout the Study Area.

In order to establish the eligibility of the vacant property of a redevelopment project area under the "blighted" criteria established in the Act, at least two (2) of six (6) eligibility factors must be meaningfully present and reasonably distributed throughout the Study Area. This eligibility study finds that the vacant property within the Study Area qualifies for designation as "blighted". Two (2) of the conditions cited in the Act are meaningfully present within the Study Area. These

two (2) conditions are: obsolete platting and stagnant or declining E.A.V.

Improved Property.

Of the fifty-nine (59) tax blocks within the Study Area, fifty-seven (57) were comprised of improved property. While a significant number of vacant lots exist these blocks, the vacant lots are scattered among the improved property, and the overall character of these fifty-seven (57) tax blocks is of improved property. Two (2) of the tax blocks (Block 25-20-2 10 and Block 25-28-100) contain both **sizeable** areas of both improved and vacant property and are listed as both improved and vacant tax blocks for purposes of this analysis. Two (2) other blocks consist solely of improved property.

Factors Present To A Major Extent.

Deterioration.

This condition is present when there are physical deficiencies in buildings or surface improvements requiring treatment or repair. Any deficiency beyond normal maintenance qualifies as deterioration. Moderate levels of deterioration may be present in basically sound buildings that contain defects that can be corrected. More advanced deterioration that is not easily correctable and cannot be accomplished during the course of normal maintenance may also be evident. Advanced deterioration is clearly a greater blighting influence. Consequently, the incidence of advanced deterioration need not be widespread to qualify this condition as being present to a major extent. Examples of conditions that indicate deterioration include buildings that are not weather-tight, loose or missing materials, defects in exterior walls, rusted support beams and columns, and deteriorated roofs requiring replacement or major repair. Such defects may involve either primary building components (foundations, walls, roofs) or major defects in secondary building components (doors, windows, porches, fascia materials, gutters and downspouts). In terms of surface improvements, including sidewalks, off-street parking and surface storage areas, deterioration may take the form of surface cracking, loose paving material, depressions, streets with pitted pavement/potholes, crumbling curbs, crumbled or heaved sidewalks and pavement, and weeds protruding through paved surfaces.

Deterioration was found to be present within the Study Area to a major extent. With respect to building deterioration, one hundred nineteen (119) out of three hundred forty-seven (347) buildings, or thirty-four percent (34%), were found to be deteriorated. Evidence of deterioration included major cracks in masonry walls, window frames, doors and door frames requiring major repair or replacement, missing mortar requiring tuckpointing, and rusted gutters and downspouts.

Of the fifty-seven (57) tax blocks of improved property within the Study Area, this factor was present to a major extent on forty-two (42) blocks and to a minor extent on two (2) blocks. Building deterioration is considered to be present to a major extent if deteriorated buildings account for at least twenty percent (20%) of the total number of buildings on the block. Deterioration to a major extent can also be present with a smaller proportion of deteriorated buildings combined with deteriorated site conditions and/or a preponderance of deferred building maintenance. Extensive deterioration of surface improvements and deferred building maintenance was also present. The forty-four (44) blocks affected by deterioration are evenly distributed within the Study Area.

Obsolescence.

Obsolescence refers to the condition, or process, of falling into disuse as evidenced by structures that have become ill-suited for their original use. Obsolescence is characterized by buildings designed for a single, or specific, purpose or use, buildings of inadequate size to accommodate alternative uses, or buildings using a type of construction that limits long term use and marketability. Site improvements such as water and sewer lines, public utility lines, roadways, parking areas, parking structures, sidewalks, curbs and gutters, and lighting may be inadequate or obsolete in relation to contemporary standards for such improvements. Functional obsolescence includes poor design or layout, improper orientation of the building on the site, inadequate loading facilities, height or other factors that detract from the overall usefulness or desirability of the property. Inherently, functional obsolescence results in a loss of property value.

Obsolescence was found to be present to a major extent within the Study Area. Obsolescence is considered present to a major extent when more than twenty-five percent (25%) of the buildings on a block meet the definitions described in the preceding paragraph. Of the fifty-seven (57) tax blocks of improved property within the Study Area, this factor was present to a major extent on twenty-nine (29) blocks. A key condition that defines obsolescence in the Study Area is the decline of commercial viability along 1st 19th Street and 120th Street. Several decades ago, these streets constituted a bustling business district. However, the market for commercial uses has long since shifted to other locations and these streets are no longer viable for commercial use. The zoning along 120th Street was changed several years ago to residential use. Two (2) local planning documents, one (1) of which is the adopted 119th And Halsted Redevelopment Area designation, call for 119th Street to become a primarily residential street. The presence of buildings designed for commercial use on these streets is evidence of significant land-use obsolescence.

Presence Of Structures Below Minimum Code.

This factor is present when structures do not conform to local standards of building, fire, zoning, subdivision or other applicable governmental codes, but not including housing and property maintenance codes. Structures below minimum code standards include all buildings that do not meet the standards of zoning, subdivision, building, housing, fire, property maintenance or other governmental codes applicable to the property. The principal purposes of such codes are to require that buildings be constructed in such a way that they can sustain the loads expected from the type of occupancy and are safe for occupancy against fire and similar hazards, and/or to establish minimum standards for safe and sanitary habitation. Buildings below minimum code are characterized by defects or deficiencies that threaten health and safety.

This analysis focused on the issuance of building code violations over the course of the previous five (5) year period, based on data from the City of Chicago. This factor was determined to be present to a major extent when the number of violations equaled twenty-five percent (25%) or more of the buildings on the block.

Presence of structures below minimum code standards was found to be present within the Study Area to a major extent. From 1995 -- 2000 there were one hundred twenty-two (122) code violations issued to property owners within the Study Area. Of the fifty-seven (57) tax blocks of improved property within the Study Area, this factor was present to major extent on thirty-two (32) blocks and to a minor extent on twenty-four (24) blocks.

Excessive Vacancies.

This condition is present when buildings are vacant, or partially vacant, such that they are underutilized and represent an adverse influence on the Study Area because of the frequency, extent or duration of the vacancies. Excessive vacancies can also be evidenced by vacant lots. The presence of buildings or sites which are unoccupied or underutilized generally signifies a lack of economic viability of the property and, by extension, of the surrounding area. Excessive vacancies include abandoned properties which evidence no apparent effort directed toward their occupancy or utilization. A relatively small amount of vacant property can affect the value and perceived viability of the surrounding area. Consequently, the presence of this condition would represent a significant blighting influence. This condition was considered to be present if the number of vacant properties represented twenty-five (25%) or more of the total parcels on the block.

Excessive vacancies were found to be present within the Study Area to a major extent. Fifty-six (56) buildings (or sixteen percent (16%)) were identified as vacant, partially vacant or underutilized. Of the fifty-seven (57) tax blocks of improved property within the Study Area, this factor was present to major extent on thirty-

seven (37) blocks and to a minor extent on four (4) blocks.

Excessive Land Coverage And Overcrowding Of Structures And Community Facilities.

This factor refers to the over-intensive use of property and the crowding of buildings and accessory facilities onto a site. This condition is present when buildings occupy all, or most, of the lot, leaving little or no space for off-street parking, off-street loading and open space amenities. Problem conditions include buildings that are improperly situated on the parcel, the presence of multiple buildings on a single parcel, or buildings that are located on parcels of inadequate size and shape in relation to contemporary standards of development for health or safety. For there to be a finding of excessive land coverage, parcels must exhibit one (1) or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of the spread of fires due to the close proximity of nearby buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service. Excessive land coverage frequently has an adverse or blighting influence on nearby development.

While certain blocks are adversely affected by the buildings which cover too much of the lot, the more frequent problem is the lack of adequate or proper access to a public right-of-way. One (1) existing and one (1) former railroad right-of-way are present with the area. The former railroad right-of-way is currently vacant and has been acquired by the City of Chicago for future development as a bike trail. This former railroad right-of-way is aligned at an angle to the grid system of the area's streets. This alignment, combined with the platting of the lots, creates a situation in which many lots do not have adequate access to a public right-of-way.

This condition is present to a major extent throughout the Study Area. Overall, fifteen (15) of the fifty-seven (57) tax blocks of improved property within the Study Area were found to exhibit this condition to a major extent. Most of these blocks were affected by inadequate access to a public right-of-way. The presence of the former railroad line obstructs access to both commercial and residential property. In some cases, access to property is provided only through an alley or half-street right-of-way. This severely restricts the use of the property and is a disincentive for investment and property maintenance. A number of blocks along Halsted Street are affected, which as an arterial street, affects the viability of the entire area.

Declining Or Stagnant Equalized Assessed Value.

This factor is present when one (1) of three (3) conditions is met within the Study

Area: 1) the total equalized assessed value (E.A.V.) has declined in three (3) of the last five (5) years; 2) the total E.A.V. is increasing at an annual rate that is less than the balance of the municipality for three (3) of the last five (5) years; or 3) the total E.A.V. is increasing at an annual rate that is less than the Consumer Price Index for all Urban Consumers for three (3) of the last five (5) years.

Declining or stagnant equalized assessed values are indicative of economic and functional obsolescence. This condition relates to the lack of growth and private investment in an area resulting in economic and physical decline. Table A shows that the E.A.V. for the Study Area has either declined or grown at a lower rate than Chicago as a whole in four (4) of the last five (5) years.

Factors Present To A Minor Extent.

Deleterious Land-Use Or Layout.

This factor is characterized by inappropriate or incompatible land-use relationships, inappropriate mixed uses within buildings or uses considered to be noxious, offensive or unsuitable for the surrounding area.

Deleterious land-use or layout was found to be present within the Study Area to a minor extent. This factor was found to be present to a major extent on seven (7) of the fifty-seven (57) tax blocks of improved property within the Study Area. Two (2) of the blocks are affected by an unimproved area behind the Halsted Street frontage on the west side of the street north of 117th Street. An unimproved

alley provides inadequate access to a truck terminal, a car wash/car repair operation and vacant land. The nature of the uses and the access characteristics have created a blighted area that is unmaintained and is used as an informal refuse site, with abandoned cars occasionally being deposited there. Four (4) other blocks contain car repair, auto body and/or salvage operation accompanied by poorly maintained outdoor storage areas that negatively affect surroundings property. The seventh (7th) block contains a stone cutting shop that creates significant dust and noise, which also negatively affects adjacent property.

Dilapidation.

Dilapidation exists when buildings are in an advanced state of disrepair and neglect of necessary repairs to the primary structural components of buildings result in the necessity of major repairs or demolition.

Dilapidation exists to a minor extent within the Study Area. Dilapidation was present to a major extent on eight (8) of the fifty-seven (57) tax blocks of improved property within the Study Area and to a minor extent on three (3) additional blocks. Due to the blighting nature of dilapidation, this factor was considered present to a major extent if it represents ten percent (10%) or more of the buildings on a block.

Factors Found Not To Be Present.

Lack Of Community Planning.

This factor is present if the proposed redevelopment project area developed prior to, or without the benefit and guidance of, a community plan. This means that the area was developed prior to the adoption of a comprehensive or other community plan by the municipality or that the plan was not followed at the time of the area's development. The presence of this condition must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet modern development standards, or other evidence demonstrating an absence of effective community planning.

This factor is also indicated when there are inadequate public utilities, or plans for utility improvements, that would allow the property to be developed in accordance with the intensity of use identified in the municipality's comprehensive plan or zoning ordinance, or other economic development plans for the area. This factor is also present if public improvements serving the site,

including streets, streetlights and other utility systems, do not meet current municipal standards. Similarly, lack of community planning is indicated if private improvements, including parking lots, screening and organization of buildings within the site, do not meet accepted community development standards.

This condition was found not to be present within the Study Area. While the Study Area may have benefited from more effective planning, the primary problems of deterioration and vacant property are the result of lack of economic development rather than a lack of community planning.

Illegal Use Of Individual Structures.

This factor is present when structures are used in violation of federal, state or local laws. Exterior building and land-use surveys of the Study Area revealed no illegal land uses.

Factors Whose Presence Could Not Be Determined.

Lack Of Ventilation, Light Or Sanitary Facilities.

Conditions, such as lack of indoor plumbing or lack of adequate windows or other means of providing ventilation or light, can negatively influence the health and welfare of a building's residents or users. Typical requirements for ventilation, light and sanitary facilities include:

- Adequate mechanical ventilation for air circulation in rooms without windows, such as bathrooms, and dust, odor or smoke producing activity areas.
- Adequate natural light and ventilation by means of skylights or windows for interior rooms with proper window sizes and amounts by room area to window area ratios.
- Adequate sanitary facilities, including garbage storage, bathroom facilities, hot water and kitchens.

The presence of this factor could not be assessed through the exterior building condition survey and other available information to a degree sufficient to warrant its inclusion as a blighting factor present within the Study Area.

Inadequate Utilities.

This factor exists in the absence of one (1) or more of the following utilities serving the site: gas, electricity, telephone, water, sanitary sewer, storm sewer or storm drainage. This factor is also present when the existing utilities are inadequate to accommodate the level of development permitted under current zoning or envisioned under the comprehensive plan, or adopted redevelopment plan, for the area.

This factor does not appear to be present within the Study Area since all property is presently served by the appropriate utilities. As it could not be determined with certainty, it is not considered to be a blighting factor present within the Study Area.

Environmental Clean-Up Requirements.

This factor is considered present when property has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for the clean-up of hazardous waste, hazardous substances or underground storage tanks required by state or federal law, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for such clean-up. In order for this eligibility factor to apply, the remediation costs must constitute a material impediment to the development, or redevelopment, of the redevelopment project area.

No existing environmental surveys were found that identify sites within the Study Area as environmentally contaminated. No such surveys were conducted as part of this study. Therefore, the presence of environmental contamination could not be determined.

Vacant Property.

Only four (4) tax blocks were considered vacant land within the Study Area. Two (2) of the tax blocks contained both improved property and significant vacant land, and have been evaluated both as vacant property and improved property. Two (2) other tax blocks were comprised of solely of vacant land. One (1) of these tax blocks is a single parcel approximately four thousand eight hundred (4,800) square feet in size. All four (4) of the tax blocks were found to exhibit at least two (2) of the six (6) factors needed to establish a blighted area finding under the Act.

Factors Found To Be Present.

Obsolete Platting.

All four (4) tax blocks comprised of vacant land exhibit obsolete planing that results in parcels of narrow and irregular size and shape that are difficult to develop. All four (4) of these tax blocks are at least partially comprised of former railroad right-of-way property. This property is difficult to develop and obstructs access to adjacent property. The City of Chicago has acquired the former railroad right-of-way with the intent to develop a bike trail. A community plan entitled the South Halsted Street Corridor Plan, completed in June of 1999, recommends that portions of the proposed bike trail be realigned onto adjacent vacant property. The former railroad right-of-way property could then be added to proposed development parcels to minimize the impact of the former railroad right-of-way on potential development on Halsted Street. This recommendation is under consideration.

Diversity Of Ownership.

One (1) of the four (4) tax blocks exhibits diversity of ownership that impedes the development of the property. The block in question has twenty-nine (29) separate parcels with ten (10) different owners.

Deterioration On Adjacent Property.

Three (3) of the four (4) tax blocks were found to be located adjacent to property exhibiting deterioration.

Declining Or Stagnant Equalized Assessed Value.

This factor is present when the total equalized assessed value of property within the proposed redevelopment project area has declined or has grown at a slower rate than the city as a whole. Table A, above, illustrates how the equalized assessed value of the property within the proposed redevelopment project area has not grown as rapidly as the city as a whole.

Factors Not Found To Be Present.

Tax Or Special Assessment Delinquencies.

Information on tax or special assessment delinquencies was not collected to determine whether this factor is present within the Study Area.

Environmental Clean-Up Requirements.

No existing environmental surveys were found that identify sites within the Study Area as having incurred either Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs or that environmental remediation was needed within the Study Area.

COMMUNITY DEVELOPMENT COMMISSION
OF THE
CITY OF CHICAGO

RESOLUTION 4-CDC- 09

RECOMMENDING TO THE CITY COUNCIL OF
THE CITY OF CHICAGO
FOR THE PROPOSED
119TH AND HALSTED AMENDMENT NO. 2
REDEVELOPMENT PROJECT AREA:

APPROVAL OF AMENDMENT NO. 2 TO THE
REDEVELOPMENT PLAN AND PROJECT

WHEREAS, the Community Development Commission (the "Commission") of the City of Chicago (the "City") has heretofore been appointed by the Mayor of the City with the approval of its City Council ("City Council," referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Section 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.) (the "Act"); and

WHEREAS, the Commission is empowered by the Corporate Authorities to exercise certain powers set forth in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

WHEREAS, staff of the City's Department of Planning and Development has conducted or caused to be conducted certain investigations, studies and surveys of the 119th and Halsted Redevelopment Project Area Amendment No. 2 the street boundaries of which are described on Exhibit A hereto (the "Area"), to determine the eligibility of the Area as a redevelopment project area as defined in the Act (a "Redevelopment Project Area") and for tax increment allocation financing pursuant to the Act ("Tax Increment Allocation Financing"), and previously has presented the following documents to the Commission for its review:

119th and Halsted Redevelopment Plan and Project Amendment No. 2 (the "Plan"); and

WHEREAS, prior to the adoption by the Corporate Authorities of ordinances approving a redevelopment plan, designating an area as a Redevelopment Project Area or adopting Tax Increment Allocation Financing for an area, it is necessary that the Commission hold a public hearing (the "Hearing") pursuant to Section 5/11-74.4-5(a) of the Act, convene a meeting of a joint review board (the "Board") pursuant to Section 5/11-74.4-5(b) of the Act, set the dates of such Hearing and Board meeting and give notice thereof pursuant to Section 5/11-74.4-6 of the Act; and

WHEREAS, a public meeting (the "Public Meeting") was held in accordance and in compliance with the requirements of Section 5/11-74.4-6(e) of the Act, on October 17, 2014 at 6:00 pm at the Sheldon Heights Church, 11325 South Halsted Street, Chicago, Illinois, (this date being more than 14 business days before the scheduled mailing of the notice of the Hearing [hereinafter defined], as specified in the Act), pursuant to notice from the City's Commissioner of the Department of Planning and Development, given on October 2, 2014, (this date being more than 15 days before the date of the Public Meeting, as specified in the Act), by certified mail to all taxing districts having real property in the proposed Area and to all entities requesting that information that have taken the steps necessary to register to be included on the interested parties registry for the proposed Area in accordance with Section 5/11-74.4-4.2 of the Act and, with a good faith effort, by regular mail, to all residents and to the last known persons who paid property taxes on real estate in the proposed Area (which good faith effort was satisfied by such notice being mailed to each residential address and to the person or persons in whose name property taxes were paid on real property for the last preceding year located in the proposed Area); and

WHEREAS, the Report and Plan were made available for public inspection and review since January 3, 2014, being a date not less than 10 days before the Commission meeting at which the Commission adopted Resolution 14-CDC-01 on January 14, 2014 fixing the time and place for the Hearing, at City Hall, 121 North LaSalle Street, Chicago, Illinois, in the following offices: City Clerk, Room 107 and Department of Planning and Development, Room 1000; and

WHEREAS, notice of the availability of the Report and Plan, including how to obtain this information, were sent by mail on January 21, 2014 which is within a reasonable time after the adoption by the Commission of Resolution 14-CDC 01 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the Area and (ii) located outside the proposed Area and within 750 feet of the boundaries of the Area (or, if applicable, were determined to be the 750 residential addresses that were outside the proposed Area and closest to the boundaries of the Area); and (b) organizations and residents that were registered interested parties for such Area; and

WHEREAS, notice of the Hearing by publication was given at least twice, the first publication being on February 11, 2014 a date which is not more than 30 nor less than 10 days prior to the Hearing, and the second publication being on February 18, 2014, in the Chicago Sun-Times, being newspapers of general circulation within the taxing districts having property in the Area; and

WHEREAS, notice of the Hearing was given by mail to taxpayers by depositing such notice in the United States mail by certified mail addressed to the persons in whose names the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the Area, on February 11, 2014, being a date not less than 10 days prior to the date set for the Hearing; and where

taxes for the last preceding year were not paid, notice was also mailed to the persons last listed on the tax rolls as the owners of such property within the preceding three years; and

WHEREAS, notice of the Hearing was given by mail to the Illinois Department of Commerce and Economic Opportunity ("DECO") and members of the Board (including notice of the convening of the Board), by depositing such notice in the United States mail by certified mail addressed to DECO and all Board members, on January 17, 2014, being a date not less than 45 days prior to the date set for the Hearing; and

WHEREAS, notice of the Hearing and copies of the Report and Plan were sent by mail to taxing districts having taxable property in the Area, by depositing such notice and documents in the United States mail by certified mail addressed to all taxing districts having taxable property within the Area, on January 21, 2014, being a date not less than 45 days prior to the date set for the Hearing; and

WHEREAS, the Hearing was held on March 11, 2014 at 1:00 p.m. at City Hall, 2nd Floor, 121 North LaSalle Street, Chicago, Illinois, as the official public hearing, and testimony was heard from all interested persons or representatives of any affected taxing district present at the Hearing and wishing to testify, concerning the Commission's recommendation to City Council regarding approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; and

WHEREAS, the Board meeting was convened on February 7, 2014 at 10:00 a.m. (being a date at least 14 days but not more than 28 days after the date of the mailing of the notice to the taxing districts on January 17, 2014 in Room 1003A, City Hall, 121 North LaSalle Street, Chicago, Illinois, to review the matters properly coming before the Board to allow it to provide its advisory recommendation regarding the approval of the Plan, designation of the Area as a Redevelopment Project Area, adoption of Tax Increment Allocation Financing within the Area and other matters, if any, properly before it, all in accordance with Section 5/11-74.4-5(b) of the Act; and

WHEREAS, the Commission has reviewed the Report and Plan, considered testimony from the Hearing, if any, the recommendation of the Board, if any, and such other matters or studies as the Commission deemed necessary or appropriate in making the findings set forth herein and formulating its decision whether to recommend to City Council approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; now, therefore,

BE IT RESOLVED BY THE COMMUNITY DEVELOPMENT COMMISSION OF THE CITY OF CHICAGO:

Section 1. The above recitals are incorporated herein and made a part hereof.

Section 2. The Commission hereby makes the following findings pursuant to Section 5/11-74.4-3(n) of the Act or such other section as is referenced herein:

- a. The Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Plan;
- b. The Plan:
 - (i) conforms to the comprehensive plan for the development of the City as a whole; or
 - (ii) the Plan either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission or (B) includes land uses that have been approved by the Chicago Plan Commission;
- c. The Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 5/11-74.4-8 of the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year of the adoption of the ordinance approving the designation of the Area as a redevelopment project area and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than 20 years;
- d. To the extent required by Section 5/11-74.4-3(n) (6) of the Act, the Plan incorporates the housing impact study, if such study is required by Section 5/11-74.4-3(n)(5) of the Act;
- e. The Plan will not result in displacement of residents from inhabited units.
- f. The Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefited by proposed Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;
- g. As required pursuant to Section 5/11-74.4-3(p) of the Act:
 - (i) The Area is not less, in the aggregate, than one and one-half acres in size; and
 - (ii) Conditions exist in the Area that cause the Area to qualify for designation as a redevelopment project area and a blighted area as defined in the Act;

- h. If the Area is qualified as a "blighted area", whether improved or vacant, each of the factors necessary to qualify the Area as a Redevelopment Project Area on that basis is (i) present, with that presence documented to a meaningful extent so that it may be reasonably found that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part or vacant part, as applicable, of the Area as required pursuant to Section 5/11-74.4-3(a) of the Act;
- i. If the Area is qualified as a "conservation area" the combination of the factors necessary to qualify the Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals or welfare, and the Area may become a blighted area; [and]

Section 3. The Commission recommends that the City Council approve the Plan pursuant to Section 5/11-74.4-4 of the Act.

Section 4. The Commission recommends that the City Council designate the Area as a Redevelopment Project Area pursuant to Section 5/11-74.4-4 of the Act.

Section 5. The Commission recommends that the City Council adopt Tax Increment Allocation Financing within the Area.

Section 6. If any provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this resolution.

Section 7. All resolutions, motions or orders in conflict with this resolution are hereby repealed to the extent of such conflict.

Section 8. This resolution shall be effective as of the date of its adoption.

Section 9. A certified copy of this resolution shall be transmitted to the City Council.

ADOPTED: March 11, 2014

AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS
ADOPTING TAX INCREMENT ALLOCATION FINANCING FOR THE 119TH AND
HALSTED TAX INCREMENT FINANCING 2014 AMENDED PROJECT AREA

WHEREAS, under ordinances adopted on February 6, 2002, and published in the Journal of Proceedings of the City Council of the City of Chicago (the "Journal") for such date at pages 78512 to 78658, and under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4.1 *et seq.*, as amended (the "Act"), the City Council (the "City Council") of the City of Chicago (the "City"): (i) approved a redevelopment plan and project (the "Original Plan") for a portion of the City known as "119th and Halsted Redevelopment Project Area" (the "2002 Original Project Area") (the "Original Plan Ordinance"); (ii) designated the 2002 Original Project Area as a "redevelopment project area" within the requirements of the Act (the "Designation Ordinance"); and (iii) adopted tax increment financing for the 2002 Original Project Area (the "Adoption Ordinance") (the Original Plan Ordinance, the Designation Ordinance, and the Adoption Ordinance are collectively referred to herein as the "TIF Ordinances"); and

WHEREAS, pursuant to an ordinance adopted on April 9, 2003, and published in the Journal for such date at pages 106129 to 106248, and under the provisions of the Act, the City Council of the City approved changes to the Original Plan's text (the "Amendment No. 1" and, together with the Original Plan, the "First Amended Plan") to replace the 1999 equalized assessed valuation ("E.A.V.") with the 2000 E.A.V. to conform the Original Plan to Section 5/11-74.4-3(n)(F) of the Act, and to make other minor changes; and

WHEREAS, pursuant to the 2014 Designation Ordinance (defined below), the City, to encourage redevelopment of areas located adjacent to the 2002 Original Project Area, has expanded the boundaries of the 2002 Original Project Area and designated such additional project area (the "2014 Additional Property") as a redevelopment project area under the Act (together with the 2002 Original Project Area, the "2014 Amended Project Area"); and

WHEREAS, the 2014 Amended Project Area is to be known as the 119th and Halsted TIF Redevelopment Amendment 2 Project Area;

WHEREAS, pursuant to the 2014 Plan Ordinance (defined below), the City has supplemented and amended the redevelopment plan for the 2002 Original Project Area to provide for the redevelopment of the 2014 Amended Project Area (the "Second Amended Plan"); and

WHEREAS, it is desirable and in the best interests of the citizens of the City for the City to implement Tax Increment Allocation Financing pursuant to the Act for the 2014 Amended Project Area, which is described in Section 2 of this ordinance and is to be redeveloped pursuant to the Second Amended Plan; and

WHEREAS, the Community Development Commission of the City has forwarded to the City Council a copy of its Resolution 14-CDC-09, recommending to the City Council the adoption of Tax Increment Allocation Financing for the 2014 Amended Project Area, among other things; and

WHEREAS, as required by the Act, the City has heretofore approved the Second Amended Plan, which was identified in AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS APPROVING AMENDMENT NO. 2 TO THE REDEVELOPMENT PLAN FOR THE 119TH AND HALSTED TAX INCREMENT FINANCING REDEVELOPMENT AREA (the "2014 Plan Ordinance") and has heretofore designated the 2014 Amended Project Area as a redevelopment project area by

passage of AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS DESIGNATING THE 2014 AMENDED PROJECT AREA A REDEVELOPMENT PROJECT AREA PURSUANT TO THE TAX INCREMENT ALLOCATION REDEVELOPMENT ACT (the "2014 Designation Ordinance") and has otherwise complied with all other conditions precedent required by the Act; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Section 1. Recitals. The above recitals are incorporated herein and made a part hereof.

Section 2. Tax Increment Allocation Financing Adopted. Tax Increment Allocation Financing is hereby adopted pursuant to Section 5/11-74.4-8 of the Act to finance redevelopment project costs as defined in the Act and as set forth in the Second Amended Plan within the 2014 Amended Project Area legally described in Exhibit A attached hereto and incorporated herein. The street location (as near as practicable) for the 2014 Amended Project Area is described in Exhibit B attached hereto and incorporated herein. The map of the 2014 Amended Project Area is depicted in Exhibit C attached hereto and incorporated herein.

Section 3. Allocation of Ad Valorem Taxes. Pursuant to the Act, the ad valorem taxes, if any, arising from the levies upon taxable real property in the 2014 Amended Project Area by taxing districts and tax rates determined in the manner provided in Section 5/11-74.4-9(c) of the Act each year after the effective date of this ordinance until redevelopment project costs and all municipal obligations financing redevelopment project costs incurred under the Act have been paid, shall be divided as follows:

a. That portion of taxes levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the lower of the current equalized assessed value or the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the Area shall be allocated to, and when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of Tax Increment Allocation Financing; and

b. That portion, if any, of such taxes which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the Area over and above the initial equalized assessed value of each property in the Area shall be allocated to, and when collected, shall be paid to the City treasurer who shall deposit said taxes into that special fund designated the "119th and Halsted Redevelopment Area Special Tax Allocation Fund" of the City for the purpose of paying redevelopment project costs and obligations incurred in the payment thereof.

Section 4. Invalidity of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

Section 5. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

Section 6. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS
DESIGNATING THE 119TH AND HALSTED TAX INCREMENT FINANCING 2014
AMENDED PROJECT AREA A REDEVELOPMENT PROJECT AREA PURSUANT
TO THE TAX INCREMENT ALLOCATION REDEVELOPMENT ACT

WHEREAS, under ordinances adopted on February 6, 2002, and published in the Journal of Proceedings of the City Council of the City of Chicago (the "Journal") for such date at pages 78512 to 78658, and under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4.1 et seq., as amended (the "Act"), the City Council (the "City Council") of the City of Chicago (the "City"): (i) approved a redevelopment plan and project (the "Original Plan") for a portion of the City known as "119th and Halsted Redevelopment Project Area" (the "2002 Original Project Area") (the "Original Plan Ordinance"); (ii) designated the 2002 Original Project Area as a "redevelopment project area" within the requirements of the Act (the "Designation Ordinance"); and (iii) adopted tax increment financing for the 2002 Original Project Area (the "Adoption Ordinance") (the Original Plan Ordinance, the Designation Ordinance, and the Adoption Ordinance are collectively referred to herein as the "TIF Ordinances"); and

WHEREAS, pursuant to an ordinance adopted on April 9, 2003, and published in the Journal for such date at pages 106129 to 106248, and under the provisions of the Act, the City Council of the City approved changes to the Original Plan's text (the "Amendment No. 1" and, together with the Original Plan, the "First Amended Plan") to replace the 1999 equalized assessed valuation ("E.A.V.") with the 2000 E.A.V. to conform the Original Plan to Section 5/11-74.4-3(n)(F) of the Act, and to make other minor changes; and

WHEREAS, it is desirable and in the best interests of the citizens of the City for the City to encourage development of areas located adjacent to the 2002 Original Project Area by adding certain additional continuous parcels (the "2014 Additional Property") to the 2002 Original Project Area and designating such expanded project area as a redevelopment project area under the Act to be known as the 119th and Halsted TIF Redevelopment Amendment 2 Project Area ("2014 Amended Project Area"); and

WHEREAS, the City desires further to supplement and amend the First Amended Plan for the 2002 Original Project Area to provide for the redevelopment of the 2014 Amended Project Area; and

WHEREAS, the City has caused to be prepared an eligibility study entitled "119th & Halsted Redevelopment Project Area Eligibility Study – Amendment No. 2" (the "Eligibility Study") of the proposed 2014 Additional Property, which Eligibility Study confirms the existence within the 2014 Additional Property of various conservation factors and vacant blighted factors as set forth in the Act and supports a finding of eligibility of the 2014 Additional Property for designation as a Conservation Area and Vacant Blighted Area under the Act; and

WHEREAS, the First Amended Plan and the "119th and Halsted Redevelopment Project Area Redevelopment Plan and Project Amendment No. 2: December 31, 2013" ("Amendment No. 2" and, together with the First Amended Plan, the "Second Amended Plan"), provides for the 2014 Amended Project Area and the new total estimated redevelopment project costs; and

WHEREAS, it is desirable and in the best interest of the citizens of the City for the City to implement Tax Increment Allocation Financing pursuant to the Act for the 2014 Amended Project Area, which is described in Section 2 of this ordinance and is to be redeveloped pursuant to the Second Amended Plan; and

WHEREAS, the Community Development Commission (the "Commission") of the City has heretofore been appointed by the Mayor of the City with the approval of its City Council (the City Council, referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Section 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Act; and

WHEREAS, the Commission is empowered by the Corporate Authorities to exercise certain powers enumerated in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

WHEREAS, pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission, by authority of the Corporate Authorities, called a public hearing on October 17, 2013, concerning approval of the Second Amended Plan, designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area pursuant to the Act; and

WHEREAS, Amendment No. 2 (including the Eligibility Study) was made available for public inspection and review pursuant to Section 5/11-74.4-5(a) of the Act since January 3, 2014, being a date not less than 10 days before the meeting of the Commission at which the Commission adopted Resolution 14-CDC-01 on January 14, 2014, accepting the Second Amended Plan for review and fixing the time and place for a public hearing ("Hearing"), at the offices of the City Clerk and the City's Department of Planning and Development; and

WHEREAS, pursuant to Section 5/11-74.4-5(a) of the Act, notice of the availability of Amendment No. 2 (including the related eligibility report and, if applicable, the feasibility study and the housing impact study) was sent by mail on January 21, 2014, which is within a reasonable time after the adoption by the Commission of Resolution 14-CDC-01 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the 2014 Amended Project Area and (ii) located within 750 feet of the boundaries of the 2014 Amended Project Area (or, if applicable, were determined to be the 750 residential addresses that were closest to the boundaries of the 2014 Amended Project Area); and (b) organizations and residents that were registered interested parties for such 2014 Amended Project Area; and

WHEREAS, due notice of the Hearing was given pursuant to Section 5/11-74.4-6 of the Act, said notice being given to all taxing districts having property within the 2014 Amended Project Area and to the Department of Commerce and Economic Opportunity of the State of Illinois by certified mail on January 17, 2014, by publication in the *Chicago Sun-Times* or *Chicago Tribune* on February 11, 2014 and February 18, 2014, by certified mail to taxpayers within the 2014 Amended Project Area on February 11, 2014; and

WHEREAS, a meeting of the joint review board established pursuant to Section 5/11-74.4-5(b) of the Act (the "Board") was convened upon the provision of due notice on February 7, 2014 at 10:00 a.m., to review the matters properly coming before the Board and to allow it to provide its advisory recommendation regarding the approval of the Second Amended Plan,

designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area, and other matters, if any, properly before it; and

WHEREAS, pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission held the Hearing concerning approval of the Second Amended Plan, designation of the 2014 Amended Project Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the 2014 Amended Project Area pursuant to the Act on March 11, 2014; and

WHEREAS, the Commission has forwarded to the City Council a copy of its Resolution 14-CDC-09, adopted on March 11, 2014, recommending to the City Council approval of the Second Amended Plan, among other related matters; and

WHEREAS, the City Council has heretofore approved the Second Amended Plan, which was identified in AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS APPROVING AMENDMENT NO. 2 TO THE REDEVELOPMENT PLAN FOR THE 119TH AND HALSTED TAX INCREMENT FINANCING REDEVELOPMENT AREA; now therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Section 1. Recitals. The above recitals are incorporated herein and made a part hereof.

Section 2. The 2014 Amended Project Area. The 2014 Amended Project Area is legally described in Exhibit C attached hereto and incorporated herein. The street location (as near as practicable) for the 2014 Amended Project Area is described in Exhibit D attached hereto and incorporated herein. The map of the 2014 Amended Project Area is depicted on Exhibit E attached hereto and incorporated herein.

Section 3. Findings. The Corporate Authorities hereby make the following findings:

a. The 2014 Amended Project Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefited by the proposed Second Amended Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;

b. As required pursuant to Section 5/11-74.4-3(p) of the Act:

(i) The 2014 Amended Project Area is not less, in the aggregate, than one and one-half acres in size; and

(ii) Conditions exist in the 2014 Amended Project Area that cause the 2014 Amended Project Area to qualify for designation as a redevelopment project area and a conservation area as defined in the Act;

c. If the 2014 Amended Project Area is qualified as a "blighted area," whether improved or vacant, each of the factors necessary to qualify the 2014 Amended Project Area as a redevelopment project area on that basis is (i) clearly present within the intent of the Act and with that presence documented to a meaningful extent, and (ii) reasonably

distributed throughout the improved part or vacant part, as applicable, of the 2014 Amended Project Area as required pursuant to Section 5/11-74.4-3(a) of the Act.

d. If the 2014 Amended Project Area is qualified as a "conservation area," the combination of the factors necessary to qualify the 2014 Amended Project Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals, or welfare, and the 2014 Amended Project Area may become a blighted area.

Section 4. 2014 Amended Project Area Designated. The 2014 Amended Project Area is hereby designated as a redevelopment project area pursuant to Section 5/11-74.4-4 of the Act.

Section 5. Invalidity of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

Section 6. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

Section 7. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

April 2, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance regarding map amendment procedures in conjunction with the establishment of the 606 Trail and Park.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

A handwritten signature in black ink that reads "Rahm Emanuel".

Mayor

ORDINANCE

WHEREAS, the City of Chicago (“City”) is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs, including, without limitation, the establishment and amendment to the zoning maps of real property located in the City; and

WHEREAS, from time to time the City’s Department of Planning and Development (“DPD”) performs comprehensive surveys of land uses in the City, and portions thereof to advance the City’s land use planning goals and objectives pursuant to Municipal Code Chapter 17-1-0100 et seq. (as amended from time to time, the “Zoning Ordinance”); and

WHEREAS, when DPD determines that it is necessary to amend the City zoning maps in order to attain such goals and objectives, DPD will, from time to time, seek City Council approval for comprehensive zoning map amendments; and

WHEREAS, such comprehensive zoning map amendments may involve a large number of parcels scattered across areas of the City or located within discrete areas of the City or any combination thereof; and

WHEREAS, the cost and administration involved in implementing such comprehensive zoning map amendments in accordance with the zoning map amendment procedures, specified in Section 17-13-0300 et seq. of the Zoning Ordinance, would be substantial and burdensome; and

WHEREAS, the City has identified an area of the City that will involve comprehensive zoning map amendments to facilitate the construction of a 2.7 mile elevated trail and park system and related purposes, which area consists generally of the former Chicago Milwaukee, St. Paul and Pacific Railroad right-of-way and certain adjacent and other properties (the “606 Trail and Park System”); and

WHEREAS, implementation of the 606 Trail and Park System involves a large number of parcels and requires comprehensive zoning map amendments; and

WHEREAS, the City desires, consistent with constitutional due process requirements, to provide for alternative notice, review and approval procedures on a limited basis in order to implement such comprehensive zoning map amendments; and

WHEREAS, such alternative procedures will enable the City to publish notice as to persons and owners not located within the remapped areas, while still delivering written notice to those persons and owners located within the remapped areas, and subject to compliance with certain other specified procedures (as more particularly described in Section 2 below (the “Special Zoning Map Amendment Procedures”); and

WHEREAS, the Department of Planning and Development (“DPD”) has determined that it is appropriate to amend the zoning maps with respect to the parcels of real property depicted on the map attached to this ordinance as Exhibit A, in order to implement the 606 Trail and Park System; and

WHEREAS, DPD, by separate ordinance, intends to seek City Council approval for such map amendments (the “606 Trail and Park System Zoning Map Amendment”) within six (6) months of the passage and approval of this ordinance; and

WHEREAS, DPD desires to utilize the Special Zoning Map Amendment Procedures in providing for the notice, review and approval for such 606 Trail and Park System Zoning Map Amendment; **now, therefore:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are herein incorporated by reference and made the findings of the City Council.

SECTION 2. In lieu of the zoning map amendment approval procedures specified in Section 17-13-0300 et seq. of the Zoning Ordinance (except to the extent such procedures are expressly incorporated herein), DPD shall comply with the following procedures in connection with the giving of notice, review and approval of the 606 Trail and Park System Zoning Map Amendment.

A. Limited Applicability

The Special Zoning Map Amendment Procedures of this Section 2 shall only apply to DPD’s proposed amendments for the 606 Trail and Park System Zoning Map Amendment parcels.

B. Applications

1. Authority to File

The 606 Trail and Park System Zoning Map Amendment may be proposed by the Mayor or his designee.

2. Filing

The 606 Trail and Park System Zoning Map Amendment application must be filed with the Zoning Administrator. Upon determining that an application is complete, the Zoning Administrator must transmit the application to the City Clerk. The City Clerk must file such application with the City Council at its next regular meeting.

C. Recommendations—Zoning Administrator and Commissioner of Planning and Development

The Zoning Administrator must review the 606 Trail and Park System Zoning Map Amendment application and forward a recommendation on the proposal to the City Council Committee on Zoning, Landmarks and Building Standards before the Committee's public hearing. The recommendation of the Zoning Administrator must also be forwarded to the City Council when the report of the City Council Committee on Zoning, Landmarks and Building Standards is initially submitted to the City Council.

D. Hearing—City Council Committee on Zoning, Landmarks and Building Standards

The City Council Committee on Zoning, Landmarks and Building Standards must hold a hearing on the 606 Trail and Park System Zoning Map Amendment. Written notice of the City Council Committee on Zoning, Landmarks and Building Standards' public hearing must be provided to property owners of the subject property only (but need not be provided to property owners of all property located within 250 feet of the property lines of the 606 Trail and Park System Zoning Map Amendment parcels) in accordance with Sec. 17-13-0107-A.1 (as modified by the foregoing notice requirements) through and including Sec. 17-13-0107-A.7 of the Zoning Ordinance, and Sec. 17-13-0107-A.8(c) and (d) of the Zoning Ordinance. Published notice of the Committee on Zoning, Landmarks and Building Standards' public hearing must be provided in accordance with Sec. 17-13-0107-B of the Zoning Ordinance. No posted notice shall be required.

E. Final Action—City Council

The City Council shall be the final decision-making body on the 606 Trail and Park System Zoning Map Amendment. The City Council may act by simple majority vote unless a valid written protest against the proposed amendment is filed with the City Clerk at least 3 days before the date that the City Council votes on the proposed amendment.

1. Protest.

A valid written protest is one that is signed and acknowledged by the property owners of 20% of the 606 Trail and Park System Zoning Map Amendment parcels.

2. Super-Majority.

In the case of a valid written protest, approval of the 606 Trail and Park System Zoning Map Amendment requires a favorable vote of two-thirds of all Aldermen.

3. Filing of Protest.

A copy of the written protest must be served by the protester on the Commissioner of the Department of Planning and Development by certified mail at 121 N. LaSalle Street, Chicago, Illinois 60602.

F. Review and Decision-Making Criteria

The act of approving the 606 Trail and Park System Zoning Map Amendment is a legislative action as compared to quasi-judicial that must be made in the best interests of the public health, safety and general welfare, while also recognizing the rights of individual property owners. In reviewing and making decisions on the proposed 606 Trail and Park System Zoning Map Amendment, review bodies and decision-making bodies should consider, at a minimum, the factors specified in Sec. 17-13-0308-A through and including Sec. 17-13-0308-E.

G. Inaction by City Council

If the City Council does not take action on the proposed 606 Trail and Park System Zoning Map Amendment within 6 months of the passage and approval of this ordinance, the application will be considered to have been denied.

H. Fee

There shall be no filing fee for the application for the 606 Trail and Park System Zoning Map Amendment.

I. Inapplicability

Except as expressly incorporated into this Section 2, the notice, review and approval procedures in Sec. 17-13-0301 shall not apply to the 606 Trail and Park System Map Amendment process, which shall instead be governed by the notice, review and approval procedures described herein.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. The notice, review and approval provisions of this ordinance shall control and govern over any ordinances, resolutions, motions or orders in conflict with this ordinance, including specifically, but without limitation, Section 17-13-0300 of the Zoning Ordinance.

SECTION 5. This ordinance shall be in full force and effect from and after its passage and approval.
